The Ring of Remembrance J.D. Hilton,2018-06-18 Memory is an important facet of all our lives If we lose these packages of pain and pleasure called memory that are so instrumental in establishing our humanity then we lose the essence of who we are That is what has happened to the dark hearted Killer described in this story who is out there now Have you ever been at a location and wished you could witness and experience the events that happened in that space in the past The Killer chronicled herein has that power The Ring of Remembrance is the contemporary story of this ruthless murderer with an unbridled mind who by harnessing supernatural forces and the powers of his mysterious ring for the past thirty years has stalked the darkness of Christmas night slaughtering one family per year Throughout the past three decades everyone who has ever trailed the fiend has either been murdered or driven insane The FBI has squashed media coverage convincing the public that the horrors are over but this Christmas the truth is revealed and FBI special agent Justinian Rooks having just sealed his first big case is summoned by the director to take on a new investigation As the Killer begins to break his signature one piece of evidence just may have the best chance ever of bringing the monster to justice the Ring of Remembrance

Epiphany Of The Whitechapel Murders was written after an extensive investigation of the murders committed by Jack the Ripper This mainly non fiction book which also includes a fictional account of the victims last night on Earth also contains evidence which was not discovered until 2005 This solitary piece of evidence is the basis that forms the central plot surrounding this series of murders Jack the Ripper was not one person but a quintet of influential Aristocrats and an eminent Surgeon who were committing these murders for ritualistic purposes After six of these grisly murders the murderers suddenly cease their activities after the death of Mary Jane Kelly What is the reason for the cessation of murders Could it be because Mary Jane Kelly had apprised Scotland Yard of these Aristocrats involvement in a gay brothel which catered to influential clientele Or could it be something far more sinister including Satanism and pedophilia *Walking in the Rings of God* Thomas Billings, 2013-11-22
