Rodin Auguste Rodin,1999 **Rodin** ,1999 *Rodin: The Maryhill Collection* Auguste Rodin,1976 Rodin's Sculpture Jacques De Caso,Patricia B. Sanders,1977 The Rodin collection left by Mrs Alma de Bretteville Spreckels to the California Palace of the Legion of Honor is the most salient and nearly the earliest example of America s admirable passion for an artist whose personality and works dominated the decades of 1880 to 1910 In an essay which follows this introduction Patricia B Sanders has chronicled the history of Mrs Spreckels collecting enterprise Her choice was remarkable Before Rodin s death in 1917 and over the following years until the 1940s she acquired first from Rodin and later from those nearest him bronzes plasters and marbles among them not only many of the most important Rodins but also many of the best The Spreckels collection is second only to the Mus e Rodin in Paris as a center of Rodin art and sculptures The Central Liberal Truth Lawrence E. Harrison,2008-07-08 Which cultural values beliefs and attitudes best promote democracy social justice and prosperity How can we use the forces that shape cultural change such as religion education and political leadership to promote these values in the Third World and for underachieving minorities in the First World In this book Lawrence E Harrison offers intriguing answers to these questions in a valuable follow up to his acclaimed Culture Matters Drawing on a three year research project that explored the cultural values of dozens of nations from Botswana Sweden and India to China Egypt and Chile Harrison offers a provocative look at values around the globe revealing how each nation s culture has propelled or retarded their political and economic progress The book presents 25 factors that operate very differently in cultures prone to progress and those that resist it including one s influence over destiny the importance attached to education the extent to which people identify with and trust others and the role of women in society Harrison pulls no punches and many of his findings are controversial Contradicting the arguments of multiculturalists this book contends that when it comes to promoting human progress some cultures are clearly more effective than others It convincingly shows which values beliefs and attitudes work and how we can foster them Harrison takes up the question that is at the center of politics today Can we self consciously change cultures so they encourage development and modernization David Brooks New York Times I can think of no better entrance to the topic both for what it teaches and the way it invites and prepares the reader to continue A gateway study David S Landes author of The Wealth and Poverty of Nations The Many Faces of Art Forgery William Casement,2022-04-17 P rovides a treasure trove of information that will engage readers intrigued by but new to the subject of art forgery as well as those with an art or art history background Booklist Starred Review Forgery is a provocative presence in the art world that captures attention in the press and inspires books about the exploits of famous fraudsters as well as scholarly articles and monographs But missing until now has been a big picture look at the phenomenon of art forgery The Many Faces of Art Forgery provides a unique treatment that features historical highlights philosophical insights psychological profiles economic theories and legal statutes and cases Key features include

The story of art forgery from antiquity to the present including 80 named forgers the tricks of their trade and the social forces that ensure the existence of their enterprise How scientific analysis is both effective and limited in exposing art fakes Multiple definitions for the term forgery as applied to art The effect on authenticity in legal terms philosophical terms and public opinion when an artwork undergoes extensive restoration or artists hire surrogates to make their works or they appropriate images from other artists or styles from indigenous cultures Forgers mentalities their motivations rationalizations and strategies The ethics of art forgery from criminality to esteem for fooling experts The possibility and aesthetic worth of a perfect fake In all readers will understand the substantial place forgery occupies in the realm of art as well as that what constitutes authentic versus inauthentic is not always clear cut nor are legal and moral judgments about forgery In conveying this message the author provides a wealth of information in an accessible and engaging style suitable for experts and general readers alike

License Darren Hudson Hick, 2017-04-26 The art scene today is one of appropriation of remixing reusing and recombining the works of other artists From the musical mash ups of Girl Talk to the pop culture borrowings of Damien Hirst and Jeff Koons it's clear that the artistic landscape is shifting which leads to some tricky legal and philosophical questions In this up to date thorough and accessible analysis of the right to copyright Darren Hudson Hick works to reconcile the growing practice of artistic appropriation with innovative views of artists rights both legal and moral Engaging with long standing debates about the nature of originality authorship and artists rights Hick examines the philosophical challenges presented by the role of intellectual property in the artworld and vice versa Using real life examples of artists who have incorporated copyrighted works into their art he explores issues of artistic creation and the nature of infringement as they are informed by analytical aesthetics and legal and critical theory Ultimately Artistic License provides a critical and systematic analysis of the key philosophical issues that underlie copyright policy rethinking the relationship between artist artwork and the law

The Sculptural Imagination Alex Potts, 2000-01-01 Potts also offers a detailed view of selected iconic works by sculptors ranging from Antonio Canova and Auguste Rodin to Constantin Brancusi David Smith Carl Andre Eva Hesse and Louise Bourgeois key players in modern thinking about the sculptural The impact of minimalism features prominently in this discussion for it disrupted accepted understanding of how a viewer interacts with a work of art thereby placing the phenomenology of viewing three dimensional objects for the first time at the center of debate about modern visual art Jacket

