Malpractice In Psychotherapy:

Malpractice in Psychotherapy Barry R. Furrow,1980

Confronting Malpractice Kenneth M. Austin,Mary E.

Moline,George T. Williams,1990-10 This compendium gives comprehensive information on current laws and policies affecting mental health professionals in the US Areas of malpractice are examined and associated legal cases reviewed The authors discuss the implications of the cases and the recommendations that have been proposed as a result of them they conclude with their own recommendations on how to avoid malpractice charges

Malpractice in Psychology David L.

Shapiro,Steven R. Smith,2011 Many mental health practitioners fear malpractice suits Besides obtaining the appropriate insurance clinicians should understand the risks of lawsuits and implement risk management strategies to avoid unfounded malpractice claims and decrease the likelihood of being sued successfully With combined expertise in psychotherapy and law Shapiro and Smith expertly navigate you through the unfamiliar territories of professional liability negligence informed consent privacy and confidentiality HIPAA defamation violence and suicide and trials and settlements Through its illustrative case examples and up to date discussion of law and ethics this book will help you enrich and protect your professional practice

The Malpractice of Psychiatrists Donald J. Dawidoff,1973

Legal Issues in Social Work, Counseling, and

Mental Health Robert G. Madden,1998 As a psychotherapist what do you need to know about the law How does the legal system support or fail to support your work or the delivery of mental health services generally What can you do to make use of the law and the legal system to improve your practice and to protect yourself Filling a significant gap in the social work and other psychotherapeutic literature Legal Issues in Social Work Counseling and Mental Health presents clearly and comprehensively what mental health and other direct practice professionals need to know to respond to the legal issues that surround practice This volume covers a wide range of topics including providing testimony responding to subpoenas dealing with an attorney influencing the legal system and understanding the legal side of the business of psychotherapy The author also discusses various direct practice and human service issues incorporating some of the everyday legal issues these professionals encounter and using case material The book educates counselors and clinicians on the function of the law in their professional lives Through cases and case vignettes the author illustrates the legal processes relevant to clinicians professional lives and suggests alternative behaviors for clinicians that would satisfy legal requirements yet remain within sound practice Helping to demystify the legal system Legal Issues in Social Work Counseling and Mental Health will allow professionals and students in social work human services family studies counseling clinical psychology pastoral counseling and psychotherapy a better understanding of the law

Clinical Handbook of Psychiatry & the Law Paul S.

Appelbaum,Thomas G. Gutheil,2007 Thoroughly updated for its Fourth Edition this award winning handbook gives mental health professionals authoritative guidance on how the law affects their clinical practice Each chapter presents case examples of legal issues that arise in practice clearly explains the governing legal rules their rationale and their clinical

impact and offers concrete action guides to navigating clinico legal dilemmas This edition addresses crucial recent developments including new federal rules protecting patients privacy regulations minimizing use of seclusion and restraint liability risks associated with newer psychiatric medications malpractice risks in forensic psychiatry and new structured assessment tools for violence risk suicidality and decisional capacity

A Clinician's Guide to Legal Issues in Psychotherapy William H. Reid,1999 This is a no nonsense guide to how mental health practitioners can lower the legal risks and avoid the common pitfalls of contemporary practice Written specifically for nonphysician practitioners this book explains common forensic issues and standards as they apply to mental health professionals and it helps clarify risk benefit questions involved in mental health care delivery

The Business of Psychotherapy Robert L. Barker,1982-09-22 The Business of Psychotherapy

Law, Behavior, and Mental Health Steven R. Smith,Robert Meyer,1988-12 This comprehensive new volume on psychology and the law is an essential reference for students and professionals It offers the most up to date information on issues such as malpractice confidentiality jury selection punishment competency and the right to refuse treatment Two well known professionals a lawyer and a clinical psychologist have teamed up to write this judiciously balanced clearly presented and accessible guide to an ever more complex subject they answer such questions as What does a lie detector test really tell you Can law enforcement officials use hypnosis to investigate a crime Is eyewitness testimony the most reliable and persuasive evidence Are we living in a more punitive society These and other issues are dealt with in a concise readable manner one that tells readers how to approach the problems with arise in day today practice as well as how to think about the fundamental current ethical and legal issues Meticulously researched and documented this important new volume offers a lively presentation one which is must reading for students of law and for professionals in both fields who want a complete reference guide

