Ridgewells Flying Fortress The 381st Bombardment Group H In World War II:

Ridgewell's Flying Fortresses Ron Mackay, 2000 In June 1943 the quiet English countryside around the village of Ridgewell in northwest Essex was transformed by the arrival of the 381st Bomb Group with its B 17 Flying Fortresses The subsequent battle in the skies over Europe witnessed the 381st in concert with their fellow airmen with the Mighty Eighth striking 297 times at Hitler's Fortress Europe and dropping over 22 000 tons of ordnance in the process The cost to the group was 131 aircraft and over 1200 combat crew missing in action sustained during the course of a fiercely contested struggle stretching over 1000 days *Bomb Group* Paul Bingley, Mike Peters, 2022-11-03 The authors do a good job using the diaries interviews and books written by group members to convey a vivid sometimes too vivid picture of war at its most elemental The Journal of the Air Force Historical Foundation In February 1942 a reconnaissance party of United States Army Air Force officers arrived in England Firmly wedded to the doctrine of daylight precision bombing they believed they could help turn the tide of the war in Europe In the months that followed they formed the Eighth Air Force an organization that grew at an astonishing rate To accommodate it almost seventy airfields were hastily built across the eastern counties of England At the heart of the Eighth Air Force was its bombardment groups each equipped with scores of heavily armed four engine bombers These Boeing B 17 Flying Fortresses and Consolidated B 24 Liberators were soon punching through the enemy's defenses to bomb targets vital to its war effort They were crewed by thousands of young American airmen most of whom were volunteers This book tells the story of just one Bomb Group the 381st which crossed the Atlantic in May 1943 Arriving at RAF Ridgewell on the Essex Suffolk border its airmen quickly found themselves thrown into the hazardous and attritional air battle raging in the skies over Europe The 381st's path led from its formation in the Texan desert to its 297th and final bombing mission deep into the heart of Hitler's Third Reich This is the remarkable story of one group and the part it played in the strategic bombing campaign of The Mighty Eighth United States Air Force and Its Antecedents James T. Controvich, Martin Gordon, 2004-06-24 This bibliography lists published and printed unit histories for the United States Air Force and Its Antecedents including Air Divisions Wings Groups Squadrons Aviation Engineers and the Women's Army Corps *Flying Fortress Gunner* Bill Cullen, 2023-10-28 The biography of Bob Harper a B 17 ball turret gunner with the 8th Air Force who survived 35 combat missions over Germany in WWII and was shot down twice At 5 feet 4 inches tall and weighing just 110 pounds Bob Harper was below the minimum size requirements for US military service As the demand for manpower increased rules were bent Harper's deferment was retracted and he was drafted into the Army Harper was deployed to the European front and survived 35 combat missions as a B 17 ball turret gunner Based at airfields in England Bob and the 381st Bomb Group flew brutal missions over heavily defended industrial centers in Germany Harper was shot down twice and awarded the Distinguished Flying Cross Through his letters home combat reports and extensive interviews with author Bill Cullen Harper describes his harrowing experiences on board the Flying Fortresses of the Eighth Air Force Cullen's

interviews with Harper took place over a period of years and it is the anecdotes from the interviews that drive the majority of the narrative The ball turret was located underneath the aircraft and was a confined intense and unique environment from which to experience combat during the Second World War Readers will find Harper who went on to a successful business career after the war to be an insightful witty and engaging storyteller **Masters of the Air MTI** Donald L.

