

# Rock Art

**David Whitley**

## Rock Art:

**Plains Indian Rock Art** James D. Keyser, Michael A. Klassen, 2016-06-01 The Plains region that stretches from northern Colorado to southern Alberta and from the Rockies to the western Dakotas is the land of the Cheyenne and the Blackfeet the Crow and the Sioux Its rolling grasslands and river valleys have nurtured human cultures for thousands of years On cave walls glacial boulders and riverside cliffs native people recorded their ceremonies vision quests battles and daily activities in the petroglyphs and pictographs they incised pecked or painted onto the stone surfaces In this vast landscape some rock art sites were clearly intended for communal use others just as clearly mark the occurrence of a private spiritual encounter Elders often used rock art such as complex depictions of hunting to teach traditional knowledge and skills to the young Other sites document the medicine powers and brave deeds of famous warriors Some Plains rock art goes back more than 5 000 years some forms were made continuously over many centuries Archaeologists James Keyser and Michael Klassen show us the origins diversity and beauty of Plains rock art The seemingly endless variety of images include humans animals of all kinds weapons masks mazes handprints finger lines geometric and abstract forms tally marks hoofprints and the wavy lines and starbursts that humans universally associate with trancelike states Plains Indian Rock Art is the ultimate guide to the art form It covers the natural and archaeological history of the northwestern Plains explains rock art forms techniques styles terminology and dating and offers interpretations of images and compositions **A Guide to Rock Art Sites** David S. Whitley, 1996 This unique full color field guide is essential for anyone who seeks to understand why shamans in the Far West created rock art and what they sought to depict Whitley is on the cutting edge of dating and interpreting the images as well as describing the **Myths about Rock Art** Robert G. Bednarik, 2016-11-30 Rather than considering the myths supposedly depicted in the world s rock art this book examines the myths archaeologists and others have created about the meanings and significance of rock art **Storied Stone** Linea Sundstrom, 2004 Provides a look at the history of the Black Hills country over the last ten thousand years through rock art which illustrates the rich oral traditions religious beliefs and sacred places of the Lakota Cheyenne Kiowa Mandan and Hidatsa Indians who once lived there Original *World Rock Art* Jean Clottes, 2002 For many people the term rock art is full of mystery Yet it refers to wh t may be the oldest form of human artistic endeavor Depictions and symbols on rock surfaces exist on all continents and from all eras Dating back perhaps more than forty thousand years rock paintings and engravings can be found from the Arctic Circle to the tip of South America from the caves of southern France to the des rts of the American Southwest Ranging from simple etchings on isolated stones to elaborate scenes in celebrated prehistoric caves from splendid animal and human figures to sexual religious and geometrical forms millions of images throughout the world testify to the worldviews of traditional peoples many of them long vanished World Rock Art discusses the discovery of rock art by the West profiles important sites explains how the art was made and considers how it can be dated It then explores the meanings of these often enigmatic images and discusses their significance

