Rights Communities And Disobedience:

Rights, Communities, and Disobedience Vinit Haksar, 2003 Tensions between individual rights and group interests as well as between interests of different groups are critical issues in multicultural societies In this book Haksar offers a theoretical framework for thinking about these dilemmas particularly in light of Gandhi's ideas The Philosophy of Mahatma Gandhi for the Twenty-First Century Douglas Allen, 2008-03-11 Often considered the most admired human being of the twentieth century Mahatma Gandhi was and remains controversial Among the leading Gandhi scholars in the world the authors of the timely studies in this volume present numerous ways in which Gandhi's thought and action oriented approach are significant relevant and urgently needed for addressing the major problems and concerns of the twenty first century Such problems and concerns include issues of violence and nonviolence war and peace religion and religious conflict and dialogue terrorism ethics civil disobedience injustice modernism and postmodernism forms of oppression and exploitation and environmental destruction These creative diverse studies offer a radical critique of the dominant characteristics and priorities of modern Western civilization and the contemporary world They offer positive alternatives by using Gandhi in creative and innovative ways to focus on nonviolence peace with justice tolerance and mutual respect compassion and loving kindness cooperative relations and the realization of our interconnectedness and unity meaningful action oriented engagement of dialogue resistance and working for new sustainable ways of being human and creating new societies This volume is appropriate for the general reader and the Gandhi specialist It will be of interest for readers in philosophy religion political science history cultural studies peace studies and many other fields Throughout this book readers will experience a strong sense of the philosophical and practical urgency and significance of Gandhi's thought and action for the contemporary world

Rights and Demands Margaret Gilbert, 2018-04-19 Rights are often invoked in contemporary moral and political debates yet the nature of rights is contested Rights and Demands provides the first full length treatment of a central class of rights demand rights To have such a right is to have the standing or authority to demand a particular action of another person How are such rights possible Everyday agreements are generally acknowledged to be sources of demand rights but what is it about an agreement that accounts for this The central thesis of this book is that joint commitment is a ground of demand rights and that it may be the only ground In developing this thesis Margaret Gilbert argues in detail for joint commitment accounts of both agreements and promises The final chapter explains the relevance of its argument to our understanding of human rights Engaging where appropriate with contemporary rights theory Gilbert provides an accessible route into this area for those previously unfamiliar with it POLITICAL THEORY RAMASWAMY, SUSHILA, 2010-10-01 Political theory and political philosophy are generally used interchangeably though sometimes a distinction is made between the two This book on political theory deals with the study of political institutions along with the theories of State Law Liberty and Equality In its second edition the book continues to analyse the key concepts like Authority Power Sovereignty Political

obligation Civil disobedience Citizenship Rights Democracy and Justice The non western ideas including Indian and Chinese are incorporated to underline cultural plurality and shared values in an enterprise that tries to set universal standards The book is designed for the undergraduate and postgraduate students of Political Science The book will be equally beneficial for the students appearing for the civil services examinations *Philosophy of Law* Jeffrey Brand, 2013-11-21 Organized around specific questions theses and arguments *Philosophy of Law* Introducing Jurisprudence helps students get to grips with the fascinating yet often complex realm of legal philosophy This comprehensive introduction explores fundamental questions about legal systems legal reasoning and legal concepts covering a wide range of topics in jurisprudence including Liability Punishment Causation Discretion Precedent Constitutional disobedience The rule of law Packed with boxed case studies chapter discussion questions guides to further reading a glossary of key terms and online resources for lecturers and students Jeffrey Brand guides the reader through ideas in an accessible way *Philosophy of Law* is ideal for use as a core textbook or as a companion to a set of primary sources *A Comprehensive, Annotated Bibliography on Mahatma Gandhi* Ananda M. Pandiri, 2007-02-28 Few figures in the twentieth century have been as inspirational as Mohandas Mahatma Gandhi Interest in this extraordinary man has produced a massive amount of printed material making Ananda M Pandiri's comprehensive bibliography an invaluable reference tool for scholars and students Pandiri has meticulously searched printed and electronic indexes publisher's catalogs and university libraries throughout India Britain and the U S to compile a complete bibliography of sources in the English language This volume is organized and cross referenced for easy use and access to a voluminous amount of information Features include More than 4700 entries comprising books pamphlets seminars government records and other significant printed material Complete bibliographic data of sources Annotations detailing the content and scholarship of sources Two exhaustive indexes Title and Subject *Gandhi and the Stoics* Richard Sorabji, 2012-11-06 Was Gandhi a philosopher Yes So begins this remarkable investigation of the guiding principles that motivated the transformative public acts of one of the top historical figures of the twentieth century Richard Sorabji continuing his exploration of the many connections between South Asian thought and ancient Greek and Roman philosophy brings together in this volume the unlikely pairing of Mahatma Gandhi and the Stoics uncovering a host of parallels that suggests a deep affinity spanning the two millennia between them While scholars have long known Gandhi's direct Western influences to be Platonic and Christian Sorabji shows how a look at Gandhi's convergence with the Stoics works mutually throwing light on both of them Both emphasized emotional detachment which provided a necessary freedom a suspicion of universal rules of conduct that led to a focus not on human rights but human duties the personally determined paths each individual must make for his or her self By being indifferent paradoxically both the Stoics and Gandhi could love manifoldly In drawing these links to the fore Sorabji demonstrates the comparative consistency of Gandhi's philosophical ideas isolating the specific ideological strengths that were required to support some of the most consequential political acts and

