Ridgeway Europes Oldest Road:

The Ridgeway Richard Ingrams,1988 *British River Navigations* Stuart Fisher,2013-10-24 Britain's rivers deserve to be better known Teeming with wildlife steeped in history sporting bridges docks and stunning architecture not to mention supporting riverside pubs waterways museums and a variety of places of interest they are the country's essential arteries connecting inland Britain with the sea From such world renowned rivers as the Trent and Severn to little known tributaries like the Wharf Wissey and Lark British River Navigations celebrates England's inland rivers which have been improved for navigation initially for commercial use but now mostly carrying leisure craft A fantastic celebration in its own right alongside the author's previous Canals of Britain and Rivers of Britain this new book completes a trilogy on the different routes that can be used by large and small craft through the inland as well as tidal rivers of Britain As with his other two books it takes a wide ranging and detailed look at the built and natural environments surrounding these waterway gems It explores the history folklore wildlife literature and nearby towns and villages all illustrated with beautiful maps and colour photographs So much more than just a guidebook it contains fascinating detail about our often surprising waterways right across the country For anyone enjoying England's rivers for recreation or transportation this captivating guide gives a fascinating insight into the lifeblood of our countryside **Footmarks** Jim Leary,2023-06-01 Lucid poetic and fascinating

ALICE ROBERTS Engaging authoritative and full of fascinating stories of the past RAY MEARS A gentle personal and very readable book JULIA BLACKBURN AUTHOR OF TIME SONG A triumph JAMES CANTON AUTHOR OF THE OAK PAPERS I loved this book FRANCIS PRYOR On paths roads seas in the air and in space there has never been so much human movement In contrast we think of the past as static frozen in time But archaeologists have in fact always found evidence for humanity's irrepressible restlessness Now latest developments in science and archaeology are transforming this evidence and overturning how we understand the past movement of humankind In this book archaeologist Jim Leary traces the past 3.5 million years to reveal how people have always been moving how travel has historically been enforced or prohibited by people with power and how our forebears showed incredible bravery and ingenuity to journey across continents and oceans With Leary to show the way you'll follow the footsteps of early hunter gatherers preserved in mud and tread ancient trackways hollowed by feet over time Passing drovers wayfarers and pilgrims you'll see who got to move and how people moved And you'll go on long distance journeys and migrations to see how movement has shaped our world **On this Holy**

Island Oliver Smith,2025-03-04 A lyrical and insightful narrative that presents a new approach to the idea of pilgrimage traversing paths both ancient and modern Retracing sacred travel made across time from murmurs of ritual journeys in the depths of Ice Age to new pilgrimages of the 21st century On This Holy Island is an epic adventure across sacred British landscapes We follow Oliver Smith as he climbs into remote sea caves sleeps inside Neolithic tombs scales forgotten holy mountains and once even marrons himself at sea Following holy roads to churches cathedrals and standing stones this

evocative and enlightening travelogue explores places prehistoric pagan and Christian Smith also reveals how football stadiums and music festivals have become contemporary places of pilgrimage Though the routes walked are often ancient the pilgrims he meets are always modern But underpinning the remarkable book is a timeless truth that making journeys has always been a way of making meaning So often Smith finds the unravelling of a path goes in tandem with the unravelling of the soul

Times of My Life - Part Two Carole Payne,2022-11-30 A sequel to *Times of My Life A Forest Gate Girl* this book carries the reader from a wedding in 1971 to the present day in Wiltshire spanning 50 years of events that have punctuated the writer s life up to now It s been a whole adventure and education for a girl from a fairly sheltered and strict family background embarking on married life as a young wife which would soon take her away from the London she had known and loved to following her husband s career all over the country She would eventually achieve all the things she had dreamed of as a child She would travel the world meet fascinating people in far flung places and make lifelong friends She would have a successful career of her own She would teach Her love of music theatre and performance would lead to one of her most thrilling and satisfying endeavours running her own musical theatre group with amazing young people and watching them grow in skills and confidence This memoir revisits those hectic days which tend to get lost in the fullness of time Treasured old photos bring it all back Most of all she would have a long and happy married life and be blessed with wonderful children and grandchildren There were many adventures and so many reasons to celebrate along the way But there were also trials and challenges tragedies and sadness as there are and have been for everyone particularly during the Covid years The best of times always outweighed the bad however and the happiest memories will be cherished forever
