Man And Wife A Novel:

Man and Wife Wilkie Collins,1899 **Man and Wife** Wilkie Collins,1998-10-01 This time the fiction is founded upon facts stated Wilkie Collins in his Preface to *Man and Wife* 1870 Many Victorian writers responded to contemporary debates on the rights and the legal status of women and here Collins questions the deeply inequitable marriage laws of his day *Man and Wife* examines the plight of a woman who promised marriage by one man comes to believe that she may inadvertently have gone through a form of marriage with his friend as recognized by the archaic laws of Scotland and Ireland From this starting point Collins develops a radical critique of the values and conventions of Victorian society Collins had already developed a reputation as the master of the sensation novel and *Man and Wife* is as fast moving and unpredictable as *The Moonstone* and *The Woman in White* During the novel the atmosphere grows increasingly sinister as the setting moves from a country house to a London suburb and a world of confinement plotting and murder ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Man and Wife : a Novel. In Three Volumes* ,1870 **Man and Wife** Wilkie Collins,1800 **Man and Wife** Wilkie Collins,2012-12 This early work by Wilkie Collins was originally published in 1870 Born in Marylebone London in 1824 Collins family enrolled him at the Maida Hill Academy in 1835 but then took him to France and Italy with them between 1836 and 1838 Returning to England Collins attended Cole's boarding school and completed his education in 1841 after which he was apprenticed to the tea merchants Antrobus Co in the Strand In 1846 Collins became a law student at Lincoln's Inn and was called to the bar in 1851 although he never practiced It was in 1848 a year after the death of his father that he published his first book *The Memoirs of the Life of William Collins Esq R A* to good reviews The 1860s saw Collins creative high point and it was during this decade that he achieved fame and critical acclaim with his four major novels *The Woman in White* 1860 *No Name* 1862 *Armada* 1866 and *The Moonstone* 1868 *The Moonstone* meanwhile is seen by many as the first true detective novel T S Eliot called it the first the longest and the best of modern English detective novels in a genre invented by Collins and not by Poe Many of the earliest books particularly those dating back to the 1900's and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions **Man and Wife, a Novel, by Wilkie Collins ...** Wilkie Collins,1870 *Man and Wife* Wilkie Collins,2018-11-11 *Man and Wife* was Wilkie Collins ninth published novel It is the second of his novels after *No Name* in which social questions provide the main impetus of the plot Collins increasingly used his novels to explore social abuses which according to critics tends to detract from their qualities as fiction The social issue which drives the plot is the state of Scots marriage law at the time the novel was written any couple who were legally entitled to marry and who asserted that

they were married before witnesses or in writing were regarded in Scotland as being married in law The novel has a complex plot common in Collins work 3 In a Prologue a selfish and ambitious man casts off his wife in order to marry a wealthier and better connected woman by taking advantage of a loophole in the marriage laws of Ireland The initial action takes place in the widowed Lady Lundie s house in Scotland Geoffrey Delamayn has promised marriage to his lover Anne Silvester governess to Lady Lundie s stepdaughter Blanche who has incurred the enmity of her employer The spendthrift Geoffrey is about to be disinherited and wishes to escape from his promise and marry a wealthy wife Nevertheless he is obliged to arrange a rendezvous with Anne in the character of his wife at an inn and documents this in an exchange of notes with her Subsequently urgent matters force him to send his friend Arnold Brinkworth Blanche s fianc to Anne in his place To gain access to her Arnold must ask for his wife Although nothing improper passes between them they appear to the landlady and to Bishopriggs a waiter to be man and wife Thus both Geoffrey and Arnold might be deemed to be married to Anne depending on the weight put on the spoken and written evidence Most of the novel concerns Anne s Geoffrey s and Arnold s attempts to clarify their marital status

Husband and Wife Zeruya Shalev,2019-04-24 From the Israeli author of Love Life a highly polished and beautifully written story that carries great weights of meaning Kirkus Reviews Zeruya Shalev achieved international literary stardom with her novel Love Life which The Washington Post Book World called a brutally honest and often brilliant tour of individual and family psychology In Husband and Wife she takes us into the heartbreak and compromise of a diseased marriage that may or may not be capable of healing Na ama and Udi Newman together with their young daughter Noga lead a quiet domestic life But their idyll abruptly ends when Udi a perfectly healthy man wakes up one morning unable to move his legs The doctors can find no physical explanation for his paralysis It appears to be a symptom not of illness but of something far more insidious This mysterious disruption soon reveals a vicious cycle of jealousy paranoia resentment and accumulated injuries that now threaten to tear their small family apart In a rush of hallucinogenic imagery Husband and Wife captures the vulnerability and deceptive comforts of lives intertwined offering an acutely intimate portrait of a relationship Donna Rifkind The Baltimore Sun Nearly impossible to look away from Elle

Man and Wife Wilkie Collins,2021-05 Man and Wife 1870 was one of the novels in which Wilkie Collins undertook to expose social injustice in this case the absurdities which existed in British marriage laws It was his ninth published novel As someone who had briefly studied law himself Collins took a keen interest in legal matters particularly how they applied to domestic life He himself never married even though he maintained two separate families who lived quite close to each other in London s fashionable West End The novel explores both the social and legal problems which arise from bad law and the cruelties inflicted on women trapped in abusive marriages
