High-Performing

Self-Managed Work Teams Dale E. Yeatts,Cloyd Hyten,1998 Since the mid 1970s pressure from international competition has forced business in the United States to look for better ways to achieve and maintain a competitive position One popular tool is the self managed work team SMWT This book provides a thorough examination of SMWT both at the level of theory and at the practical level of when to use work teams to find solutions and how to develop successful teams By examining the most widely accepted theories of work team performance illustrated by 10 case studies from the areas of manufacturing public service and health care the authors define how high performing self managed work teams differ from work groups and short term teams the problems which compel an organizati

Managing Teams For Dummies Marty

Brounstein,2011-05-04 In the ever changing world of work the idea of spending some or all of your time working in teams is becoming more and more common From solving problems to tackling projects to providing organizational leadership the roles and importance of teams continue to grow Leading a team is no easy job but when a team gels they can far outperform traditional work groups Managing Teams For Dummies is for anyone who has been asked to take on the role of team leader

This book can help you manage your team whether you're a senior manager or worker who doesn't have supervisory responsibilities but has become the point person on a specific project. **Managing Teams For Dummies** can help you build and lead high performing teams. Packed with tips on setting and reaching goals, resolving conflicts, leading teams through change, and providing team members with the skills to work together productively, this book will help you keep any team you manage focused and efficient. **Managing Teams For Dummies** will also take you beyond the conceptual idea of teams and provide practical advice for developing groups that become winning teams. Describe the type of leadership needed to guide teams successfully and prepare you for challenges that arise. Reveal the three cornerstones model for developing team success and provide how-to strategies to make them happen. Discuss the types of teams that are growing in popularity, namely self-directed teams, project teams, and task teams. Teams make it possible to bring together the variety of skills, perspectives, and talents that you need in the contemporary workplace. With **Managing Teams For Dummies**, you can make sure your team performs to the best of its ability and while trying to achieve its goal.

Coaching Skills for Nonprofit Managers and Leaders Judith Wilson, Michelle Gislason, 2009-11-09 The only nonprofit orientation to coaching skills available. **Coaching Skills for Nonprofit Leaders** will provide nonprofit managers with an understanding of why and how to coach, how to initiate coaching in specific situations, how to make coaching really work, and how to refine coaching for long-term success. **Coaching Skills for Nonprofit Leaders** offers practical steps for coaching leaders to greatness and complements the academic and theoretical work in nonprofit leadership theory. The book can be used by the coaching novice as a thorough topical overview or by those more experienced with coaching as a quick reference or refresher. Based on the Inquiry-Based Coaching approach, **Coaching Skills** will strengthen and expand the reader's ability to drive organization mission while retaining the intrinsic values of the nonprofit culture and working towards outcomes that create a culture of discipline and accountability and empower others to be even more responsible, accountable, and self-motivated. This book uses accessible language, examples, case studies, key questions, and exercises to help. Promote better relationships. Know when to delegate, direct, and coach. Balance directive and supportive styles of leadership for productive partnerships. Overcome fears and deal head-on with difficult situations and conflict. Use coaching for performance improvement and on-the-job development. Support independent thinking and personal reflection. Gain commitment and accountability from others and build teams.
