Rock Music in American Fiction Writing, 1966-2011 Martin Moling, 2021-09-20 Can rock music help us understand literature *Rock Music in American Fiction Writing 1966-2011* argues that a close analysis of the rock music incorporated into a literary text an investigation of the lyrics a musicological exploration of the sounds and rhythms a cultural historical inquiry into the production and reception of a song

may yield exciting new insight into and expand our understanding of American literary production from the mid 20th century onwards Reading major works by Joyce Carol Oates Alice Walker Don DeLillo Jeffrey Eugenides Sherman Alexie and Jennifer Egan from such a rock musicological vantage point Rock Music in American Fiction Writing adds a new dimension to recent work in American literary criticism by seeking to establish rock music as an analytical tool for literary investigation The book concentrates on the way these literary artists have struggled to come to terms with the dichotomies inherent in rock music its liberating and revolutionary impulses as well as its adherence to the bleakest laws of consumer capitalism in their work By combining a musicological with a literary analysis Rock Music in American Fiction Writing highlights the crucial and complex role rock music has played in shaping the artistic outlook and cultural sensibilities of literary artists since the 1960s in America and beyond

Dettmar,2013-01-11 Rock and roll s death has been forecast nearly since its birth the country song The Death of Rock and Roll appeared in September 1956 showing that the music had already outraged a more conservative listening audience Is Rock Dead sets out to explore the varied and sometimes conflicting ways in which the death of rock has been discussed both within the discourse of popular music and American culture If rock is dead when did it die Who killed it Why do rock journalists lament its passing Has its academic acceptance stabbed it in the back or resuscitated an otherwise lifeless corpse Why is rock music the music that conservatives love to hate On the other side of the coin how have rock s biggest fans helped nail shut the coffin Does rock feed on its own death and rebirth Finally what signs of life are there showing that rock in fact is surviving Is RockDead will appeal to all those who take seriously the notion that rock is a serious musical form It will appeal to students of popular music and culture and all those who have ever spun a 45 cranked up the radio or strummed an air guitar
