Man In The Sycamore Tree The Good Life And Hard Times Of Thomas Merton:

Thomas Merton and James Laughlin Thomas Merton, James Laughlin, 1997 Cloistered in a remote Kentucky monastery Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin *The Man in the Sycamore Tree*, 1972 The Catholic Counterculture in America, 1933-1962 James Terence Fisher, 2001-02-01 James Fisher argues that Catholic culture was transformed when products of the immigrant church largely inspired by converts like Dorothy Day launched a variety of spiritual communitarian and literary experiments He also explores the life and works **Thomas Merton—Evil and Why We Suffer** David E. Orber, 2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life's biggest questions how can we find God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton's prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton's work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton's approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton's immersion in Zen during this time contributed most to that change **The Letters of Robert Giroux and Thomas Merton** Patrick Samway S.J., 2015-08-27 From the time they first met as undergraduates at Columbia College in New York City in the mid 1930s the noted editor Robert Giroux 1914 2008 and the Trappist monk and writer Thomas Merton 1915 1968 became friends The Letters of Robert Giroux and Thomas Merton capture their personal and professional relationship extending from the time of the publication of Merton's 1948 best selling spiritual autobiography *The Seven Storey Mountain* until a few months before Merton's untimely death in December 1968 As editor in chief at Harcourt Brace Company and then at Farrar Straus Giroux Giroux not only edited twenty six of Merton's books but served as an adviser to Merton as he dealt with unexpected problems with his religious superiors at the Abbey of Our Lady of Gethsemani in Kentucky as well as those in France and Italy These letters arranged chronologically offer invaluable insights into the publishing process that brought some of Merton's most important writings to his readers Patrick Samway S J had unparalleled access not only to the materials assembled here but to Giroux's unpublished talks about Merton which he uses to his advantage especially in his beautifully crafted introduction that interweaves the stories of both men with a chronicle of their personal and collaborative relationship The result is a rich and rewarding volume which shows how Giroux helped Merton to become one of the greatest spiritual writers of the twentieth century **Man of Dialogue** Gregory K. Hillis, 2021-11-15 How Catholic was Thomas Merton Since his death in 1968 Merton's Catholic identity has been regularly questioned both by those who doubt the

authenticity of his Catholicism given his commitment to ecumenical and interreligious dialogue and by those who admire Merton as a thinker but see him as an aberration who rebelled against his Catholicism to articulate ideas that went against the church In this book Gregory K Hillis illustrates that Merton's thought was intertwined with his identity as a Catholic priest and emerged out of a thorough immersion in the church's liturgical theological and spiritual tradition In addition to providing a substantive introduction to Merton's life and thought this book illustrates that Merton was fundamentally shaped by his identity as a Roman Catholic

Thomas Merton and the New World Paul R. Dekar, 2023-01-01 Merton still matters writes Paul R Dekar about Cistercian monk Thomas Merton Calling people to act justly love kindness and walk humbly Merton used his contemplative practice to see beyond what disrupts and divides us from one another to find the truth of our common humanity unity in our creation in the image of God In *Thomas Merton and the New World* Dekar focuses primarily on two issues of concern to our current world First he studies Merton's warnings of the abuse that stems from unmindful and irresponsible use of technology and its ecological devastation Second he examines Merton's thinking on racial injustice in the mid 1960s through his correspondence with his allies and contemporaries James Baldwin for example Using Micah 6:8 to arrange Merton's focus on justice lovingkindness and humility with input from Merton's dialogue with Gandhi Martin Luther King Rachel Carson and others Dekar demonstrates just how prophetic and transferable Merton's teachings remain

Heretic Blood Michael W. Higgins, 2016-10-31 Thirty years after his death we are finally catching up to Thomas Merton as one of the greatest spiritual figures of the twentieth century The genius and spirituality of this unusual man could not be contained in his life as a monk but spilled over richly into his life and work as a poet critic rebel sage and even artist and photographer Merton was aware that he had heretic blood within him and it soon became apparent to the world The balding French English intellectual living as a Trappist monk at Our Lady of Gethsemani Abbey in Kentucky took a vow of silence yet corresponded with and befriended such luminaries as Joan Baez Jacques Maritain John Howard Griffin Martin Luther King Jr Erich Fromm and Boris Pasternak His famous autobiography *The Seven Storey Mountain* captured the imagination of a generation selling more than six hundred thousand copies in its first year Merton also took a vow of obedience yet feuded constantly with his second abbot As a monk he promised to remain celibate yet he found himself passionately in love with a nurse he met while in hospital in Louisville Kentucky And at the end of his life Merton a monk within the western Roman Catholic tradition was moving closer and closer to Eastern spirituality This brilliant new book is the first to use recently released diary entries and correspondence by Merton and includes new insights about the recently published diary of his episode of the heart Higgins compares Merton with William Blake the monk's intellectual and spiritual hero and comes to startling conclusions about the emotional and intellectual passions that drove Thomas Merton a man and thinker for all seasons

Born in 1915 in France to artists, an American mother with Quaker roots from New York and a New Zealand born father, Thomas Merton would become one of the twentieth century's most influential spiritual leaders. Baptized as a Catholic at age twenty-six, he joined a Trappist monastery near Louisville a year later. From that point on, his spiritual side exploded into a tsunami of directions: Eastern Orthodoxy, Judaism, Islam, Taoism, Buddhism, Hinduism, and more. At age thirty-three, he became a best-selling author, beginning with his autobiography *The Seven Storey Mountain*. He corresponded with Nobel Prize laureates and other literary and political luminaries. His public opposition to the Vietnam War assured his worldwide celebrity. In late 1968, at the peak of his popularity, Merton died in Thailand after addressing a conference of Western Christian monks and nurses stationed in Asia. For decades, it was thought that, wet from a shower, he was electrocuted by a faulty standing fan. But for a growing number of his admirers, there were dark suspicions that he might well have been assassinated by those who feared his antiwar message. In 2013, the author and his wife Sharon retraced Merton's last days in Thailand. This book tells what they learned.

The Man in the Sycamore Tree Edward Rice, 1979. *Christian Conversion* Walter E. Conn, 2006-07-01. Walter Conn has provided us with something we have needed for a long time: a scholarly study of Christian conversion that draws synthetically from present-day psychology, philosophy, and theology and uses these insights to analyze actual Christian religious experience. And in doing that, Conn has produced what is probably the best treatment to date of foundational moral theology. To follow Conn through the pages of this volume is to become acquainted with most of today's important reflection on human moral and personal development. But one emerges with much more than relevant information about what is being said: Conn's own view of conversion goes beyond the thinkers from whom he draws and provides a basic challenge to and enrichment of our understanding of faith and morality.

Bernard Cooke, Holy Cross College. Walter E. Conn is Professor of Theology and Religious Studies at Villanova University. He is also the editor of *Horizons*, journal of the College Theology Society.

The Solitary Explorer Elena Malits CSC, 2014-09-17 The Solitary Explorer responsibly and critically explores Thomas Merton's lifelong spiritual development as reflected in his religious and secular writings and delineates the meaning of his life and work for contemporary readers It provides an interpretive chronology of Merton's writings and unravels the intertwining threads of self realization and widening intellectual interests evidenced in the material he produced between his early autobiography and the controversial work of his later years Elena Malits shows Merton as writer as monk as social critic as seeker of wisdom in the East as man of prayer and as one continually on a journey into the unknown Merton always held that the quest for God is a continuing one The Solitary Explorer traces the progress of this quest in Merton's life and literary works to reveal a multifaceted spiritual guide who offers an approach to the divine at once reassuringly traditional and refreshingly contemporary