Exhibition of Works by Auguste Rodin Auguste Rodin, Joseph Brummer, 1922 **Other Criteria** Leo Steinberg, 2007-11-15 Leo Steinberg's classic Other Criteria comprises eighteen essays on topics ranging from Contemporary Art and the Plight of Its Public and the flatbed picture plane to reflections on Picasso Rauschenberg Rodin de Kooning Pollock Guston and Jasper Johns The latter which Francine du Plessix Gray called a tour de force of critical method is widely regarded as the most eye opening analysis of the Johns's work ever written This edition includes a new preface and a handful

of additional illustrations The art book of the year if not of the decade and possibly of the century The significance of this volume lies not so much in the quality of its insights although the quality is very high and the insights are important as in the richness precision and elegance of its style A meeting with the mind of Leo Steinberg is one of the most enlightening experiences that contemporary criticism affords Alfred Frankenstein Art News Not only one of the most lucid and independent minds among art critics but a profound one Robert Motherwell

Monument Retailer, 1916 **The Aesthetics of Matter** Sarah Posman, Anne Reverseau, David Ayers, Sascha Bru, Benedikt Hjartarson, 2013-10-29 It has often been argued that the arrival of the early 20th century avant gardes and modernisms coincided with an in depth exploration of the materiality of art and writing The European historical avant gardes and modernisms excelled in their attempts to establish the specificity of media and art forms as well as in experimenting with the hybridity of the materials of their multiple disciplines This third volume of the series European Avant Garde and Modernism Studies sheds light on the full range and import of this aspect in avant garde and modernist aesthetics across all art forms and throughout the 19th and 20th centuries The book's contributions written by experts from some 20 countries seek to answer the following questions What sort of objects and material works and media help us to properly grasp the avant garde and modernist aesthetics of matter How were affects emotions and sensory and bodily experiences transferred and transformed in the experiment with matter How were immaterial things such as concepts of time changed in this aesthetic moment What material meanings were disseminated in the cultural transfer and translation of objects How did subsequent avant gardes deal with the aesthetics of matter in their response to historical predecessors

European Sculpture, 1400-1900, in the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.), Ian Wardropper, 2011 This beautiful book features masterpieces of sculpture in the collection of the Metropolitan Museum dating from the Renaissance through the nineteenth century Celebrated works by the great European sculptors including Luca and Andrea della Robbia Juan Martinez Montañés Gianlorenzo Bernini Jean Antoine Houdon Bertel Thorvaldsen Antoine Louis Barye Jean Baptiste Carpeaux Edgar Degas and Auguste Rodin are joined by striking new additions to the collection notably Franz Xaver Messerschmidt's remarkable bust of a troubled and introspective man The ninety two selected examples are diverse in media marble bronze wood terracotta and ivory and size ranging from a tiny oil lamp fantastically conceived and decorated by the Renaissance bronze sculptor Riccio to Antonio Canova's eight foot high Perseus with the Head of Medusa executed in the heroic Neoclassical style Incorporating information from the latest scholarly research and recent conservation studies sculpture specialist Ian Wardropper discusses the history and significance of the highlighted works each of which is reproduced with glorious new photography

"French Sculpture Following the Franco-Prussian War, 1870-80" Michael Dorsch,2017-07-05 French Sculpture Following the Franco Prussian War 1870 80 investigates the role played by the trope of the strong woman fallen man in re establishing morale among the French people following the Franco Prussian War The study explores how certain French sculptors including Falgui Merci Barrias and Rodin presented this recent history of defeat in commemorative monuments that increasingly dominated public space across France during the final decades of the nineteenth century Though it focuses on French nationalism and the commemoration of war or as is the case with the French following the Franco Prussian War the commemoration of defeat this volume also examines shifts in gender roles in the latter half of the nineteenth century and the impact of military defeat on relations between the sexes The book probes the aesthetic discourse of the period concerning the merits of traditional allegorical sculpture versus new fangled realist sculpture in depicting modern life Drawing on extensive archival research Michael Dorsch gives a voice to the sculptures he discusses restoring these often ignored works to their proper place in history

Sculpture and the Museum ChristopherR. Marshall,2017-07-05 Sculpture and the Museum is the first in depth examination of the varying roles and meanings assigned to sculpture in museums and galleries during the modern period from neo classical to contemporary art practice It considers a rich array of curatorial strategies and settings in order to examine the many reasons why sculpture has enjoyed a position of such considerable importance and complexity within the institutional framework of the museum and how changes to the museum have altered in turn the ways that we perceive the sculpture within it In particular the contributors consider the complex issue of how best to display sculpture across different periods and according to varying curatorial philosophies Sculptors discussed include Canova Rodin Henry Moore Flaxman and contemporary artists such as Rebecca Horn Rachel Whiteread Mark Dion and Olafur Eliasson with a variety of museums in America Canada and Europe presented as case studies Underlying all of these discussions is a concern to chart the critical importance of the acquisition placement and display of sculpture in museums and to explore the importance of sculptures as a forum for the expression of programmatic statements of power prestige and the museum s own sense of itself in relation to its audiences and its broader institutional aspirations
