Rising Sun The Decline And Fall Of The Japanese Empire 1936 1945:

The Rising Sun John Toland,1970 Volume 1 **The Rising Sun** John Toland,1970 Comprehensive account of the military and political events that led to Pearl Harbor the war in the Pacific and Japan s defeat based on interviews with participants and told from a Japanese point of view **The Rising Sun** John Toland,2003-05-27 The Rising Sun is quite possibly the most readable yet informative account of the Pacific war Chicago Sun Times This Pulitzer Prize winning history of World War II chronicles the dramatic rise and fall of the Japanese empire from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki Told from the Japanese perspective The Rising Sun is in the author s words a factual saga of people caught up in the flood of the most overwhelming war of mankind told as it happened muddled ennobling disgraceful frustrating full of paradox In weaving together the historical facts and human drama leading up to and culminating in the war in the Pacific Toland crafts a riveting and unbiased narrative history In his Foreword Toland says that if we are to draw any conclusion from The Rising Sun it is that there are no simple lessons in history that it is human nature that repeats itself not history Unbelievably rich readable and exciting The best parts of Toland s book are not the battle scenes but the intimate view he gives of the highest reaches of Tokyo politics Newsweek **The Rising Sun - The Decline And Fall Of The Japanese Empire, 1936-1945 Vol. Two** John Toland,1970 *The Rising Sun* John Toland,2011-10-04 A chronicle of the World War II rise and fall of the Japanese empire from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki from the Japanese perspective *The Rising Sun - The Decline And Fall Of The Japanese Empire, 1936-1945 Vol. One* John Toland,1970 **The Rising Sun, Vol. I** John Toland,1970 The Rising Sun : Vol. 2. The Decline & Fall of the Japanese Empire, 1936-1945 John Toland,1970 **The Rising Sun; Volume 2** John Toland,1970 **The Rising Sun** John Toland,1970 Comprehensive account of the military and political events that led to Pearl Harbor the war in the Pacific and Japan s defeat based on interviews with participants and told from a Japanese point of view The Rising Sun John Toland,1981 **Rising Sun** John Toland,1982-10-01 The Rising Sun: The lowering clouds John Toland,1970 Comprehensive account of the military and political events that led to Pearl Harbor the war in the Pacific and Japan s defeat based on interviews with participants and told from a Japanese point of view **The Dark Path** Williamson Murray,2024-10-22 From an esteemed military historian a sweeping history of the revolutions in war fighting that have shaped the modern world Heraclitus wrote that war is the father of all and it has formed much of the modern world Although the fundamental nature of war has not altered over the centuries constant change innovation and adaptation have repeatedly reshaped how wars are fought in the West Revolutions in military practice cannot be separated from larger social developments in areas like logistics finance and economics and the culture of military organizations In The Dark Path Williamson Murray argues that the history of warfare in the West hinged on five revolutions which both reflected the social political and economic conditions that produced them and in turn influenced how those conditions evolved These five key

turning points are the advent of the modern state which formed bureaucracies and professional militaries the Industrial Revolution which produced the financial and industrial means to sustain and equip large armies the French Revolution which provided the ideological basis needed to sustain armies through continent sized wars the merging of the Industrial and French Revolutions in the U S Civil War and the accelerating integration of technological advancement financial capacity ideology and government that unleashed the modern capacity for total warfare An ambitious work of synthesis this book shows how the world continually re creates war and how war in turn continually re creates the world *The Eagle and the Rising Sun* Alan Schom,2004 A fresh and provocative account of the greatest naval campaign of the twentieth century

Men Who Lost Singapore, 1938-1942 Ronald McCrum,2018-04-27 The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of civilian life

Blazing Star, Setting Sun Jeffrey Cox,2020-06-25 From popular Pacific Theatre expert Jeffrey R Cox comes this insightful new history of the critical Guadalcanal and Solomons campaign at the height of World War II Cox s previous book *Morning Star Rising Sun* had found the US Navy at its absolute nadir and the fate of the Enterprise the last operational US aircraft carrier at this point in the war unknown This second volume completes the history of this crucial campaign combining detailed research with a novelist s flair for the dramatic to reveal exactly how despite missteps and misfortunes the tide of war finally turned By the end of February 1944 thanks to hard fought and costly American victories in the first and second naval battles of Guadalcanal the battle of Empress Augusta Bay and the battle of Cape St George the Japanese would no longer hold the materiel or skilled manpower advantage From this point on although the war was still a long way from being won the American star was unquestionably on the ascendant slowly but surely edging Japanese imperialism towards its sunset Jeffrey Cox s analysis and attention to detail of even the smallest events are second to none But what truly sets this book apart is how he combines this microscopic attention to detail often unearthing new facts along the way with an engaging style that transports the reader to the heart of the story bringing the events on the deep blue of the Pacific vividly to life

Showdown in the Pacific War Ronald E. Martell,2015-03-06 Showdown in the Pacific War Nimitz and Yamamoto This unique book combines a carefully researched history with an easy to read analysis of the war in a fictional meeting between staff officers close to Admirals Chester Nimitz and Isoroku Yamamoto They trace the events leading to the Pacific

War and the heroic struggles following the attack on Pearl Harbor to the eclipse of the Japanese war machine at Coral Sea Midway Guadalcanal and beyond Showdown reveals Yamamotos opposition to Japans waging a war it could not win along with his planning of her early successes and Admiral Nimitzs patient and careful reversal of the Empires offensives Showdown presents an even handed view of the nations that waged combat in the early stages of historys most famous naval war Ron Martell has given us a new and very interesting look at World War II in the Pacific Instead of simply retelling history he puts the reader in a fictitious yet plausible latter day conference between two of the conflicts high ranking adversaries key staff officers of the American and Japanese navies Its a genuine page turner for any fan of World War II history Ronald Russell author of No Right to Win A Continuing Dialogue with Veterans of the Battle of Midway Showdown in the Pacific is a thoroughly enjoyable read If someone asks me for a single book to read on how the Pacific War started and then was fought for the first 18 months I will heartily recommend this one Thom Walla Editor and Host of The Battle of Midway RoundTable