experiments in how to live **Between Resistance and Conformity** Shailendra Kumar Singh, 2024-10-11 This book examines the questions of conformity and resistance with respect to Premchand's literary corpus Mapping the various complexities challenges and contradictions of interwar India it demonstrates how the passive peasant protagonists of the writer's fictional works present a diametrically opposed definition of dharma as compared to their dissident nationalist counterparts Through a relatively similar logic of comparative assessment it further foregrounds the fundamental asymmetry that exists between Premchand's literary representations of women as compliant domestic subjects and those that portray them as rebel patriots of colonial North India Juxtaposing several genres including novels short stories letters and journalistic writings to offer a reconsideration of Premchand's work this book will interest scholars of peasant narratives nationalist fiction and gender studies Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan or Bhutan *On Community Civil Disobedience in the Name of Sustainability* Community Environmental Legal Defense Fund, 2015-08-01 Humanity stands at the brink of global environmental and economic collapse We have pinned our future to an economic system that centralizes power in fewer and fewer hands and whose benefits increasingly flow to smaller and smaller numbers of people Our system of government is similarly medieval relying on a 1780s constitutional form of government written to guarantee the exploitation of the natural environment and elevate the endless production of more over the rights of people nature and their communities But right now people within the community rights movement aren't waiting for power brokers to fix the system They're beginning to envision a new sustainability constitution by adopting new laws at the local level that are forcing those ideas upward into the state and national ones In doing so they are directly challenging the basic operating system of this country one which currently elevates corporate rights above the rights of people nature and their communities and changing it into one which recognizes a right to local community self government that cannot be overridden by corporations or by governments wielded by corporate interests This short primer from the Community Environmental Legal Defense Fund explores and describes the philosophy and underpinnings of the community rights movement that has emerged in the United States a movement of nonviolent civil disobedience based on municipal lawmaking **Contemporary Issues in Civil Rights and Liberties , The Democratic Predicament** Jyotirmaya Tripathy, Sudarsan Padmanabhan, 2014-03-14 Both India and Europe have been undergoing a difficult process of negotiating cultural religious and ethnic diversity within their democratic frameworks In fact recent incidents of xenophobic backlash against multiculturalism and minority communities in Europe as well as myriad movements for constitutional recognition of castes tribes and languages and the emergence of Islamophobic terror in India question the conventional idea of democracy as the idyllic preserver of diversity This volume contests the simplistic connection between democracy and diversity by proposing that democracy in fact produces sediments and reinforces cultural heterogeneity It argues that in democratic polities disparate cultural practices are often converted into identity categories with disturbing implications for national

identity constitutionalism political governance and citizenship While mobilizations on the plank of cultural differences are typically viewed as being born in undemocratic spaces with little toleration for diversity they also find fertile soil in democracy insofar as democracy celebrates diversity and allows cultural dissent to thrive Such dissent while essential for democracy has difficult consequences Examining the fundamental conflict between constructions of particular cultural identities and mandates of a unifying democratic ethos the book brings forth the complexities underlying the politics of identity recognition and national integration In making a radical intervention in the discourse this volume offers a critique of existing paradigms of multiculturalism It will interest scholars and students of political science sociology and postcolonial and comparative studies

