Zane Gray, 2013-12-04 The events depicted in *Riders of the Purple Sage* occur between the mid spring and the late summer of 1871 Early in *Riders of the Purple Sage* we are introduced to Jane Withersteen and the main conflict the right to befriend a Gentile in *Riders of the Purple Sage* the word Gentile is synonymous with non Mormon the usage was common in the book This conflict is best demonstrated in the statement Jane Withersteen gazed down the wide purple slope with dreamy and troubled eyes A rider had just left her and it was his message that held her thoughtful and almost sad awaiting the churchmen who were coming to resent and attack her right to befriend a Gentile 2 We are introduced to Tull an elder in the church It was the wish of Jane Withersteen s father that Jane marry Tull but Jane refused saying because she did not love him causing a string of controversy and leading to her persecution by the local Mormons Jane s Gentile friend and rider cowboy Bern Venters is arrested by Tull and his men including Jerry Card who prepare to sentence him Venters It is not clear under what authority the mob is acting however As is common in the genre it seems that might makes right Jane continuously defends Venters declaring him her best rider Her defense is worth very little to her churchmen who refuse to value the opinion of a woman as shown by Tull lifted a shaking finger toward her That ll do from you Understand you ll not be allowed to hold this boy Venters to a friendship that s offensive to your bishop Jane Withersteen your father left you wealth and power It has turned your head You haven t yet come to see the place of Mormon women 3 It is here where we first hear mention of Lassiter Venters uses Lassiter s name to express the waves of terror that Lassiter had been known to cause Ironically at the moment when Venters mentions Lassiter s name the actual Lassiter is seen approaching in the distance by Tull s men 4 Upon his arrival Lassiter speaks briefly to Jane without introducing himself Lassiter expresses his trust in the word of women at which point Tull rebukes him telling him not to meddle in Mormon affairs 5 It is at this point that Tull s men begin to take Venters away when Venters realizing who he is screams Lassiter at which point Tull understands that this man is the infamous Lassiter and flees leaving Venters By the second chapter we have been introduced to many of the major characters in *Riders of the Purple Sage* The statement If by some means I can keep him here a few days a week he will never kill another Mormon she mused Lassiter I shudder when I think of that name of him But when I look at the man I forget who he is I almost like him I remember only that he saved Bern He has suffered I wonder what it was did he love a Mormon woman once How splendidly he championed us poor misunderstood souls Somehow he knows much explains early Jane s intent to transform Lassiter to be less resentful of Mormons wikipedia