today A final chapter reviews initiatives underway to preserve this remarkable heritage Book jacket The Rock Art of Dinwoody, Wyoming David Gebhard,1969 **Rock Art** Stewart M. Green,2018-09-28 Rock Art explores the fascinating history of ancient human made stone markings that have puzzled historians archaeologists and hikers alike for centuries What is rock art and who created these mysterious symbols and why are so many pieces of artwork similar across disparate and long forgotten cultures How was rock art made and more importantly why These questions and more are addressed in this comprehensive guide complete with full color images and travel listings Whether you re fascinated by the wondrous ancient imagery imprinted on the landscape or just curious about the markings alongside your favorite hiking trail Rock Art is the only guide you need to better understand this mysterious and beautiful art form **Handbook of Rock Art Research** David S. Whitley,2001 While there has always been a large public interest in ancient pictures painted or carved on stone the archaeological study of rock art is in its infancy But intensive amounts of research has revolutionized this field in the past decade New methods of dating and analysis help to pinpoint the makers of these beautiful images new interpretive models help us understand this art in relation to culture Identification conservation and management of rock art sites have become major issues in historical preservation worldwide And the number of archaeologically attested sites has mushroomed In this handbook the leading researchers in the rock art area provide cogent state of the art summaries of the technical interpretive and regional advances in rock art research The book offers a comprehensive basic reference of current information on key topics over six continents for archaeologists anthropologists art historians and rock art enthusiasts **Legacy on Stone** Sally J. Cole,1990 Rock art of the Colorado plaban and four corner region **Stories in Stone** Caroline Arnold,1996 Discusses the subject matters and cultural significance of the rock art done by Indians in the Coso Range of California Making Pictures in Stone Edward J. Lenik,2009 A full range of rock art appearances including dendroglyphs pictographs and a selection of portable rock objects The Indians of northeastern North America are known to us primarily through reports and descriptions written by European explorers clergy and settlers and through archaeological evidence An additional invaluable source of information is the interpretation of rock art images and their relationship to native peoples for recording practical matters or information as expressions of their legends and spiritual traditions or as simple doodling or graffiti The images in this book connect us directly to the Indian peoples of the Northeast mainly Algonkian tribes inhabiting eastern Pennsylvania Maryland and the lower Potomac River Valley New York New Jersey the six New England States and Atlantic Canada Lenik provides a full range of rock art appearances in the study area including some dendroglyphs pictographs and a selection of portable rock objects By providing a full analysis and synthesis of the data including the types and distribution of the glyphs and interpretations of their meaning to the native peoples Lenik reveals a wealth of new information on the culture and lifeways of the Indians of the Northeast **Introduction to Rock Art Research** David Whitley,2016-09-16 First published in 2005 this brief introduction to methods of studying rock art has become the standard

text for courses on this topic It was also selected as a Choice Magazine Outstanding Academic Book in 2005 Internationally known rock art researcher David Whitley takes the reader through the various processes needed to document interpret and preserve this fragile category of artifact Using examples from around the globe he offers a comprehensive guide to rock art studies of value to archaeologists and art historians their students and rock art aficionados The second edition of this classic work has additional material on mapping sites ethnographic analogy neuropsychological models and Native American consultation

**Picture Rocks** Edward J. Lenik, 2002 Located along rivers at the edges of lakes on mountain boulders in rock shelters on rock ledges where the continent meets the ocean and tucked into parks and public places American Indian rock art offers tantalizing glimpses of the signs and symbols of a Native American culture Picture Rocks documents all known permanent petroglyph and pictograph sites from the Canadian provinces of Nova Scotia and New Brunswick the six New England states New York and New Jersey Some sites are subject to disputes over their origins Indian or Portuguese Some are ancient and others such as the work of the Mi kmaq were executed in the past 200 years Many of these sites are little known others like those at Bellows Falls Vermont are sources of great local pride and appear on city walking tours Interspersing his own interpretations with comments from scholars and Native American storytellers Edward J Lenik provides a definitive look at an extraordinary art form Two hundred illustrations include historic sketches by early Euro American colonists nineteenth century photographs and recent photographs and drawings of the current conditions of many sites

*The Art of Rock Painting* Lin Wellford, 2018-04-03 New painters wanted No experience is necessary with Lin Wellford s instruction Thousands have already discovered the thrill of turning rocks into works of art through Wellford s easy to follow tips Her bestselling books have helped to awaken interest in modern rock painting The Art of Rock Painting offers a variety of easy projects designed to introduce basic painting techniques yet still appeal to seasoned painters These projects include instructions to create Butterflies Fruit Cats Dogs Flowers And more Grab a brush find a stone and get ready to rock Experience the magic of this fun and exciting art activity

