Role Of Women In Rebuilding The Russian Economy:

The Role of Women in Rebuilding the Russian Economy Monica S. Fong, 1993-01-01 Also available in Russian Stock No 13015 ISBN 0 8213 3015 2 6 95 Price code 006 Women will contribute greatly to Russia's economic transformation given the right social and labor reforms The author suggests policy changes that would *Women in the Age of Economic Transformation* Nahid Aslanbeigui, Steven Pressman, Gale Summerfield, 1994 The editors conclude that this is unlikely to be random rather it reflects the social and political condition of women Addressing these issues is thus essential if the burden of economic transformation is to be distributed fairly **Gender, Generation and Identity in Contemporary Russia** Hilary Pilkington, 2002-09-11 This book explores the lives and expectations of young women in the new Russia looking at the enormous changes that the new social and economic environment have brought The authors draw on the growing literature on gender and generation in the West which has arisen as a result of the recognition that the experience of youth is classed, raced and gendered and that the experience of gender is mediated by class, race, ethnicity, sexuality and age They consider the role of the media, state and social institutions in shaping opportunities and experiences in the post-Soviet environment focusing on the strategies employed by individual women to reforge social identities in a society in which they have been dislocated more acutely than in any other postmodern society Enhancing Women's Participation in Economic Development, 1994-01-01 Annotation Makes recommendations for removing the barriers women face in contributing to and benefiting from sustainable economic development International experience has proved that support for a stronger role for women in society contributes to economic growth through improved child survival rates, better family health and reduced fertility rates Nevertheless women still face many barriers in contributing to and benefiting from development These include low investment in female education and health and restricted access to services and assets This study highlights five areas that could help change this inequitable situation: education, health, wage labor, agriculture and natural resource management and financial services A gender and development strategy is suggested that would take into account the relative roles and responsibilities of women and men implying that the actions and attitudes of men must change The ideas presented in this paper are an example of the World Bank's commitment to mainstreaming gender concerns into its operations Although significant steps have already been taken in this direction, there remains a long road ahead Also available French ISBN 0 8213 3023 3 Stock No 13023 Spanish ISBN 0 8213 3024 1 Stock No 13024 Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East-Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian, Hapsburg and Ottoman empires, Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled

documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes *Russian Women in Politics and Society* Norma Corigliano Noonan,1996-10-21 An examination of women s roles in politics and society in the contemporary Russian Federation as it creates a new market economy and democratic course born of a millennium of history and nearly 75 years of authoritarian communist rule The stage is set in the introduction followed by an examination of the history of the Bolshevik socialist state in 1917 through the participation of women in recent multiparty elections in 1993 The tsarist and Communist gender culture is presented and the book then considers why and how the Soviet Union disintegrated Next the editors explore the reborn Russia of President Boris Yeltsin and women s rights under Soviet and post Soviet rule The book is enriched by statistical tables and glossaries of the names of leaders and terms for easy identification **A Guide to the World Bank** ,2003 The World Bank Group works in more than 100 developing economies and is one of the world s largest sources of development assistance In 2002 the institution provided US 19 5 billion in loans to its client countries This guide reviews the organisation s history objectives and operations and looks at the five institutions that make up the World Bank Group the International Bank for Reconstruction and Development IBRD the International Development Association IDA the International Finance Corporation IFC the Multilateral Investment Guarantee Agency MIGA and the International Centre for Settlement of Investment Disputes ICSID **Gender, Work and Wages in the Soviet Union** K. Katz,2001-07-19 The plight of women in post reform Russia has its roots in the combination of the new untrammelled market system and the old legacy of discrimination The Soviet Union was the first country to give women equal rights and equal pay but this was not carried through in practice This is the first study to apply modern econometrics to survey data collected in the USSR Analysis of data from Russia shows how legislative equality hid actual discrimination Katz also challenges the conventional wisdom that for ideological reasons Soviet manual workers were favoured over the highly educated Gender Work and Wages in the Soviet Union includes a critical survey of economic theories of gender and wages and the Soviet wage system The final chapter brings the debate up to date by examining how old and new mechanisms of gender inequality interact in post Soviet Russia **Labor Markets and Social Policy in Central and Eastern Europe** N. A. Barr,1994 The Essence of Reform Democratization and Women's Grassroots Movements Jill M. Bystydzienski,Joti Sekhon,1999-07-22 Case studies examining the connections between women s local level political and social actions and the development of democratic systems The book illustrates how community based actions programs and organizations that allow women to determine their lives and participate in decision making contribute to the creation of a civil society and thus enhance democracy The case studies show how participation in grassroots movements promotes women s involvement in their organizations communities

and in societal institutions as it influences state policy and empowers women in personal relationships