Ethical Issues in the Psychotherapies Martin Lakin,1988-02-11 Mental health professionals face many complex questions in the course of their work with clients and patients Among the most difficult are dilemmas that involve ethical issues This book presents a forthright exploration of these dilemmas and the ethical considerations they raise Drawing on extensive interviews the author identifies common ethical problems that practitioners encounter What happens for example when personal interests intrude into therapy How can the therapist make an accurate assessment of his or her appropriateness as a care provider for a particular patient What about confidentiality How are problematic financial arrangements best addressed The author goes on to show how these dilemmas may be intensified by the unique assumptions of different therapeutic orientations individual group family marital and organizational and how professionals can learn from such experiences to better understand and apply their particular approach This analysis and the words of the therapists themselves provide both a guide to practice and a unique store of experience for the growing number of researchers and students concerned with ethical problems in psychotherapy

Fifty Ways to Avoid Malpractice Robert Henley Woody,1988

TABLE OF CONTENTS 1 The Escalation of Professional Liability 2 Mental Health Professionals in

Society 3 Negligence and Standard of Care 4 Professional Self Concept 5 Company that You Keep 6 Framing a Clinical Practice 7 Client Management 8 Healthy Defensiveness Ethics in Psychotherapy and Counseling Kenneth S. Pope, Melba J. Vasquez, 2007-03-09 Praise for Ethics in Psychotherapy and Counseling Third Edition This is absolutely the best text on professional ethics around This is a refreshingly open and inviting text that has become a classic in the field Derald Wing Sue professor of psychology Teachers College Columbia University I love this book And so will therapists supervisors and trainees In fact it really should be required reading for every mental health professional and aspiring professional And it is a fun read to boot Stephen J Ceci H L Carr Professor of Psychology Cornell University Pope and Vasquez have done it again an indispensable resource for seasoned professionals and students alike Beverly Greene professor of psychology St John s University The third edition focuses on how to think about ethical dilemmas with empathy for the decision maker whose best option may have to be a compromise between different values If there is only room on the shelf for one book in the genre this is it Patrick O Neill former president Canadian Psychological Association This third edition of the classic ethics text provides invaluable resources and enables readers to engage in critical thinking in order to make their own decisions This superb reference belongs in every psychology training program s curriculum and on every psychologist s bookshelf Lillian Comas Diaz 2006 president APA Division of Psychologists in Independent Practice Ken Pope and Melba Vasquez are right on target once again in the third edition a book that every practicing mental health professional should read and have in their reference library Jeffrey N Younggren risk management consultant American Psychological Association Insurance Trust Without a doubt this is the definitive book on ethics within psychology that can inform students educators clinical researchers and practitioners Nadine J Kaslow professor Department of Psychiatry and Behavioral Science Emory University School of Medicine This stunningly good book should be on every therapist s desk for quick reference David Barlow professor of psychology and psychiatry Boston University **Legal Issues in Counselling & Psychotherapy** Peter Jenkins, 2002-12-26 Peter Jenkins is a Lecturer in Counselling at the University of Manchester and a member of the Professional Conduct Committee of the British Association for Counselling and Psychotherapy He is author of three books on the law and counselling including Counselling Psychotherapy and the Law London SAGE 1997 Providing much needed advice and reference this book examines the rapidly growing range of situations in which therapists find themselves in contact with the law The book covers the current legal context of therapeutic work and specific implications for therapists in relation to working with survivors of sexual abuse false memory and the implications of the Human Rights Act The book also examines the implications of professional regulation Counselling, Psychotherapy and the Law Peter Jenkins, 2007-08-01 Jenkins book makes the law relevant understandable and manageable to counsellors and psychotherapists It makes clear reassuring and essential reading for therapists in training as well as those in practice All counsellors and psychotherapists need to be up to speed with the law and with how it relates to their work This book is more than timely with the impending introduction