Social and Political Thought of Mahatma Gandhi Bidyut Chakrabarty, 2006-01-16 During his campaign against racism in South Africa and his involvement in the Congress led nationalist struggle against British colonial rule in India Mahatma Gandhi developed a new form of political struggle based on the idea of satyagraha or non violent protest He ushered in a new era of nationalism in India by articulating the nationalist protest in the language of non violence or ahimsa that galvanized the masses into action Focusing on the principles of satyagraha and non violence and their evolution in the context of anti imperial movements organized by Gandhi this fascinating book looks at how these precepts underwent changes reflecting the ideological beliefs of the participants Assessing Gandhi and his ideology the text centres on the ways in which Gandhi took into account the views of other leading personalities of the era whilst articulating his theory of action Concentrating on Gandhi's writings in Harijan the weekly newspaper he founded this volume provides a unique contextualized study of an iconic man's social and political ideas

Human Rights in the World Community Burns H. Weston, Anna Grear, 2016-04 Designed for educational use in international relations law political science economics and philosophy classes Human Rights in the World Community treats the full range of human rights issues including implementation problems and processes involving international national and nongovernmental action Now with online appendices

Ethics and Law W. Bradley Wendel, 2014-10-16 Combining theory with real world examples this book explores the classic problems of legal ethics and the philosophy of law

Encyclopedia of Community DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples

Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of Bowling Alone With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library

Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of Habits of the Heart SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture

Gandhi and Liberalism Vinit Haksar, 2017-07-20

One of the main themes running through Gandhi s life and work was the battle against evil This book offers a fascinating reconstruction of Gandhi and the doctrine of Ahimsa or non violence Gandhi s moral perfectionism is contrasted with other forms of perfectionism but the book stresses that Gandhi also offered a doctrine of the second best Following Gandhi the author argues that outward violence with compassion is intrinsically not as good as non violence with compassion but it is a second best that is sometimes a necessary evil in an imperfect world The book provides an illuminating analysis of coercion non co operation civil disobedience and necessary evil comparing Gandhi s ideas with that of some of the leading western moral legal and political philosophers Further some of his important ideas are shown to have relevance for the working of the Indian Constitution This book will be essential for scholars and researchers in moral legal and political philosophy Gandhi

studies political science and South Asian studies **Thesaurus of ERIC Descriptors** ,1984 **Introduction to Critical Legal Theory** Ian Ward,2012-10-02 Introduction to Critical Legal Theory provides an accessible introduction to the study of law and legal theory It covers all the seminal movements in classical modern and postmodern legal thought engaging the reader with the ideas of jurists as diverse as Aristotle Hobbes and Kant Marx Foucault and Dworkin At the same time it impresses the interdisciplinary nature of critical legal thought introducing the reader to the philosophy the economics and the politics of law This new edition focuses even more intently upon the narrative aspect of critical legal thinking and the re emergence of a distinctive legal humanism as well as the various related challenges posed by our new world order Introduction to Critical Theory is a comprehensive text for both students and teachers of legal theory jurisprudence and related subjects *Social Work Practice with the LGBTQ Community* Michael P. Dentato,2018 This text broadly examines many important aspects of effective and affirming practice methods with the LGBTQ community along with considering health mental health history and policy factors The content was written by social work scholars educators practitioners and students to reach across professions e g social work health mental health and across audiences e g students faculty researchers and practitioners Community Life and Civic Problems Howard Copeland Hill,1922

Rights Communities And Disobedience Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rights Communities And Disobedience PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rights Communities And Disobedience PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rights Communities And Disobedience free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