Assisting Russia's Transition Gianni Zanini, 2002-01-01 This evaluation assesses the development effectiveness of the World Bank's lending and non-lending assistance to the Russian Federation since 1991 a 10 year period of tumultuous political economic and social change This report concludes that an assistance strategy concentrating on analytical and advisory services with limited financial support for Russia would have been more appropriate than one involving large volumes of adjustment lending

Democracy, Gender, and Social Policy in Russia Andrea Chandler, 2015-12-17 Through compelling and insightful analysis of the Russian case this book explores the role that social welfare plays in regime transitions It examines the role that gender and social welfare has played in Russia's post communist political evolution from Yeltsin's assumption of the presidency to Putin's return for a third term as president in 2012

Political and Historical Encyclopedia of Women Christine Fauré, 2004-06-02 The original French edition of this encyclopedia the *Encyclopédie politique et historique des femmes* Second Edition has been lauded by French reviewers and now Routledge is pleased to publish this acclaimed resource in an English language edition From the Salic Law in medieval France to the American Revolution to today's women's representation in American and European politics this valuable resource discusses women's participation in Western political and historical transformation The 40 authoritative in-depth articles written by an international team of scholars examine women's activism in areas such as voting emancipation equality and democracy providing students and general readers with an indispensable resource

The American Bibliography of Slavic and East European Studies Patricia Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology

Mainstreaming Gender in World Bank Lending Josette Murphy, 1997-01-01 Med spansk og fransk referat

Pension Reform and the Development of Pension Systems Emily S. Andrews, 2006 Formal pension systems are an important means of reducing poverty among the aged In recent years however pension reform has become a pressing matter as demographic aging poor administration early retirement and unaffordable benefits have strained pension balances and overall public finances Pension systems have become a source of macroeconomic instability a constraint to economic growth and an ineffective and/or inequitable provider of retirement income

No More Heroines? Sue Bridger, Rebecca Kay, Kathryn Pinnick, 2005-08-04 With the collapse of Soviet rule and the emergence of independent Russia the image of Russian women in the Western imagination has changed dramatically The robust tractor drivers and athletes have been replaced by glamorous but vulnerable beauty queens or the dishevelled and downcast women trading goods on the streets The authors of this work take a closer look at what lies behind the above images and how Russian women are coping with a very different sort of life The main focus is on the effect of unemployment on Russian women and how they are coping with it Based on case studies and personal interviews carried out in the Moscow

region in 1993 94 No More Heroines will provide both specialist and non specialist alike with access to the thinking of women and their organisations in Russia today *Routledge International Encyclopedia of Women* Cheris Kramarae, Dale Spender, 2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects **Engendering Wealth And Well-being** Cathy Rakowski, 2018-02-19 The new international division of labor and the imposition of structural adjustment on Third World countries has necessitated a reexamination of development policies and a reevaluation of the role of gender in their success or failure Although women often bear the heaviest burden under structural adjustment there is also considerable evidence of women being empowered through their responses to the challenges of economic restructuring Based on case study material from Eastern Europe the Islamic nations Africa China and Latin America this volume explores the significant contributions women make to the wealth and well being of their families and nations The contributors argue persuasively that women may hold the key to sustainable development an increasingly critical issue at a time when policymakers are reconsidering the full costs and benefits of a growth fixated development model One of the first to embody the new gender and development paradigm this book reports on research at the frontiers of knowledge and theory about the gendered outcomes of economic transformation restructuring and social change By incorporating voices from the South it makes a provocative addition to our understanding of the political economy of development and of the relationship between world ecology and the world economy Privatization and Entrepreneurship Erdener Kaynak, Alfred Lewis, Arie H. A. Ullmann, 2018-12-07 Privatization and Entrepreneurship The Managerial Challenge in Central and Eastern Europe analyzes the challenges faced by managers in the transforming economies of Central and Eastern Europe and provides penetrating insights into the details of managing in the former socialist countries This collection s combination of conceptual theoretical material with empirical firsthand case analysis prepares Western managers for a more profitable and less stressful entry into these significant markets This enlightening book highlights the complexity and breadth of the issues and problems of successfully entering new markets in Central and Eastern Europe Along the way you are introduced to such topics as consumer behavior and shown the different forms of foreign direct investment with their associated problems and benefits If you are searching for ways to better prepare for business in these markets this book can help you meet your objectives with its helpful information on ethical concerns and linguistic difficulties of managing in transforming economies management challenges of privatization management challenges of entrepreneurship strategic issues associated with the reorientation of

enterprises corporate constituencies changing consumers labor unions and pay practices Privatization and Entrepreneurship will prove valuable to policymakers in economic development and foreign aid agencies executives of companies planning to expand into Europe and those already active in the region and academicians and students in management economics and political science
