Making the Best of it Newton Frohlich, 1971 **A Common Sense Practical Guide to Divorce** Lenard Marlow, 2022-01-06 The simple message of this book is that divorcing husbands and wives should not allow divorce lawyers to send them off on a fool s errand that will take what is already a tragedy in their lives and turn it into a nightmare That is when they are persuaded to employ the law as a weapon in a legal tug of war the object of which is simply to get as much as you can and to give as little as you have to Rather they should look to the law as a common framework that they can turn to in their effort to conclude an agreement and thereby get on with their lives There is a name for this It is called divorce mediation and it doesn t take forever or cost a king s ransom **Freeing the Dead Sea Scrolls** Hershel Shanks, 2010-03-08 A world renowned biblical archaeology scholar Hershel Shanks is the Founder and Editor of the Biblical Archaeology Review Once a successful Washington Attorney Shanks changed careers after a trip to the Holy Land and devoted himself to the study of biblical archaeology When the Dead Sea Scrolls 1947 1956 were discovered a complex tale of theft and conspiracy began in the world of biblical archaeology Hershel Shanks a chief protagonist in the story spearheaded a campaign to release the scrolls to the wider scholarly community throughout the 1980s using the Biblical Archaeology Review as a mouthpiece for the cause Later Shanks involvement greatly increased when he published reconstructed fascicles of the secret scrolls amidst much controversy Shanks must be seen as one of the crucial factors that finally brought these vital tools of academic study these Dead Sea Scrolls to the wider world Elsewhere Shanks vigorous defense of the authenticity of the Ossuary which is said to have contained the bones of The Brother of Jesus is explored in one of the book s liveliest chapters **The Single Parent** , 1971 **A Bibliography on Divorce** Stanley Israel, 1974 152 annotated references to English language monographic publications through 1972 about divorce Broadly arranged under legal religious and sociological aspects Intended for laymen and professionals Entries include bibliographical information annotation contents and biographical notes Bibliographies of recent books retrospective American publications and worldwide publications American Book Publishing Record Cumulative, 1950-1977 R.R. Divorce Mediation John M. Haynes, 1981 Divorce mediation offers mental health professionals and lawyers an effective way to help couples dissolve their marriages minimizing the frustration and animosity commonly associated with the adversarial process The rapid growth of divorce mediation centers is evidence of the need for specially trained professionals who can continue working with clients once the decision to divorce is made This handbook will enable clinical psychologists counselors clergy and social workers to expand their practice into this important field Lawyers also will find the book useful in relating to divorce clients and to mediators The author presents a model for helping couples negotiate mutually beneficial separation agreements while coping emotionally with divorce He demonstrates how a mediator helps resolve key issues concerning the division of personal and real property support children and plans for the future He gives step by step guidelines for moving through the mediation process and illustrates this with nine case studies Also included are a discussion of the special problems of children of divorcing couples and appendixes containing a manual for clients and sample separation agreements Jacket **Southern California Law Review** ,1982 **The Publishers Weekly** ,1971 *Nolo's Essential Guide to California Divorce (2013)* Ed Sherman, 2013-05-21 Specific to California this book gives you practical and legal advice in clear simple language that will answer your questions and guide you to a faster smoother less painful and less expensive divorce Shows you how to stay out of court and complete your divorce with little or no help from an attorney How to reduce conflict and avoid court battles divide property fairly without a fight deal with spousal support deal with child support custody and visitation draft a settlement agreement Show more Show less [Family Law Mediation and Settlement](#) Ira H.
