Rosmersholm In what is also a ghost story the house itself becomes a major character a place where white horses announce impending death With its depth of psychological analysis the play seems ahead of its time Ibsen explored the realm of modern psychiatry years before Freud s major works Little Eyolf fuses naturalistic style with supernatural elements The dramatic death of their only child Eyolf triggers devastating confrontations of guilt and recrimination between Alfred Allmers a self absorbed man filled with grandiose ideas about his mission in life and his wife whose wealth has brought him security in a marriage of convenience When We Dead Awaken Ibsen s last work 1899 completes the twelve major prose plays that assured his reputation as the father of modern drama It is the final reckoning of the price an artist and those close to him pay for the artist s dedication and devotion to his art Rubek a successful sculptor at the end of his career desperately tries to rationalize his life and his work to his former model and muse
