Ladies of Magna Carta

Sharon Bennett Connolly, 2020-05-30 An innovative take on Magna Carta history that examines the impact and influence of women 39 No man shall be taken imprisoned outlawed banished or in any way destroyed nor will we proceed against or prosecute him except by the lawful judgment of his peers or by the law of the land This clause in Magna Carta was in response to the appalling imprisonment and starvation of Matilda de Braose the wife of one of King John's barons Matilda was not the only woman who influenced or was influenced by the 1215 Charter of Liberties now known as Magna Carta

Women from many of the great families of England were affected by the far reaching legacy of Magna Carta from their experiences in the civil war and as hostages to calling on its use to protect their property and rights as widows Ladies of Magna Carta looks into the relationships through marriage and blood of the various noble families and how they were affected by the Barons Wars Magna Carta and its aftermath the bonds that were formed and those that were broken Including the royal families of England and Scotland the Marshals the Warennes the Braoses and more Ladies of Magna Carta focuses on the roles played by the women of the great families whose influences and experiences have reached far beyond the thirteenth century

Matilda Roald Dahl, 2020-10-13 The classic story from Roald Dahl about an exceptional young girl with extraordinary powers Adapted into a Tony Award winning Broadway musical and a Netflix film Matilda is a sweet exceptional young girl but her parents think she's just a nuisance She expects school to be different but there she has to face Miss Trunchbull a menacing kid hating headmistress When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it Here is Roald Dahl's original novel of a little girl with extraordinary powers This much loved story has recently been made into a wonderful new musical adapted by Dennis Kelly with music and lyrics by Tim Minchin *The Gambler's Fallacy* Philip Hennings, 2023-10-14 In *The Gambler's Fallacy* the author utilizes deep symbolism to reflect on today's society While partaking in a tradition with her friends Matilda uncovers a dark reality that she hopes is just a delusion As she scours her memories she uncovers her own truth A truth nobody would like to know but cannot avoid

The Arapaho Way Sara Wiles, 2019-10-31 The sun the moon the seasons our Arapaho way of life writes foreworder Jordan Dresser When you look around you see circles everywhere And that includes the lens Sara Wiles uses to capture these intimate moments of our Arapaho journeys In *The Arapaho Way* Wiles returns to Wyoming's Wind River Indian Reservation whose people she so gracefully portrayed in words and photographs in *Arapaho Journeys* 2011 She continues her journey of discovery here photographing the lives of contemporary Northern Arapaho people and listening to their stories that map the many roads to being Arapaho In more than 100 pictures taken over the course of thirty five years and Wiles's accompanying essays the history of individuals and their culture unfold revealing a continuity as well as breaks in the circle

Mixing traditional ways with new ideas Catholicism ranching cowboying school learning activism quilting beadwork teaching family life the people of Wind River open a rich world to Wiles and her readers These are people like Helen Cedartree who artfully combines Arapaho ways with the teaching of the mission boarding schools she once attended like the Underwood family who live off the land as gardeners and farmers and value family and hard work above everything and like Ryan Gambler and Fred Armajo whose love of horses and ranching keep them close to home And there are others who have ventured into the non Indian world people like James Large who brings home tenets of Indian activism learned in Denver There are also inevitably visions of violence and loss as The Arapaho Way depicts the full life of the Wind River Indian Reservation from the traditional wisdom of the elder to the most forward looking youth from the outer reaches of an ancient culture to the last minute challenges of an ever changing world

Allen,1872 Lincoln Before Washington Douglas L. Wilson,1997 The provocative selections in this book address topics as disparate as William H Herndon s informants Lincoln s favorite poem his mysterious broken engagement the text of his debates with Douglas and a previously unknown assault on Peter Cartwright Although Abraham Lincoln s early years have come to be regarded as the wrong end of his life Douglas L Wilson s original and pathbreaking work makes the case that his prepresidential years offer bright prospects for investigation Collectively these essays challenge the general view of Lincoln scholars that William H Herndon Lincoln s law partner is an unreliable source They also provide a fresh look at some of the affinities between Lincoln and Thomas Jefferson Jacket **A Complex Exile** Erin Dej,2020-11-15 Over 235 000 people couch surf stay in emergency shelters or live on the street in Canada every year But lack of housing security is just one barrier faced by people who are homeless As *A Complex Exile* shows the homelessness sector inadvertently reinforces social exclusion as well The very policies practices and funding

models that exist to house the homeless promote social inclusion and provide mental health care form a homelessness industrial complex These practices emphasize personal responsibility and individualized responses that ultimately serve to exclude people in subtle and not so subtle ways Erin DeJ demonstrates that the causes of and responses to homelessness have become largely medicalized limiting discussion on structural and systemic drivers such as income inequality discrimination and housing affordability A Complex Exile goes beyond bio medical and psychological perspectives on homelessness mental illness and addiction to call for a transformation in how we respond to homelessness in Canada
