[Bad Acts of the Apostles](#) John Henson,2009-03-26 A revised extended and enriched edition of John Henson s most provocative most controversial most subversive book From the very beginning Christians have deviated by word and deed from the teachings of Jesus Christ Why and is there something that we can learn about the Early Church by examining those deviations When Luke wrote Acts the sequel to his Gospel was he fully

aware of the difficult path he was taking Did he write simply to extol the exploits of the first Christians and prepare their leaders for canonization or did he have a different agenda altogether This is not your usual approach to Acts What Luke narrated and how those views differed from those of the other Apostles sheds light on what we thought we knew And better yet it will encourage Christians to seek anew the mind of Jesus **Editor & Publisher** ,1926 The fourth estate **The King of Heart** H. J. Stellian,2003-01-10 The King of Heart is an allegory of the Bible in fairytale fantasy form Although not intended for children the form chosen for this work is used in the same manner as traditional folk tales were used to pass on eternal truths to others whilst remaining hidden from materialistic scrutiny Clearly this novel isn't so subtle as to its source but may well enlighten the reader as to how the Bible develops and its overall message to mankind As one journeys through the novel the reader may become aware of how the level of consciousness gently rises through centuries and continues right into our immediate future In its pages the reader will enjoy mystery drama suspense action and humor The novel is in seven parts 1 The Beezle Affair The fall of Satan 2 The Mountain Children The fall of Man 3 Alomonía The establishment of Israel 4 Jesse The Christ story 5 The Fishcart The rise and decline of the Church 6 Rocky The last Pope or spiritual leader 7 King Beezle Reign of Anti Christ concluding with the second coming of Christ **Catalog of Copyright Entries, Third Series** ,1950 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Catalog of Copyright Entries** Library of Congress.
