**The Japanese Comfort Women and Sexual Slavery during the China and Pacific Wars** Caroline Norma, 2015-12-17 The Japanese military was responsible for the sexual enslavement of thousands of women and girls in Asia and the Pacific during the China and Pacific wars under the guise of providing comfort for battle weary troops Campaigns for justice and reparations for comfort women since the early 1990s have highlighted the magnitude of the human rights crimes committed against Korean Chinese and other Asian women by Japanese soldiers after they invaded the Chinese mainland in 1937 These campaigns however say little about the origins of the system or its initial victims *The Japanese Comfort Women and Sexual Slavery during the China and Pacific Wars* explores the origins of the Japanese military's system of sexual slavery and illustrates how Japanese women were its initial victims

The Rise of Modern Japan W. G. Beasley, 1990-06-01 This clear and authoritative book surveys the history of Japan from the mid 19th century up to the present day It charts the spectacular rise of Japan a society which leapt in little more than a generation from the feudal to early industrial forms of organisation an exceptionally disturbing experience for the Japanese as they left behind the traditional and Asian and moved towards the modern and Western It examines the turbulent 1930s and an empire won and lost between 1937 and 1945 and investigates the major changes after 1945 including the astonishing economic growth that has been achieved since the 1950s This revised edition covers the economic recession and the dramatic political upheavals of the 1990s taking the history of Japan up to the end of the 20th century

**Modern Japanese society / edited by Josef Kreiner, Ulrich Hohwald and Hans Dieter Olschleger.** Josef Kreiner, Ulrich Mèohwald, Hans Dieter Ölschleger, 2004 Is Japanese society essentially different from other modern industrialized societies or not This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society

which may lead the reader to find an answer to these two often asked questions Japanese society defined as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development is shown to be as modern as any other industrialized society definitely distinct though are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization [UCLA Pacific Basin Law Journal](#) ,2005 *The Rise of Asia* Frank B. Tipton,1998-05-01 For many years Japan was seen as the peculiar exception in Asia a highly dynamic economy isolated in an otherwise moribund continent With the rise of the Southeast Asian and Chinese economies however it has now become clear that Asia as a whole is experiencing an extraordinary revolution which will result within a very few years in living standards for some countries being on a par with those in the West The results of this transformation can only be guessed at but *The Rise of Asia* adds a far greater sophistication to our understanding of how this process came about treating the key areas of Asian life economics society and politics as an integrated whole and avoiding the trap of most commentators who see the phenomenon as an exclusively postwar economic issue Balancing the uniquely Asian aspects with global developmental factors Dr Tipton creates a convincing picture of how this amazing change has occurred **Aspects of Social Change in Modern Japan** Ronald Philip Dore,2015-03-08 This is an examination of the consequences of Japan s rapid industrialization upon interpersonal relations Based upon current theories of Western experiences with modernization these studies show that the Eastern changes do not conform to Western patterns Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *General Catalogue* University of California, Los Angeles,1968

**The Four Little Dragons** Ezra F. Vogel,1991 Vogel brings masterly insight to the underlying question of why Japan and the little dragons Taiwan South Korea Hong Kong and Singapore have been so extraordinarily successful in industrializing while other developing countries have not **Annals of the American Academy of Political and Social Science** ,1924

*The Failure of Civil Society?* Akihiro Ogawa,2009-03-09 Winner of the 2010 Japan NPO Research Association Book Award The global discourse on civil society is both complicated and enriched in this participant study of Japan s volunteers known as the third sector In the wake of the Japanese government s failed response to the 1995 earthquake volunteers took the lead in providing aid to victims This recent sea change in Japanese society was quickly followed by the 1998 NPO Law nonprofit organization law that encourages third sector activities Drawing on his fieldwork at one of the new NPOs Akihiro Ogawa explores in detail the social and historical particularities of Japanese civil society or shimin shakai revisiting how the concept is interpreted and practiced by the volunteers themselves Civil society Ogawa argues can best be understood as an active

dynamic process rather than as a static abstract model      *Political Order in Modern East Asian States* Xiaoming Huang, 2022-04-03 This text explains political change and the shaping of political order in modern East Asian states China Japan North Korea South Korea Taiwan and Vietnam Examining the transformative role of power authority and political culture in the shaping of political order this book Describes the emergence of statist and pluralist political order in East Asia Outlines the dual process of state building and nation building revealing the transformative role of the state Highlights the causes and consequences of the reversion to centralized political order describing the structure and institutions of Cold War regimes in East Asian states Explores the structural and institutional consequences of industrial development on politics and state in East Asian states Discusses the methods and outcomes of the democratization movements in the 1980s and 1990s and public sector reforms in the 1990s and 2010s Utilizes survey data and newly developed indicators to measure and reveal the shaping of national political culture in each East Asian state Features structural institutional and normative analysis of political change in modern East Asia This will be an essential textbook for students of Political Science International Relations East Asian Politics and East Asian History as well as policy analysts of East Asian states      *Early Modern Japan*, 2003      *Japanese Views on Economic Development* Kenichi Ohno, 1998-03-26 This newly revised clearly presented text looks at Japan's economic history from the nineteenth century through to World War II Within a framework based on the theories and approaches of Development Studies it demonstrates the relevance of Japan's pre war experience to the problems facing developing countries today and draws out the historical r

**A Comparative History of Commerce and Industry, Volume II** David E. McNabb, 2016-01-26 A Comparative History of Commerce and Industry Volume II offers a subjective review of how the cultural social and economic institutions of commerce and industry evolved in industrialized nations to produce the institution we now know as business enterprise      **In Search of East Asian D** Peter L. Berger, Hsin Huang Michael Hsiao, The relevance of East Asian development experience to the less developed world crucially depends on whether an identifiable economic model underlies largely explains the unquestionable economic success of the five nations of East Asia Japan Korea Taiwan Hong Kong Singapore which are the subject of extensive analysis in this volume If there is a model is it transferable There are two schools of thought on this question Some believe that the explanation for East Asian economic success lies largely in the cultural realm in values institutional structures social relations Others maintain that economic success can largely be explained by the economic strategy these countries have adopted      *Sociological Worlds* Stephen K. Sanderson, 2013-10-31 This reissue of the now classic *Sociological Worlds* originally published in 1995 attempts to present a comprehensive picture of human social life from the perspective of the comparative historical revolution in sociology and presents some of the best theoretical and empirical work that is now being done by comparative historical sociologists as well as work by their close cousins socio cultural anthropologists From this perspective readers gain a picture of the major ways in which human societies differ For this new library edition Professor Sanderson has provided both a new

preface and three contributions that did not appear in the original edition
