Shemittah Yobel:

The Jewish Encyclopedia: Philipson-Samoscz, 1925 **Dietary laws regarding plants and vegetables, with particular reference to the produce of the Holy Land** Isidor Grunfeld, 1975 **The Jewish Encyclopedia: a Descriptive Record of the History, Religion, Literature, and Customs of the Jewish People from the Earliest Times to the Present Day**, 1906 **The Jewish Dietary Laws: Dietary laws regarding plants and vegetables, with particular reference to the produce of the Holy Land** Isidor Grunfeld, 1982 **The Jewish Encyclopedia: Philipson-Samoscz** Isidore Singer, 1905 **Christian Hebraism in the Reformation Era (1500-1660)** Stephen G. Burnett, 2012-01-05 The Reformation transformed Christian Hebraism from the pursuit of a few into an academic discipline This book explains that transformation by focusing on how authors printers booksellers and censors created a public discussion of Hebrew and Jewish texts **The Jubilee from Leviticus to Qumran** John Bergsma, 2007-03-31 The observation of the Jubilee Year 2000 by many Christian groups worldwide generated renewed interest in the theological historical and socio economic aspects of the biblical jubilee This book begins with an analysis of the historical origins of the jubilee institution in ancient Israel and then traces the reinterpretation of the jubilee and the text of Leviticus 25 through the Old Testament the Second Temple literature and the Qumran documents It demonstrates that with the passage of time the socio economic implementation of the jubilee is increasingly de emphasized in favor of an eschatological interpretation in which the jubilee itself functions as a type of the final age and cycles of jubilee years are employed to calculate when this age will arrive

The Jewish Encyclopedia Isidore Singer, Cyrus Adler, 1916 **Jewish-Christian Dialogue** David Novak, 1992-04-02 Many studies written about the Jewish Christian relationship are primarily historical overviews that focus on the Jewish background of Christianity the separation of Christianity from Judaism or the medieval disputations between the two faiths This book is one of the first studies to examine the relationship from a philosophical and theological viewpoint Carefully drawing on Jewish classical sources Novak argues that there is actual justification for the new relationship between Judaism and Christianity from within Jewish religious tradition He demonstrates that this new relationship is possible between religiously committed Jews and Christians without the two major impediments to dialogue triumphalism and relativism One of the very few books on this topic written by a Jewish theologian who speaks specifically to modern Christian concerns it will provide the groundwork for a more serious development of Jewish Christian dialogue in our day *The Land Is Mine* Andrew D. Berns, 2022-04-12 After their expulsion from Spain in 1492 Sephardi Jews such as Isaac Abravanel Abraham Saba and Isaac Arama wrote biblical commentaries that stressed the significance of land They interpreted Judaism as a tradition whose best expression and ultimate fulfillment took place away from cities and in rural settings Iberian Jewish authors rooted their moral teachings in an ethical treatment of the natural world elucidating ancient agricultural laws and scrutinizing the physical context and built environments of Bible stories *The Land Is Mine* asks what inspired this and suggests that the

answer lies not in timeless exegetical or theological trends but in the material realities of late medieval and early modern Iberia during a period of drastic changes in land use The book uses a highly traditional source base in a decidedly untraditional way In Jewish Studies Andrew D Berns observes biblical commentary is typically studied as an intramural activity Though scholars have conceded that Jewish scriptural exegesis welcomes material and ideas from other fields and traditions little to no work treats premodern Hebrew Bible commentary as also drawing upon Classical and Christian sources as well as contemporary writings on land management and political economy Abravanel Saba and Arama were engaged with questions that had broad resonance during their lives the proper way to treat the land the best occupations to pursue and the ideal setting for human community Scriptural commentary was the forum in which they addressed these problems and posed solutions to them A work of intellectual history The Land Is Mine demonstrates that it is impossible to understand Jewish culture without considering the physical realities on which it depended

Reposo divino para la inquietud humana Samuele Bacchiocchi, 2021-10-28 Reposo divino para la inquietud humana no es un libro pol mico Es una presentaci n pr ctica de c mo el s bado d a de reposo culto y servicio puede ser la soluci n para algunos de los m s urgentes problemas de nuestro tiempo Es un estudio del significado y el mensaje del s bado para el cristiano de hoy El s bado es valioso Es de vital importancia para el pueblo de Dios Y el gran desaf o que nos presenta Dios hoy es mostrar al mundo entero c mo el don divino del s bado puede traer paz y descanso permanentes a nuestra vida

The Mystery of the Shemitah Jonathan Cahn, 2018 The Shemitah or Sabbath year is the seventh year of the seven year agricultural cycle mandated by the Torah for the land of Israel Understanding this pattern is essential for understanding the prophecy and mysteries of the Bible that are still applicable today

The Capitalist Spirit Peter L. Berger, 1990 This volume brings together a team of scholars to discuss whether capitalism is moral Berger and his colleagues challenge what they see as an unformed and simplistic repudiation of capitalism on the part of many religious thinkers in the West The contributors want more attention to be given to the creation of wealth as against a simpleminded socialist emphasis on the redistribution of wealth David Novak offers a Jewish analysis of economics and justice Michael Novak explores the development of Christian economic thinking George Weigel examines recent Roman Catholic thinking on the subject Other contributors include Richard John Neuhaus and Walter Block ISBN 1 55815 112 5 18 95
