league commissioners should heed All sports fans and especially those who want to understand the operations of a league and its teams will benefit from this book *Wheelers Dealers Pucks Bucks A Rocking History of Roller Hockey International* recounts the six crazy seasons of Roller Hockey International and could well become the next great sports movie featuring characters even the greatest scriptwriters couldn't create The foreword was written by Jeanie Buss a former Roller Hockey International team owner and a current executive vice president for the 16 time NBA Champion Los Angeles Lakers For wild action both on and off the playing surface humor and the true story of Roller Hockey International *Wheelers Dealers Pucks Bucks* can't be touched with a 10 foot long hockey stick **Roller Hockey** Bill Gutman,1995 Gives information on equipment positions and basic skills for the game of roller hockey *The Illustrated Rules of In-Line Hockey* Terry Mayo,1996-02 The Illustrated Rules of In Line Hockey introduces young players to the basic rules of America's newest and most exciting sport Designed to stimulate discussion among coaches players and parents this book presents the rules of in line hockey in a simplified form so that they can be easily understood by young players Topics include players positions selected officials signals and the importance of good sportsmanship Each rule is clearly demonstrated with colorful action packed illustrations by artist Ned Butterfield Reviewed and endorsed by the National In Line Hockey Association The Illustrated Rules of In Line Hockey is the perfect book for young beginning players and their parents Book jacket