of regulation and the fact that increasingly the work of counsellors and psychotherapists is being subjected to legal scrutiny Healthcare Counselling and Psychotherapy Journal Counselling Psychotherapy and the Law is the long awaited Second Edition of Peter Jenkins comprehensive introduction to legal issues in relation to counselling and psychotherapy in the UK This text has been fully updated to include coverage of the key developments in the law that have had major impact on therapists practice with regard to data protection and the management of confidentiality The book breaks new ground by exploring in detail the relationship of ethics to the law and providing a framework for relating the BACP Ethical Framework to legal decision making Key features of this new edition include extensive use of case studies These bring legal examples to life and give a human dimension to powerful ethical dilemmas such as seeking agreement to end medical treatment or client s gaining access to their own confidential records key points which provide quick summaries of complex material and reference guides for professional practice the multiple points of crossover and intersection of law and therapy These are identified and explored ranging from the use of narrative theory to the provision of pre trial therapy for abused children to the role of the therapist as expert witness This new edition provides clarity and reassurance for practitioners at all levels about the exact nature of their responsibilities and how these can best be managed in order to enable them to comply with the law and focus on their therapeutic work with clients Counselling Psychotherapy and the Law Second Edition provides an essential source of reference in a single volume making a fascinating and complex topic understandable and bringing it to life Peter Jenkins formerly a member of the BACP Professional Conduct Committee and currently a member of the Ethics Committee of the UKCP has been described by Counselling at Work as probably the foremost authority on legal issues in counselling He is Co Director of the Counselling and Psychotherapy Directorate at the University of Salford More reviews Despite requiring real concentration this is an essential read for counsellors and psychotherapists irrespective of background and theoretical orientation Trainers supervisors and agency coordinators especially would benefit from the up to date material contained here Therapy Today Peter Jenkins has consulted widely over the content of this book both within the psychological therapies field and with legal eagles His use of clear flow diagrams and comparison boxes enable the reader to identify the similarities and differences between professional and moral ethical debates It is a thoroughly researched and accessible text Association for University and College Counselling Journal a comprehensive overview of a rapidly evolving field This book represents a helpful addition to practitioners bookshelves as a reference work but also a beneficial read to stimulate thoughtful responses to practical dilemmas It provides a good support to both therapeutic and supervision practices across the spectrum of experience and theoretical models The Psychotherapist **Medical Malpractice --**
Psychiatric Care Joseph T. Smith,1995 This comprehensive guide covers the standards of care in psychiatry The psychiatrist patient relationship informed consent And The duties owed the patient Using case analysis The author details the actions that constitute a breach of the standards of care and why parameters on these standards have proven hard to establish

Malpractice of Psychotherapists Paul E. Mason, 1976 *Psychiatry in Law / Law in Psychiatry, Second Edition* Ralph Slovenko, 2009-03-03 Psychiatry in Law Law in Psychiatry 2nd Edition is a sweeping up to date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry Unmatched in breadth and coverage and thoroughly updated from the first edition this comprehensive text and reference is an essential resource for psychiatry residents law students and practitioners alike **Complaints and Grievances in Psychotherapy** Fiona Palmer Barnes, 1998 This up to date and comprehensive handbook guides the reader step by step through all aspects of complaints and grievance management Includes useful addresses current codes of ethics from the major organizations protocols and sample letters **American Journal of Psychotherapy** , 1947 **Clinical Psychiatry and the Law** Robert I. Simon, 2003-07-01 Updates to this edition Clinical and legal issues in the use of clozapine in treatment of schizophrenia Clinical information and new cases involving tardive dyskinesia Changes in civil and criminal law regarding right to refuse treatment An update of clinical guidelines and legal regulations of ECT An update on suicide risk assessment and new legal cases involving suicide An update on violence risk assessment and new legal cases involving the duty to protect endangered third parties New statutes and criminal sanctions regarding sexual misconduct New statutes limiting the liability of therapists toward third parties who are injured or killed by patients Changes in the relationship between psychiatrists and nonmedical therapists Regulatory developments regarding physician impairment Numerous tables and an updated glossary of legal terms New section on common terms and abbreviations in legal citations
