*The Nabis and Intimate Modernism* KatherineM. Kuenzli, 2017-07-05 Providing a fresh perspective on an important but underappreciated group of late nineteenth century French painters this is the first book to provide an in depth account of the Nabis practice of the decorative and its significance for twentieth century modernism Over the course of the ten years that define the Nabi movement 1890 1900 its principal artists included Edouard Vuillard Pierre Bonnard Maurice Denis Paul Sier and Paul Ranson The author reconstructs the Nabis relationship to Impressionism mass culture literary Symbolism Art Nouveau Wagnerianism and a revolutionary artistic tradition in order to show how their painterly practice emerges out of the pressing questions defining modernism around 1900 She shows that the Nabis were engaged nonetheless with issues that are always at stake in accounts of nineteenth century modernist painting issues such as the relationship of high and low art of individual sensibility and collective identity of the public and private spheres *The Nabis and Intimate Modernism* is a rigorous study of the intellectual and artistic endeavors that inform the Nabis decorative domestic paintings in the 1890s and argues for their centrality to painterly modernism The book ends up not only re

positioning the Nabis to occupy a crucial place in modernism's development from 1860 to 1914 but also challenges that narrative to place more emphasis on notions of decoration, totality and interiority **Philadelphia** John Lukacs, 2017-07-05

An unorthodox historian known and respected for his work on the grand conflicts of nations and civilizations John Lukacs has peopled a smaller canvas in this volume with seven colourful figures who flourished in Philadelphia before 1950 Their stories are framed by chapters that describe the city in 1900 and in 1950 The Philadelphians selected are a political boss Boies Penrose a magazine mogul Edward Bok an elegant writer Agnes Repplier an impetuous diplomat William C Bullitt a lawyer George Wharton Pepper a prophet of decline Owen Wister and a great art collector Albert C Barnes The political boss was perhaps the most monumental political figure of his age The magazine mogul was the most famous embodiment of the American success story during his lifetime The now almost forgotten writer was the Jane Austen of the essay The diplomat was the most brilliant of ambassadors The terrible tempered collector was a radical proponent of his unusual theory of art Through these seven portraits Lukacs paints a picture of Philadelphia that is like all living things having the power to change out of recognition and yet remain the same This work is a must read for all historians and Philadelphians Popular Modernism and Its Legacies Scott Ortolano, 2017-12-14

Popular Modernism and Its Legacies reconfigures modernist studies to investigate how modernist concepts figures and aesthetics continue to play essential though often undetected roles across an array of contemporary works genres and mediums Featuring both established and emerging scholars each of the book's three sections offers a distinct perspective on popular modernism The first section considers popular modernism in periods historically associated with the movement discovering hidden connections between traditional forms of modernist literature and popular culture The second section traces modernist genealogies from the past to the contemporary era ultimately revealing that immensely popular contemporary works artists and genres continue to engage and thereby renew modernist aesthetics and values The final section moves into the 21st century discovering how popular works invoke modernist techniques texts and artists to explore social and existential quandaries in the contemporary world Concluding with an afterword from noted scholar Faye Hammill Popular Modernism and Its Legacies reshapes the study of modernism and provides new perspectives on important works at the center of our cultural imagination *The Invisible Masterpiece* Hans Belting, 2001-09

The invisible masterpiece then is an unattainable ideal an ideal that has both bewitched and bewildered artists The Invisible Masterpiece is an unusual reconstruction of the history of the work of art since 1800 in which Hans Belting explores and explains the dreams and fears the triumphs and failures of modernity's painters and sculptors **BOOK JACKET** *The Joy of Life* Margaret Werth, 2002-11-05

Werth weaves together complex analyses of these paintings and others by Manet Gauguin Seurat Cezanne and less well known artists with a consideration of their critical reception literary parallels and the social and cultural milieu She moves from artistic concerns with tradition and avant gardism decoration and social art composition and figuration to contemporary debates over human origins and social organization **BOOK JACKET**

Modernism on Stage Juliet Bellow, 2013 Modernism on Stage restores the Ballets Russes to its central role in the Parisian art world of the 1910s and 1920s and includes close readings of ballets designed by Picasso Delaunay Matisse and de Chirico Dance is brought to bear upon modernist art history as more than a source of imagery but as part of the avant garde's articulation of the idea of a total work of art

**The Art Market and the Museum** Frances Fowle, MaryKate Cleary, 2025-04-03 This book considers how art market stakeholders including art dealers collectors and agents have shaped museum collections and affected exhibition practices since the mid nineteenth century Based on new archival research and data analysis it explores the role of dealers not only in selling directly to museums but in influencing museum collecting priorities as well as potential donors It also examines the important but hitherto overlooked contribution of the female curator agent The book is divided into three sections which address the relationship between art dealers and museums women as art agents and influencers and the strategies of entrepreneurial collectors Featuring contributions from a wide range of international specialists in the market for decorative arts and antiquities as well as European modernism The Art Market and the Museum explores the origins and development of the modern Western art market and the global art networks that operated not only in Paris London and New York but in cities such as Glasgow Vienna Melbourne and Kansas City It is perfect reading for scholars and researchers on the history of the art market museum studies and art history more broadly

**Russian and Soviet Views of Modern Western Art** Ilia Dorontchenkov, N. A. Gur'ianova, 2009 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections
