to follow the strictures of a newly religious and stratified society He finished medical school met his soul mate and watched his beloved funkytown of Lahore transform with the rest of Pakistan under the rule of Zia into a fundamentalist dictatorship morality police arrested couples holding hands in public Little House on the Prairie and Live Aid were banned from television broadcasts and Kalashnikovs and rocket launchers proliferated on college campuses via the Afghani resistance to Soviet occupation in the north Undeterred the teenage Salman created his own underground jihad his mission was to bring his beloved rock music to an enthusiastic new audience in South Asia and beyond He started a traveling guitar club that met in private Lahore spaces mixing Urdu love poems with Casio synthesizers tablas with Fender Stratocasters and ragas with power chords eventually joining his first pop band Vital Signs Later he founded Junoon South Asia's biggest rock band which was followed to every corner of the world by a loyal legion of fans called Junoonis As his music climbed the charts Salman found himself the target of religious fanatics and power mad politicians desperate to take him and his band down But in the center of a new generation of young Pakistanis who go to mosques as well as McDonald's whose religion gives them compassion for and not fear of the West and who see modern music as a rainbow bridge that links their lives to the rest of the world nothing could stop Salman's star from rising Today Salman continues to play music and is also a UNAIDS Goodwill Ambassador traveling the world as a spokesperson and using the lessons he learned as a musical pioneer to help heal the wounds between East and West lessons he shares in this illuminating memoir *It Can't Be Luck* Billy Boyd
