*The Great Perhaps* Burton F. Porter,2015-04-16 God created man in his own image but did man perhaps return the compliment The question of God s existence has been a pivotal issue for every civilization Those with faith in God want assurance that their belief is justified and atheists want confirmation that God is nowhere to be found When we reflect on religion we want to know the reasons for belief in God or whether belief is only a comforting delusion In an age of science will religion persist or will it be edged out of our consciousness and become a historical curiosity Burton Porter approaches the notion of God in an open yet critical way examining the argumentation used by centuries of human society to support or reject the existence of God With minimum assumptions and maximum objectivity Porter debates whether the religious view does in fact diagram reality He examines the roles that God and religion have played in the ethics art and actions of many diverse cultures to conclude that at the very least the consideration of the existence of a higher power is fundamental to us all

**Shamanic Secrets for Spiritual Mastery** Robert Shapiro,2006 Shamanism      The Other Side of Time Jonni Anderson,2012-09 Stranded in the wrong universe Jacob Tunney lost his wife to cancer and his career to alcoholism But he d begun his climb back to sanity and found the woman he could happily spend the rest of his life with Suddenly he is transported to another universe and she is left behind He must find his way back to her      **Crossing the Great Divide:**

**Walking with God Through Nature** Dr. Charles R. Frazier,2022-01-06 For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future Then you will call on me and come and pray to me and I will listen to you You will seek me and find me when you seek me with all your heart I will be found by you declares the Lord and will bring you back from captivity Jeremiah 29 11 14 Walking in the path of darkness I never looked up to see God s light I had put God on the shelf I was making my way in life I was gaining notoriety and recognition for my accomplishments My pride arrogance and selfishness were shining in my fleshly success I was rolling and life was rocking until one day God placed a boulder in my path I could not move In the blink of an eye I lost my career and my marriage was coming to an end My Heavenly Father had stopped my fleshly ways to show me the deep darkness of my soul He would take the pieces of clay from my brokenness place me back on His pottery wheel remold me with His loving hands and put me through the fire to purify my soul He would lead me to His place The Back Porch where He would teach me to meditate show me visions give me peace in His quietness and open my ears to hear His voice I would listen as He would speak through the pen and I would record His spoken words Exhausted tired and weary a broken man was being healed through the writings of his Heavenly Father In this journey He will use my love for nature to share with me the simple things in life explain my

visions and gain understanding as we walk through this journey together God shines His light and speaks to every man and woman You must take the time to see His light and be still in His presence to hear His voice Open this book take a journey with me and experience how God heals and remolds a broken man He led me to write this book so you can see how God changed me and experience how God can change you
