**Anecdotes of the Aristocracy and Episodes in Ancestral Story, 2** J. Bernard Burke, 1850      **The Legacy of Walter Rodney in Guyana and the Caribbean** Arnold Gibbons, 2012-07-10 Walter Rodney claimed developing countries were heirs to uneven development and ethnic disequilibrium including continued forms of oppression from the capitalist countries and their own leaders In Guyana ethnic chauvinism persisted before and after independence from Britain Rodney was disturbed by the inability of intellectuals to share common cause with the masses thus ensuring that they would be unable to contribute to uplifting their talents or participate in the growth of the nation Guyana and the Caribbean were subject to sugar and slave traffic that constituted cheap labor for the plantations and buttressed the capitalist industrial system A significant byproduct of that system was the master slave relationship a no less iniquitous consequence was an active racism Thus social inequality became the heritage of Guyanese and Caribbean history These social evils have influenced all of the social economic and political institutions in Guyana Race class and color became the determinants of social value and how the various racial groups responded to them is both the triumph and the tragedy of Guyanese nationalism Rodney belongs in that pantheon of philosophers whose names adorn the history of the Caribbean and elsewhere He has sought to lift the Caribbean people from the victimization of history and the poverty of material circumstance      **For a Little While** Rick Bass, 2016-10-04 Long considered one of the most gifted practitioners of the short story Rick Bass is unsurpassed in his ability to perceive and portray the enduring truths of the human heart Now at last we have the definitive collection of stories new and old from the writer Newsweek has called an American classic To read his fiction is to feel more alive connected incandescently to the brief longshot of having been chosen for the human experience as one of his characters puts it These pages reveal men and women living with passion and tenderness at the outer limits of the senses each attempting to triumph against fate Bass provides searing insights into the complexity of family and romantic entanglements and his lush and striking language draws us ineluctably into the lives of these engaging people and their vivid surroundings The intricate stories collected in *For A Little While* brimming with magic and wonder filled with hard won empathy marbled throughout with astonishing imagery have the power both to devastate and to uplift Together they showcase an iconic American master at his peak      **Rodney's Inside Story** Lynne Barasch, 1994-06-01 Mommy tells a story about Rodney Rabbit who lives inside a cabbage and has lots of vegetables to play with      *Ohio History Teachers' Journal*, 1924      **The Ohio History Teachers' Journal**, 1919