*Great Basin Rock Art* Angus R. Quinlan, 2007-01-24 Rock art is one of humankind s most ancient forms of artistic expression and one of its most enigmatic For centuries scholars and other observers have struggled to interpret the meaning of the mysterious figures incised or painted on natural rocks and to understand their role in the lives of their long vanished creators The Great Basin of the American West is especially rich in rock art but until recently North American archaeologists have largely ignored these most visible monuments left by early Native Americans and have given little attention to the terrain surrounding them In Great Basin Rock Art twelve respected rock art researchers examine a number of significant sites from the dual perspectives of settlement archaeology and contemporary Native American interpretations of the role of rock art in their cultural past The authors demonstrate how modern archaeological methodology and interpretations are providing a rich physical and cultural context for these ancient and hitherto puzzling artifacts They offer exciting new insights into the lives of North America s first inhabitants This is essential reading for anyone interested in

the petroglyphs of the American West and in the history of the Great Basin and its original peoples     The Figured Landscapes of Rock-Art George Nash, Christopher Chippindale, 2004-04 A companion to The Archaeology of Rock Art Cambridge 1998 this new collection edited by Christopher Chippindale and George Nash addresses the most important component around the rock art panel its landscape The Figured Landscapes of Rock Art draws together the work of many well known scholars from key regions of the world for rock art and for rock art research It provides a unique broad and varied insight into the arrangement location and structure of rock art and its place within the landscapes of ancient worlds as ancient people experienced them Packed with illustrations as befits a book about images The Figured Landscapes of Rock Art offers a visual as well as a literary key to the understanding of this most lovely and alluring of archaeological traces     **The Archaeology of Rock-Art** Christopher Chippindale, Paul S. C. Taçon, 1998 Pictures painted and carved in caves and on open rock surfaces are amongst our loveliest relics from prehistory This pioneering set of sparkling essays goes beyond guesses as to what the pictures mean instead exploring how we can reliably learn from rock art as a material record of distant times in short rock art as archaeology Sometimes contact period records offer some direct insight about indigenous meaning so we can learn in that informed way More often we have no direct record and instead have to use formal methods to learn from the evidence of the pictures themselves The book's eighteen papers range wide in space and time from the Palaeolithic of Europe to nineteenth century Australia Using varied approaches within the consistent framework of informed and proven methods they make key advances in using the striking and reticent evidence of rock art to archaeological benefit     **Field Guide to Rock Art Symbols of the Greater Southwest** Alex Patterson, 1992-05 This is the first specifically designed key to the interpretation of American rock art Interest in the subject has grown significantly among professional archaeologists and informed lay persons in recent years but the purpose and meaning that the intriguing symbols had for their creators remain a mystery Although the significance of the symbols will never be known for certain educated guesses can be made The Field Guide brings together 600 commentaries on specific symbols by over one hundred archaeologists anthropologists researchers and Native American informants Intended to be used in the field as well as a reference the book includes a pictorial key at the beginning and is organized by tentative meaning or by description The reader can easily find the one or several of the 500 illustrations that most closely match the symbol in question Patterson emphasizes the tentative nature of the interpretations and has included an index by neutral archaeological description as well as complete documentation of every excerpted comment The range of the book is from the northern states of Mexico to Utah and from California to Colorado     *Rock Art Handbook* Samantha Sarles, 2019-10-01 Discover all of the best techniques for creating amazing rock art Brush painting isn't the only way to decorate a rock Almost anything you do on paper or canvas you can do on a rock Rock Art Handbook will show you how with more than 30 step by step tutorials featuring dot painting marbling embellishments and much more It's the perfect opportunity to use your favorite craft supplies from nail polish to puff paint to

gelly roll pens or to try something new There are plenty of kid friendly options like chalk washi tape and glitter glue too And what do you do with the rocks when they re finished Author Samantha Sarles who blogs at ColorMadeHappy com has plenty of ideas *African Rock Art* Burchard Brentjes,1969 A unique and fascinating record of the arts of the Bushman Bantu Berber Hamite Hottentot and others over ten thousand years
