Rifling Paradise:

Rifling Paradise Jem Poster, 2008-02-05 A dubious character experiences a shattering change of heart during his specimen collecting expedition to Australia Edgy intense and engrossing Kirkus Reviews When past indiscretions catch up with Charles Redbourne a minor English landowner he is propelled from England to Australia where he plans to make his mark as a naturalist There his life begins to change dramatically not least when he meets his host's wayward artistic daughter But it is on an expedition in search of scientific specimens in the Blue Mountains that events take a terrifying turn Vividly conveying the unspoken codes of Victorian society this is a gripping tale of emotional and psychological reckoning that offers an inspired meditation on the relationship between humankind and the natural world Immediately gripping An epic tale whose figures in landscape encapsulate a turning point in history The Times Literary Supplement Poster's prose is at its best when describing the flora and fauna exotic birds especially the sounds and smells of the outback A stylish assured and thoughtful narrative The Guardian Violence seethes perpetually just below the surface all the more powerful for the author's restraint Rifling Paradise is one of those historical novels that continually confronts us with our present world the world created out of the brutality and disaster of the past but also out of its graces a world we may not yet be mature enough to save Historical Novels

Courting Shadows Jem Poster, 2009-01-27 A fantastically tightly written read every word novel As a psychological thriller it's as close to wonderful as anything I've recently read The Guardian In the winter of 1881 John Stannard a young architect is in self-imposed exile in a remote English village carrying out repairs to the parish church Arrogant and insensitive to what he considers superstition and sentimental attachment to the past he soon begins to inflict serious damage on the ancient building as well as on those with whom he comes into contact most notably the beautiful ambitious local girl Ann Rosewell This is the mesmerizing tale of a man who clings ferociously to his warped notion of civilized behavior unwilling to admit his need for love Set in a vividly evoked landscape and taut with foreboding Jem Poster's striking first novel pits reason against emotion progress against preservation and explores our capacity for invention and self-delusion the stories we tell each other and the stories we tell ourselves A dazzling debut Wholly involving from start to finish Publishers Weekly starred review Written in lavishly beautiful prose this is a consistently tense tale of rationality self-delusion and epidemic superstition Booklist

Atomic Hell Series Yousuf Gabriel,2015-07-31 At a time unparalleled in history humanity faces a threat of universal nuclear
 doomsday with an end result of total annihilation of life on earth Being an enthusiast for global peace with an extensive
 research background Yousuf Gabriel explores the root cause of the nuclear problem Probing deep into the realms of theology
 philosophy atomism nuclear science literature and history amid a mist of mystification regarding universal nuclear dilemma
 Gabriel has tried to resolve the issue in the light of the Scriptures He is a philanthropist who warns humanity about nuclear
 hell and wants to shun the two edged sword of nuclear energy either for war or so called peaceful purpose Gabriels
 Extinguishing the Atomic Hell Series serves as the key to the future destiny of this now doomed humankind It is a case of
 dwindled religion and diminished faith versus science It is based on a miraculous prophecy rather a warning about nuclear
 hell given by the Quran more than fourteen centuries ago The prophecy has described the characteristics of the age in which
 atomism was supposed to appear as well as of the people who would become the victims of nuclear fire It has also given the
 remedial measures and solutions to avoid this nuclear doomsday The whole nuclear phenomena with all its characteristic
 scientific features is described in its entirety by this prophecy of the Holy Quran The major focus of criticism is the
 philosophy of Francis Bacon who preferred natural philosophy over moral philosophy for mans right of dominion over nature
 for the material utility Educate yourself about the dreadful outcome of adopting nuclear energy whether for war or peaceful
 purposes Learn how after a prolonged use of nuclear energy human and animal species may be converted to abhorrent
 monsters and chimeras Enlighten yourself in the light of Scriptures how humanity can avoid this shameful and dreadful end
