Sherlock Holmes And The German Nanny:

Sherlock Holmes and the German Nanny John North,1990 **The Alternative Sherlock Holmes** Peter Ridgway Watt,Joseph Green,2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field **The Mammoth Book of New Sherlock Holmes Adventures** Mike Ashley,2009-05-28 The biggest collection of new Sherlock Holmes stories since Sir Arthur Conan Doyle laid down his pen nearly 200 000 words of superb fiction featuring the Great Detective by masters of historical crime including Stephen Baxter H R F Keating Michael Moorcock and Amy Myers Almost all the stories here are specially written the cases presented in the order in which Holmes solved them The result is a new life of Sherlock Holmes with a continuous narrative alongside the stories that identifies the gaps in the canon and places the new and hitherto unrecorded cases in sequence Plus an invaluable complete Holmes chronology

Sherlock Holmes Handbook Christopher Redmond, 2009-09-28 Sherlock Holmes Handbook sums up a Canadian scholar's lifetime expertise about Sherlock Holmes the characters and themes the publishers and readers Victorian London and the Houdini connection radio actors and cartoonists the fans who cling to Holmes's reality and the professors who tease out motifs from the fifty six short stories and four novels. The first edition of Sherlock Holmes Handbook appeared in 1993. This edition catches up on new films new books a few with a hint of the supernatural and the advent of the Internet which has spread Holmes's fame and Sherlockian fun even further worldwide. The intervening years have brought three multi volume editions of the Sherlock Holmes stories with hundreds of footnotes providing new insights and new amusement. They have also seen Holmes repeatedly on the amateur and professional stages including a few Canadian productions. And there have been changes to everything from copyright rules to libraries booksellers and audio recordings. Here though the world explode these two survive. And it is always eighteen ninety five. So wrote Sherlockian Vincent Starrett.

in his 1942 poem 221b soon after the United States entered World War II Even as those years brought terrible challenges so too has 2020 been a year of great testing for so many of us as a global pandemic rages and good people are called to stand against evil For Sherlockians comfort can be found in climbing those seventeen stairs to the Baker Street sitting room where it is always eighteen ninety five or a few decades on either side of it In 2015 the first three volumes of The MX Book of New Sherlock Holmes Stories arrived containing over 60 stories in the true traditional Canonical manner That was the largest collection of new Holmes stories ever assembled and originally planned to be a one time event But readers wanted more and the contributors had more stories from Watson s Tin Dispatch Box so the fun continued Now with the release of Parts XXV XXVI and XXVII the series has grown to nearly 600 new Holmes adventures by almost 200 contributors from around with world Since the beginning all contributor royalties go to the Stepping Stones School for special needs children at Undershaw one of Sir Arthur Conan Doyle s former homes and to date the project has raised over 75 000 for the school As has become the tradition this new collection features Holmes and Watson carrying out their masterful investigations from the early days of their friendship in Baker Street to the post War years during Holmes s retirement Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes described by the estimable Dr Watson as the best and wisest whom I have ever known 59 new traditional Holmes adventures in three simultaneously published volumes The game is afoot All author royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw one of the former homes of Sir Arthur Conan Doyle
