Rightly Dividing The Word Of Truth:

The Layman's Guide To Rightly Dividing The Word of Truth Karry Easley, 2019-06-10 Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word. If we follow these guidelines we will be able to know God's will and His truth. God does not intend for us to know everything in this life for faith is crucial to the Christian life but that which He is willing to share is there inside His Word. However, one must know how to approach it. This book not only shows you how to do this but gives examples of it being applied. It also covers many biblical doctrines using this format to show how these doctrines must be understood. **Rightly Dividing the Word of Truth** C. L. Chapman, 2010-10

The Bible is the word of God. In *Rightly Dividing the Word of Truth*, author C. L. Chapman helps Christians understand and embrace the life messages and lessons contained in the Bible. Delivering timely information, this guide is divided into two books. The first book, *On Defense*, discusses how to discern the difference between sound Biblical information and erroneous misinformation. It illustrates both the errors and the intended misinformation about the Bible and its contents and demonstrates how to deal with both the misinformation and those who spread it. The second book, *Reaching Forth*, explains how to glean the basic information needed to grow mature and profit spiritually from the Bible and its message in order to become both victorious and fruitful in the Lord. Chapman teaches that the Bible does not need decoding; it only needs to be understood and its message embraced. It is the word of God that produces life, health, peace, victory, prosperity, deliverance, and abundant blessings for believers even in these tumultuous end times. **Rightly Dividing the Word of Truth** Fred S.

Wolfe II, 2012-06 This book encompasses all major events recorded in the Bible from the destruction of the planet Earth between the first two verses of Genesis to the new doctrine of the Age of Grace delivered to the Apostle Paul by Jesus Christ himself. Details of the Great Tribulation as prophesied by Daniel, the believers of today reigning with Jesus in his Millennial Kingdom, and the new heaven and earth where the streets are paved with gold. Get ready for the read of your life. Fred Wolfe has dedicated his life to examining the history, practice, and interpretation of the word of God. The Bible is too often misquoted, and this book will help to shed light on some common misconceptions, challenging the reader to strengthen their understanding of God. With scholarly evidence and reasoning, he has written a blueprint of the Bible's inception as well as the deepest meanings of its words. By closely examining one's understanding of the word of God, they will find a faith and clarity so absolute that it can never be shaken. This book is a must-read no matter where one is in their walk with God. Pastor Matthew Barnett, Co-Founder of the Dream Center.

insights into the King of Kings His Word Salvation Heaven Man Wisdom and understanding Love faith the day of the Lord and much more Cross referencing certain key subjects of the Bible is valuable and to have them grouped together under the main subjects the world needs the most can only help strengthen our faith in the Almighty The references are in the King James Version of the Bible and all can be verified as their references are listed at the end of each verse Rightly dividing the Word of truth is a verse itself and a key to studying and knowing the Bible because the Holy Word of God is not subject to man's interpretation The Bible is its own divine and sovereign authority and it interprets itself just as God when making a promise to Abraham he swore by himself since there was no one greater than him to swear by Only one scripture can be twisted and manipulated by people and even clergy themselves but when there are pages and pages of God's word speaking of the same subject there is no doubt what the meaning is Also we may know only a small portion of a subject with two or three verses So this book is an opportunity for you to greatly expand your knowledge on each subject listed **The 10**

acceptably for Him This necessitates that we wholeheartedly and continuously seek the answers and guidelines of truth as found in the Scriptures If we do not if we are lazy or put this as a low priority we will be ashamed when we see our Lord face to face His word is life s source Here we will look at what it means to rightly divide or accurately understand the Bible s truth to know God and make Him known to put it above mere tradition and man s philosophy to learn and teach with sound understanding and equally valid application of what we are to live by Our adversary led us astray with has God indeed really said in order to lessen the authority of God s word and good will for us We must not yield to this deception from our own thinking or from others but cut His word straight to know and follow the truth that has set us free **Rightly Dividing the**
