JA Andrews, 2020-04-01  
Amazing! I was absolutely blown away. Twists and turns and so much suspense. Reader Review: No one can love a son like his mother. Patricia Mullner is trapped in a nightmare; no parent should ever experience this. Three years ago, 17-year-old son Andrew vanished without trace. There was no note, no goodbye, and no body has ever been found, and now her days are spent in a fog of heartache and alcohol, crying to husband Thomas about their lost boy. But Patricia is more than just a grieving mother, and as Andrew's disappearance starts to unravel the perfect family she's built with Thomas, it seems that the actions of her past may be back to haunt her. Because someone is watching from the shadows, someone who knows exactly what Patricia is hiding. Someone who will stop at nothing to take revenge and might just hold the key to Andrew's disappearance. An absolutely gripping psychological thriller with a shocking twist in the tale. Readers of *My Lovely Wife* by KL Slater and *B A Paris* will not be able to put this one down. Readers can't get enough of *Mummy's Boy*. Wow! Started and finished this in several hours as it was such a compelling storyline. Fantastic storyline, loved the ending. Highly recommended. WOW! JA Andrews has an incredible gift of writing psychological thrillers. I was just blown away by everything in this book and need to read more by this author. Needless to say, I am an instant huge fan. Reader Review: An excellent book with twist after twist. Gripping from the start and I loved the ending. Reader Review: Amazing! This is my first from JA Andrews, and I was absolutely blown away. Reader Review: A dark psychological thriller that should be read by anyone that loves this genre. Given the chance, pick up this book and read it. I can guarantee you will love it. Reader Review: It's brilliant. It is well written with a good plot, and the characters are credible with plenty of twists and turns. Reader Review: I have absolutely adored this book. I haven't been able to put it down. I have been kept on the edge of my seat. Reader Review: I was hooked. I read this book in one sitting and finally turned the last page in the wee hours. This read had me sat on the edge of my seat, got my heart racing, and at times chills. A tale of how a mind can unravel, and I had a front row seat. A MUST READ and so highly recommended. Reader Review: It's a dark and tense read of which the author had no problem pulling me into the story and keeping me there. There are some nice little twists that give the reader bursts of adrenaline rushes as they take them in. Highly recommended. Me, My Mother, My Life Ayomide Adeniola, 2012 Me My Mother My life is a poetic journey through the trials of a young woman who longed to break free of the burden of an oppressive family legacy Beautifully narrated the author unblinkingly examines her life experiences telling her story in a way that only one who has deeply experienced life love and God could portray Born in London to Nigerian parents Ayomide spent her childhood and young adulthood in the country of her parent s origin where life for this young British girl was to be grabbed by both hands with spirit good humour and great resolve When she returned to England her faith in God led her on an odyssey to heal the generational issues with which she had long been faced Beyond its value as a beautifully constructed and gripping memoir this book leads the readers into their own private journey of reflection on their personal relationships containing the wisdom of emotional and spiritual healing as well as personal growth Not for the faint hearted Me My Mother My Life will deepen your understanding of life love and the value of forgiveness A well written personal tale of a woman s trials of the spirit and her passage to healing Kirkus Adeniola writes well and is a sensitive observer the trajectory of her life from her student days in Nigeria to her professional life in England is genuinely interesting Her writing is informed by her Christian faith but not in a way that puts off more secular readers BlueInk Culture clash meets generation gap in this memoir by Ayomide Adeniola Adeniola s memoir remains compelling because of the strong family bond that comes through no matter how contentious the conversation With Me My Mother My Life Adeniola uncovers the basic truth of many family arguments we wouldn t fight so much if we didn t care so deeply ForeWord Clarion
