

# Rock And Popular Music

**Oded Heilbronner, Ari Katorza**

## Rock And Popular Music:

**The Cambridge Companion to Pop and Rock** Simon Frith, Will Straw, John Street, 2001-08-16 This Companion maps the world of pop and rock pinpointing the most significant moments in its history and presenting the key issues involved in understanding popular culture's most vital art form. Expert writers chart the changing patterns in the production and consumption of popular music, the emergence of a vast industry with a turnover of billions and the rise of global stars from Elvis to Public Enemy, Nirvana to the Spice Girls. They trace the way new technologies from the amplifier to the internet have changed the sounds and practices of pop and they analyse the way maverick entrepreneurs have given way to multimedia corporations. In particular, they focus on the controversial issues concerning race and ethnicity, politics, gender and globalisation. Contains full profiles of a selection of figures from the pop and rock world. **Semiotics of Popular Music**

Martina Elicker, 1997 Understanding Rock 'n' Roll Dick Bradley, 1992 Rock n roll in Britain has been written about many times but the question of what it has meant to its young fans and imitators has usually taken second place to the description of the records and artists themselves. In this book Dick Bradley argues that to fully understand the history of rock n roll and related styles like skiffle, Beat music and British R n B it is not enough merely to praise or criticize records. We must consider how the music was used and what made many listeners take up singing and playing themselves. He suggests music use formed a central practice of the emerging youth culture. Young listeners found articulations of resistance and communality in American rock n roll which many of them then tried to reproduce in their own music making. Dr Bradley also provides a speculative theoretical framework for understanding these meanings in their wider social and historical context. *Popular Music: The rock era* Simon Frith, 2004 *Queer Tracks: Subversive Strategies in Rock and Pop Music* Doris

Leibetseder, 2016-05-23 *Queer Tracks* describes motifs in popular music that deviate from heterosexual orientation, the binary gender system and fixed identities. This exciting cutting edge work deals with the key concepts of current gender politics and queer theory in rock and pop music including irony, parody, camp, mask, masquerade, mimesis, mimicry, cyborg, transsexuality and dildo. Based on a constructivist concept of gender, Leibetseder asks: Which queer feminist strategies are used in rock and pop music? How do they function? Where do they occur? Leibetseder's methodological process is to discover subversive strategies in queer theory which are also used in rock and pop music without assuming that these tactics were first invented in theory. Furthermore, this book explains where exactly the subversiveness is situated in those strategies and in popular music. With the help of a new kind of knowledge transfer, the author combines sociological and cultural theories with practical examples of rock and pop music. The subversive character of these queer motifs is shown in the work of contemporary popular musicians and is at the same time related to classical discourses of the humanities. *Queer Tracks* is a revised translation of *Queere Tracks: Subversive Strategien in Rock und Popmusik* originally published in German. *On Record* Simon Frith, 1990 Classic sociological analyses of deviance and rebellion, studies of technology, subcultural and feminist

readings semiotic and musicological essays and close readings of stars bands and the fans themselves by Adorno Barthes and other well known contributors

**Rock Music in American Popular Culture III** Frank Hoffmann, B Lee Cooper, Wayne S Haney, 2014-02-04 Rock Music in American Popular Culture III More Rock n Roll Resources explores the fascinating world of rock music and examines how this medium functions as an expression of cultural and social identity This nostalgic guide explores the meanings and messages behind some of the most popular rock n roll songs that captured the American spirit mirrored society and reflected events in our history Arranged by themes Rock Music in American Popular Culture III examines a variety of social and cultural topics with related songs such as sex and censorship Only the Good Die Young by Billy Joel and Night Moves by Bob Seger and The Silver Bullet Band holiday songs Rockin Around the Christmas Tree by Brenda Lee and The Christmas Song by Nat King Cole death Leader of the Pack by The Shangri Las and The Unknown Soldier by The Doors foolish behavior When a Man Loves a Woman by Percy Sledge and What Kind of Fool by Barbra Streisand and Barry Gibb jobs and the workplace Don t Stand So Close to Me by The Police and Dirty Laundry by Don Henley military involvements Boogie Woogie Bugle Boy by the Andrews Sisters and War by Edwin Starr novelty recordings The Purple People Eater by Sheb Wooley and Eat It by Weird Al Yankovic letters and postal images P S I Love You by The Beatles and Return to Sender by Elvis Presely In addition a discography and a bibliography after each section give further examples of the themes and resources being discussed as do extensive lists of print references at the end of the text

**Analyzing Popular Music** Allan F. Moore, 2003-05-22 How do we know music We perform it we compose it we sing it in the shower we cook sleep and dance to it Eventually we think and write about it This book represents the culmination of such shared processes Each of these essays written by leading writers on popular music is analytical in some sense but none of them treats analysis as an end in itself The books presents a wide range of genres rock dance TV soundtracks country pop soul easy listening Turkish Arabesk and deals with issues as broad as methodology modernism postmodernism Marxism and communication It aims to encourage listeners to think more seriously about the social consequences of the music they spend time with and is the first collection of such essays to incorporate contextualisation in this way
