Otten, M.D.,Joshua J. Judy, Patient,2023-05-08 Do you trust the American healthcare system Ripple of Change is a captivating story of a doctor and patient who lost trust and suffered moral injury in a dysfunctional healthcare system yet still healed Through a combined wellness journey Todd R Otten M D and Joshua J Judy Patient propose simple elegant solutions by introducing Our Quadruple Aim OQA OQA offers an impressive prescription for change for EVERYONE The reader will be inspired and moved by the poignant Yin and Yang transparency of doctor and patient But most importantly their story demonstrates what healthcare can and should aspire to If you re an American healthcare consumer we re speaking to you Health care providers are burned out and subjected to moral injury Patients feel ignored and are frustrated Target Audience the American healthcare consumer Follow our blended wellness journey and find yours Help us transform healthcare with a Ripple of Change Why is this book needed right now It s simple Everyone has been a patient yes even doctors and nurses get colonoscopies We hear about the Great Resignation The Quiet Quitting The frustration While health care employees have faced significant burnout during the COVID 19 pandemic the desire to opt out of one s chosen profession is happening across many industries Why Are we standing before a precipice embarking upon a chance to better understand these phenomena and its meaning Absolutely Our Quadruple Aim is a four pronged approach to delivering healthcare Patient Experience Quality Care Lower Costs and Provider Wellness A multifaceted driver it incorporates key stakeholders and aligns with value based care When properly implemented everyone wins Healthcare has metastasized into a business model Clinical leaders often play second fiddle This has led to increasing

burdens on the people actually delivering care and crushing patients financially As a result burnout rates are at unacceptable levels and patients are dysphoric We believe if healthcare leaders embed Our Quadruple Aim into their culture we can start to mend many wounds So who is responsible for delivering Shouldn t we all be responsible Patients doctors nurses administrations society at large hence the Our addition to the Quadruple Aim The Our emphatically states that we all are responsible Intentionally nebulous Perhaps but medicine is a world of gray Our Quadruple Aim is an opportunity to right many wrongs through a Ripple of Change The book will contain evidence based medicine research editorials recent news humor poetry inspiring quotes and a blended story of healing The intent is to motivate conversations provide the courage to speak up and challenge the status quo Our hope is that thousands cast their stone transforming ripples into a tsunami of change

The Ripple Effect Bob Wilson,2018-03-20 My grandchildren and I were standing at the edge of a still lake feeding the ducks when my granddaughter picked up a pebble and tossed it into the lake The pebble quickly sank to the bottom of the lake but the effect of the pebble created many ripples They keep spreading and spreading from the center and there was no way to stop them The Ripple Effect is based on the concept that we are connected We can and do affect each other The result is a building of community that will affect how we treat others and the way we live our lives All of us have passion for something as well as a vision and hope to use our gifts and talents for a greater purpose The Ripple Effect was originally written as a textbook for a character class curriculum using an athletic medium designed to change the culture of sport that provided collegiate student athletes with application model for character driven athletics Today it has become a resource that provides a guide that can apply to anyone who has an interest in desiring to pursue competitive excellence that emulates Christ We live in a culture today that promotes comfort not challenges We want instant gratification free from consequences of our choices Our choices and actions represent who we are what we believe and define our character The ripple effect provides a foundation for a person to better understand who they can become The most important relationship a person will ever have is with themselves The question is are we doing the best they can to become more than they have become Each ripple has a message which is the pebble a theme which is the ripple effect and an application that provides the action necessary to develop and improve character To reach significance in the athletic arena as well as life one needs to be able to embrace competition establish quality relationships and develop values rules of the road that become the lifestyle What happens when we experience the ripple effect We become a person with a Christ like perspective with a renewed purpose a new sense of direction and enhanced relationships

The Mobile Learning Voyage - From Small Ripples to Massive Open Waters Tom H.
