Rights Of Passage:

The Rites of Passage Arnold van Gennep, 2004 Brief notes on wife lending to stranger Central Australia revenge parties reincarnation beliefs Arunta initiation magician **Deeply into the Bone** Ronald L. Grimes, 2000-06-29 Over the past two decades North Americans have become increasingly interested in understanding and reclaiming the rites that mark significant life passages In the absence of meaningful rites of passage we speed through the dangerous intersections of life and often come to regret missing an opportunity to contemplate a child's birth mark the arrival of maturity or meditate on the loss of a loved one Providing a highly personal thoroughly informed and cross cultural perspective on rites of passage for general readers this book illustrates the power of rites to help us navigate life's troublesome transitions The work of a major scholar who has spent years writing and teaching about ritual **Deeply into the Bone** instigates a conversation in which readers can fruitfully reflect on their own experiences of passage Covering the significant life events of birth initiation marriage and death chapters include first person stories told by individuals who have undergone rites of passage accounts of practices from around the world brief histories of selected ritual traditions and critical reflections probing popular assumptions about ritual The book also explores innovative rites for other important events such as beginning school same sex commitment ceremonies abortion serious illness divorce and retirement Taking us confidently into the abyss separating the spiritual from the social scientific the personal from the scholarly and the narrative from the analytical Grimes synthesizes an impressive amount of information to help us find more insightful ways of comprehending life's great transitions As we face our increasingly complex society **Deeply into the Bone** will help us reclaim the power of rites and understand their effect on our lives **Crossroads** Louise Carus Mahdi, Nancy Geyer Christopher, Michael Meade, 1996 Thinkers and activists from many orientations and traditions are now coming together to explore ways to reconstitute rites of passage as a form of community healing for our public and personal ills **Crossroads** is a comprehensive collection of over fifty cutting edge writings on diverse aspects of the transition to adulthood In no uncertain terms **Crossroads** opens our eyes to our responsibility to the adolescents who are now growing up without sacred rituals and hence without knowledge of spiritual roots in their culture Many of the writers have first hand experience and first rate ideas of how to transform this cultural crisis **Crossroads** also challenges us to integrate our own inner adolescent Piercing insight with realistic hope Marlon Woodman **The Ravaged Bridegroom** **Divorce Rights of Passage** Gerald D. Alpern, 2000 **RED INK Vol 1: Rites of Passage; Rights of Womanhood** Ace Jackson, 2015-02-23 **The Rites of Passage** Arnold van Gennep, 2013-11-05 Van Gennep was the first observer of human behaviour to note that the ritual ceremonies that accompany the landmarks of human life differ only in detail from one culture to another and that they are in essence universal Originally published in English in 1960 This edition reprints the paperback edition of 1977 **The Rites of Passage, Second Edition** Arnold van Gennep, 2019-05-24 A CLASSIC WORK OF ANTHROPOLOGY OVER SEVENTY

THOUSAND COPIES SOLD With a new introduction by Pulitzer Prize winner David I Kertzer Arnold van Gennep's masterwork *The Rites of Passage* has been a staple of anthropological education for more than a century First published in French in 1909 and translated into English by the University of Chicago Press in 1960 this landmark book explores how the life of an individual in any society can be understood as a succession of transitions birth puberty marriage parenthood old age and finally death Van Gennep's great insight was discerning a common structure in each of these seemingly different transitions involving rituals of separation liminality and incorporation With compelling precision he set out the terms that would both define twentieth century ritual theory and become a part of our everyday lexicon This new edition of his work demonstrates how we can still make use of its enduring critical tools to understand our own social religious and political worlds and even our personal and professional lives In his new introduction Pulitzer Prize winning historian and anthropologist David I Kertzer sheds new light on van Gennep on the battles he fought and on the huge impact the book has had since publication of the first English edition *Rites of Passage* Jean Holm, John Bowker, 1994-01-01 No Marketing Blurb

International Religious Rights and Standards Cometan, 2023-09-23 The principal finding of the doctoral research of Cometan a k a Brandon Reece Taylorian was that the ways governments both authoritarian and democratic use their powers to recognise religions and beliefs and register religious or belief organisations is negatively impacting conditions of freedom of religion or belief Cometan explored the range of recognition and registration issues plaguing religious freedom and other human rights and discovered that there lacks a definitive set of international standards to address some of the granular topics that are causing registration procedures in particular to become onerous and thus impedimental to the free and legal exercise of religion or belief Cometan s International Religious Rights and Standards IRRS document presents a series of standards for how nation states ought to develop their recognition and registration policies and practices to remain FoRB compliant The standards of the IRRS document have been created based on the results of Cometan s PhD research the thesis for which is titled Religious Freedom and State Recognition of Belief Cometan s intention is that the IRRS document will encourage international organisations like the OSCE and the United Nations as well as national and international human rights courts such as the ECtHR to establish more detailed and country specific guidelines to address the breath of registration issues and the recognition issues that often worsen such issues
