Shepherd Of Jerusalem:

Shepherd of Jerusalem Dov Peretz Elkins, 2005 A biography of the rabbi active in the Zionist movement that founded the independent Jewish state of Israel *The Shepherd of Jerusalem* Morris Howland Turk, 1929 The Shepherd of Jerusalem, and the Black Lamb in His Bosom, Etc. (Second Edition.). James ORMISTON, 1881 What Every Seventh-Day Adventist Should Know About the Shepherd's Rod Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism *Christ, Shepherd of the Nations* Jon Morales, 2017-12-28 Does John s Apocalypse envision destruction or salvation for the nations of the world Scholarly views on this issue range from extreme total destruction to extreme universal salvation Jon Morales maintains that the question must be reframed to highlight not only the destiny of the nations but also their dilemma within the drama of world history Using narrative methodology Morales asks four key questions concerning the nations What is John s story of the nations How does he tell this story What is John s message to the nations And what is his message to the church concerning the nations Literary characters cannot be understood in the abstract but must be rather discovered sequentially in the development of an entire narrative The nations in Revelation are no exception Understanding that previous studies have neglected to situate the nations within Revelation s larger plot or in interaction with other narrative characters Morales concludes that John s purpose is to show that the nations belong to God John achieves his purpose in part by deploying a novel metaphor virtually unexplored until now Christ shepherd of the nations
