*The Rigger* Jack Williams, 2009-04-22 A British soldier recounts his experience maintaining surveillance towers in Northern Ireland during The Troubles in this candid military memoir Making unprecedented use of electronic surveillance the Special Air Service and other British assault units were dependent on information provided by a network of towers and other devices Construction and maintenance of the towers was the job of the British Army's Royal Corps of Signals The author and his fellow troopers of the R Sigs had to climb and work on the electronic towers in full view of an often hostile population and occasionally under fire This is the gripping insider story of the tension fear and comradeship of these specialists who needed more than just a head for heights Jack Williams's account adds a previously little known dimension to our understanding of the campaign in Northern Ireland and provides a first hand account of previously unknown operations and techniques

**Bringing War to Book** Rachel Woodward, K. Neil Jenkins, 2018-05-04 This book explores how military memoirs come to be written and published Looking at the journeys through which soldiers and other military personnel become writers the authors draw on over 250 military memoirs published since 1980 about service with the British armed forces and on interviews with published military memoirists who talk in detail about the writing and production of their books A range of themes are explored including the nature of the military memoir motivations for writing authors reflections on their readerships inclusions and exclusions within the text the memories and materials that authors draw on the collaborations that make the production and publication of military memoirs possible and the issues around the design of military memoirs distinctive covers Written by two leading commentators on the sociology of the military *Bringing War to Book* offers a new and original argument about the representations of war and the military experience as a process of social production The book will be of interest to students and scholars across a range of disciplines including sociology history and cultural studies

*Northern Ireland: The Troubles* Kenneth Lesley-Dixon, 2020-01-31 It is of course no secret that undercover Special Forces and intelligence agencies operated in Northern Ireland and the Republic throughout the troubles from 1969 to 2001 and beyond What is less well known is how these units were recruited how they operated what their mandate was and what they actually did This is the first account to reveal much of this hitherto unpublished information providing a truly unique record of surveillance reconnaissance intelligence gathering collusion and undercover combat An astonishing number of agencies were active to combat the IRA murder squads the Provos among others the Military Reaction Force MRF and the Special Reconnaissance Unit also known as the 14 Field Security and Intelligence Company The Det as well as MI5 Special Branch the RUC the UDR and the Force Research Unit FRU later the Joint Support Group JSG It deals with still contentious and challenging issues as shoot to kill murder squads the Disappeared and collusion with loyalists It examines the findings of the Stevens Cassel and De Silva reports and looks at operations Loughgall Andersonstown Gibraltar and others
