Brain-storm - When the Mind Becomes the Ultimate Weapon David K. Brown, 2016-09-25 Daniel Jefferies was always happy even though he led a challenging life It was not so much that Danny was bothered by his troubles rather life was hard on those who loved and cared about him At a very young age it became clear that Danny was a special person Whether that was special in a good way or special in a bad way was in the eye of the beholder Danny was neither a square or round peg so he never fit into the spaces that were laid out for him The only thing for sure was that Daniel Jefferies had an unmistakable effect on everyone around him And since Danny was a happy person it made sense that he would make those around him feel better But all that changed one day when researchers believed that they could harness his gift In doing so they unwittingly unleashed Daniel Jefferies to become something that was not meant to be unleashed Brain Storm is a story so real that you wonder when not if it is going to happen

Birmingham,2022-11-22 In the provocatively crafted Lady Bountiful George A Birmingham delves into Edwardian Ireland with a narrative that wryly observes social hypocrisies The story's literary style is infused with satire that sprightly

scrutinizes the era's class distinctions and the pursuit of material advantages in marriage. As Birmingham constructs a dynamic tale set against the backdrop of a country on the cusp of modernity, he adeptly exposes the quaint paradoxes of a society clinging to antiquated customs while flirting with progressive ideas. The novel's treatment of such themes situates it within the broader canvas of Edwardian literature, where the interplay of social critique and entertainment is paramount. George A. Birmingham, a pseudonym for James Owen Hannay, was an Irish clergyman and novelist whose insights into the friction between traditional values and emerging social changes in Ireland undoubtedly influenced *Lady Bountiful*. His experiences within a transforming society provided a rich foundation from which to explore the consequences of an outrageous match that defied contemporary norms. Integral to his narrative is a witty examination of wealth, upward mobility, and women's unexpected entry into the political sphere. *Lady Bountiful* is recommended for readers who appreciate sharp social commentary enveloped in a story of wit and unlikely ambition. The novel not only delights with its humor and rich characterizations but also invites contemplation on societal constructs and their enduring impact. This daring exploration of class, marriage, and societal evolution in Edwardian Ireland will captivate and resonate with fans of historical fiction and those interested in the cultural landscapes that have shaped modern sensibilities. *Executive Orders* Tom Clancy, 1997-08-01. Now the weight of the world falls on Jack Ryan's shoulders in this extraordinary 1 New York Times bestseller from Tom Clancy. Now he must rebuild a government, comfort a grieving nation, and become a true leader. Meanwhile, he is surrounded by enemies both inside the White House and around the world, all of them plotting to destroy an untested President and bring an already wounded country to its knees. **Graphic Showbiz** Adwoa Serwaa Bonsu, 2010-11-11. **Plato** Clifton Collins, 2023-05-16.