Miller,2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U S Eighth Air Force the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers arrival on the ground Finding a Fallen Hero Bob Korkuc,2014-10-22 To all appearances Anthony Tony Korkuc was just another casualty of World War II A gunner on a B 17 Flying Fortress Korkuc was lost on a bombing mission over Germany and his family believed that his body had never been recovered But when they learned in 1995 that Tony was actually buried at Arlington National Cemetery his nephew Bob Korkuc set out on a seven year quest to learn the true fate of an uncle he never knew Finding a Fallen Hero is a compelling story that blends a wartime drama with a primer on specialized research Author Bob Korkuc initially set out to learn how his Uncle Tony came to rest at Arlington In the process he also unraveled the mystery of what occurred over the skies of Germany half a century ago Korkuc dug up military documents and private letters and interviewed people in both the United States and Germany He tracked down surviving crewmembers and even found the brother of the Luftwaffe pilot who downed the B 17 Dozens of photographs help readers envision both Tony Korkuc s fateful flight and his nephew s dogged search for the truth A gripping chronicle of exhaustive research Finding a Fallen Hero will strike a chord with any reader who has lost a family member to war And it will inspire others to satisfy their own unanswered questions *Big Week* Bill Yenne,2014-02-04 In just six days the United States Strategic Air Forces changed the course of military offense in World War II During those six days they launched the largest bombing campaign of the war dropping roughly ten thousand tons of bombs in a rain of destruction that would take the skies back from the Nazis The Allies knew that if they were to invade Hitler s Fortress Europe they would have to wrest air superiority from the mighty Luftwaffe The plan of the United States Strategic Air Forces was extremely risky During the week of February 20 1944 and joined by the RAF Bomber Command the USAAF Eighth and Fifteenth Air Force bombers took on this vital mission They ran the gauntlet of the most heavily defended air space in the world to deal a death blow to Germany s aircraft industry and made them pay with the planes already in the air In the coming months this Big Week would prove a deciding factor in the war Both sides were dealt losses but whereas the Allies could recover damage to the Luftwaffe was irreparable Thus Big Week became one of the most important episodes of World War II and coincidentally one of the most overlooked until now *Air Force Magazine* ,2000-07 **Eighth Air Force** Donald L. Miller,2007 This volume looks at the history of the Eighth Air Force in Britain It covers the individual destinies the famous and notorious raids like Schweinfurt Regensburg and Dresden the social transformation of east Anglian villages by an influx of good time Yanks the POW camps and the endless controversy about the

Veronico,2014-12-15 A visual history of the US Eighth Air Force in World War II **Flypast** ,2008 One Last Look Philip Kaplan,Rex Alan Smith,1983 This beautifully illustrated and sensitively designed volume returns to now long abandoned U S Army Air Force bases in England melding photographs from World War II with recent views of overgrown runways rusting Nissen huts and crumbling ghostly control towers American History Illustrated 250 illustrations 100 in color **Ted's Travelling Circus** Carroll Stewart,1996 8th AF News ,1981 First in the Field Ron Mackay,2007 First in the Field is a relevant title to describe the pioneer force destined to operate a hitherto un tested concept in modern aerial warfare the 1st Bomb Division The initial period of shallow penetration missions with a severely under strength force of B 17s crews and support equipment was followed by growing and finally unsupportable losses Nevertheless from early 1944 onward it was becoming clear that what was by then the 1st Bomb Division had held its ground often against painful tactical and strategic odds and in doing so had laid the foundations for the final victory of America s bombing campaign against Hitler s regime

Military Order of World Wars ,1996-06-15 In this ambitious study of the intense and often adversarial relationship between English and American literature in the nineteenth century Robert Weisbuch portrays the rise of American literary nationalism as a self conscious effort to resist and finally to transcend the contemporary British influence Describing the transatlantic double cross of literary influence Weisbuch documents both the American desire to create a literature distinctly different from English models and the English insistence that any such attempt could only fail The American response as he demonstrates was to make strengths out of national disadvantages by rethinking history time and traditional concepts of the self and by reinterpreting and ridiculing major British texts in mocking allusions and scornful parodies Weisbuch approaches a precise characterization of this double cross by focusing on paired sets of English and American texts Investigations of the causes motives and literary results of the struggle alternate with detailed analyses of several test cases Weisbuch considers Melville s challenge to Dickens Thoreau s response to Coleridge and Wordsworth Hawthorne s adaptation of Keats and influence on Eliot Whitman s competition with Arnold and Poe s reshaping of Shelley Adding a new dimension to the exploration of an emerging aesthetic consciousness Atlantic Double Cross provides important insights into the creation of the American literary canon *The 390th Bomb Group Anthology* Wilbert H. Richarz,Richard H. Perry,William J. Robinson,1983-01-01 The 390th Bomb Group Anthology includes 83 stories written by 45 members of the 390th Bomb Group relating their personal adventures during the World War II years of 1943 1944 and 1945 The stories include combat briefs mission stories humor in the midst of war evasion and imprisonment after being shot down Some of the stories were written as they happened during the war years while others are recollections of those events so prominent in the mins of those who lived them The reader will be provided new insight into the war in the air by these personal accounts The 390th Bomb Group was one of the most famous units in the Eighth Air Force This unit flew 301 missions against Hitler s Fortress Europe This
