unergative unaccusative distinction of intransitive verbs However this book shows through a wide range of sentences that none of these constructions is sensitive to this distinction For each construction it shows that acceptability status is determined by a given sentence's semantic function as it interacts with syntactic constraints which are independent of the unergative unaccusative distinction and with functional constraints that apply to it in its discourse context The Juvenile Missionary Magazine (and Annual), London missionary society, 1860 **Annual Report of the Bureau of Mines** Ontario.
