## **Matri Letters From The Mother:**

**Matri** Zoe Ann Nicholson,2003-03 Twelve letters written as if from the Divine Mother calling her daughters to discover the she is hiding within them     A Mother's Letters Frank Alexander,1921     *Letters Between Mothers and Daughters* Barbara Caine,2018-02-02 There are now many studies of family letters in Europe but most of them focus on marital letters and letters between parents especially mothers and their sons Little attention has been paid to the letters to and from daughters This volume seeks to begin filling that gap by exploring the continuities and changes evident in the letters written between mothers and daughters over several centuries Some of these changes reflect the history of letters and the ways that they were written and delivered especially the move from the use of scribes and couriers in the medieval and early modern period which made both the writing and reading of letters a public affair to the use of pens and the situation in which letters were able to be written in private and read only by the person to whom they were addressed But the letters also reveal the changing nature of the mother and daughter relationship as the formal and more distant ties evident in the early period in which dynastic and other matters were often more important to a mother than her daughter s personal happiness were replaced by closer and more intimate ties and a concern with particular personalities and individual needs This book was originally published as a special issue of Women s History Review     *Letters on Marriage, on the Causes of Matrimonial Infidelity, and on the Reciprocal Relations of the Sexes* Henry Thomas Kitchener,1812     **Mother Teresa's General Letters to Her Sisters** Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be

termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God 'My Lady's' honour, xiii letters Louis Collins, 1894      **Conversations on Matrimony. Intended as an accompaniment to the Letters ... on the Duties ... of the Marriage State** John O'INGTON (Dissenting Minister.), 1815      **Letters, Kinship, and Social Mobility in Nigeria** Olufemi Vaughan, 2023-08-15 In 2003 Olufemi Vaughan received from his ninety five year old father Abiodun a trove of more than 3 000 letters written by four generations of his family in Ibadan Nigeria between 1926 to 1994 The men and women who wrote these letters had emerged from the religious social and educational institutions established by the Church Missionary Society the preeminent Anglican mission in the Atlantic Nigerian region following the imposition of British colonial rule Abiodun recruited to be a civil servant in the colonial administration became the patriarch of a prominent family with historical roots in both West Africa and the Americas his family was the subject of articles in Ebony and Jet as well as in acclaimed histories Reading deeply in these letters Olufemi realized he had a unique set of sources that could be used to illuminate everyday life for this important segment of Nigerian society Letter writing was a dominant form of communication for western educated elites in colonial Africa especially in Nigeria Exposure and an altruistic sense of nationalism were among the factors that led people to begin exchanging letters particularly in their interactions with British colonial authorities Through careful textual analysis and broad contextualization Vaughan reconstructs dominant storylines including themes such as people's relationships with colonial authorities and bureaucracy ideas about faith and kinship nationalism and communal development Vaughan brings his prodigious skills as a historian to bear on this wealth of information bringing to life a portrait at once intimate and expansive of a community during a transformative period in African history      **The Life, Letters and Literary Remains of Edward Bulwer, Lord Lytton** Edward Bulwer Lytton Baron Lytton, 1883      **"The" Life Letters and Literary Remains of Edward Bulwer, Lord Lytton** Edward Robert Bulwer Lytton Earl of Lytton, 1883      **The Life Letters and Literary Remains of Edward Bulwer, Lord Lytton by His Son** Edward Robert Bulwer Lytton Earl of Lytton, Edward Rob. Public Record Office,1896      The Letters of the Martyrs ... with Introductory Remarks by the Edward Bickersteth Edward Bickersteth,1837      Cuckoldom Triumphant: Or, History of Matrimonial Incontinence Cornuto,1771      *Letters From Home* Sandra Froese Callahan,2023-08-11 War revolution and the consolidation of Soviet power during the 1920s prompted 21 000 Mennonites to leave the Soviet Union for Canada Among them were Isaac and John Thiessen Left behind was their beloved family three siblings and parents Elizabeth and Heinrich who were tortured and starved under Stalin s rule Letters from Home provides a rare intimate portrait of the Russian Mennonite experience during the Holodomor documenting in detail this horrific and much debated period of human history Between 1925 and 1934 Elizabeth and Heinrich wrote letters from Molotschna Mennonite Colony in Russia to Isaac and his wife Anna in Leamington Canada Serendipitously these letters were rescued from extinction by Anna painstakingly transcribed by Marie Hildebrandt Huebert and translated into English by grandson Otto Tiessen They were then gathered into this vital historical manuscript by Otto s wife Faye and by Sandra Froese Callahan Elizabeth and Heinrich s great granddaughter Beyond historical documentation beyond politics dogma and deliberation these letters profoundly express the private heartbreaking realities of one family s struggle to survive characterized by familial love religious faith and the descent day by day into desperation and starvation      *Letters and Papers, Foreign and Domestic, of the Reign of Henry VIII.* Great Britain.
