Shining Season The True Story Of John Baker:

A Shining Season William J. Buchanan, 1987 Tells the story of John Baker a runner elementary school teacher and girls track coach who struggled with cancer The Senator and the Sin Eater William J. Buchanan, 2007 Seneca Falls West Virginia is a picturesque town Tucked between the foothills of the Blue Ridge and Allegheny Mountains it lives in the shadow of the Dunning and Munroe families mining moguls who have competed for coal in the region for generations It is a place Joshua Chac n would rather forget The scorned biracial stepson of the Dunning dynasty Chac n has acquired a national reputation and a Pulitzer Prize for his books revealing political skullduggery Drawn back to the hometown he abandoned by news of the mysterious murder of his half brother Senator Stewart Dunning Josh soon becomes entangled in a murder plot thick with the power politics of the ruling families of West Virginia s mining country Any time you pick up a book with Bill Buchanan s name on the cover there is one thing of which you can be certain Colonel Buchanan always deals with his characters kindly and gently The Senator and the Sin Eater his last book before his death provides a perfect example of this It is much more than a murder mystery It is an examination of what sometimes goes wrong in a small friendly town Tony Hillerman from the Foreword Sports on Television Alvin H. Marill, 2008-12-30 Television has always augmented its dramatic and variety programming with sports After covering wrestling and boxing matches for several years ABC added the hugely popular Roller Derby between 1949 and 1951 and later college and pro football Today there is a multitude of pay and cable networks devoted exclusively to baseball football golf hockey tennis ice skating and auto racing Rather than focusing on live sports broadcasts however this book chronicles the history of sports themed comedies and dramas to see how our national fictions have affected our authentic sports experiences and vice versa Sports dominate the television landscape today and still the demand for more is so great that pay and cable networks continue to find funding and success even when devoted exclusively to a single sport But this is really nothing new television has always augmented its dramatic and variety programming with sports Live sports have had a tremendous impact on what we see on television and on how we see it Rather than focusing on live sports broadcasts however this book takes a critical look at sports themed comedies and dramas to see how our authentic sports affect our national fictions as well From the character studies that supplement Olympic coverage to nightly highlight reels to reality programming on ESPN sports both echo and help shape the myths that pervade our culture Sports on Television covers the changing relationship between live sports broadcasts and television dramas as well as the important technological developments and cultural shifts that have changed the way we view the reality of sports In 1949 after covering wrestling and boxing matches for several years ABC added the hugely popular Roller Derby and later moved on to college and pro football where humble beginnings have since developed into a national obsession In the early sixties Jimmy Stewart played a disgraced baseball player in Flashing Spikes which was also one of the rare ventures into television for veteran director John Ford On HBO the Yankees have been the subject of both 61 about Roger Maris s quest to

top Babe Ruth's home run record and *The Bronx Is Burning* about the 1977 Yankees team And there have been sports themed TV sitcoms as well such as *Sports Night* Aaron Sorkin's critically lauded but commercially unsuccessful project which preceded his work on *The West Wing* Meanwhile *American Gladiators* a strange blend of canned programming and authentic athletic endeavor that in effect puts television audiences in an arena with what amounts to professional athletes is quickly becoming one of the most popular shows on primetime Here Marill gives due time to all of these unique projects

The New York Times Index, 1979 **Trickster in the Front Yard** Jim Belshaw, 2009 Over twenty years ago Jim Belshaw compiled some of his newspaper columns for a book called *Semi Native* As he is not a native New Mexican Belshaw's wife who is a native decided he was entitled to that status As Belshaw notes Something about the place New Mexico gets inside of you and the next thing you know you've become a Semi Native I still am Belshaw has been a columnist for the *Albuquerque Journal* for nearly three decades writing about the people who have shared a portion of their lives with him Conversational in tone some humorous and some tragic these columns invite the reader to participate in the discussion For this sequel to *Semi Native* Belshaw returned to the columns he has written since that book appeared selecting his favorites He has arranged the stories into groupings dealing with his adopted state and hometown friends old and young who have passed and people and acquaintances with whom he can still commune
