Matricide At St Marthas:

Matricide at St. Martha's Ruth Dudley Edwards,2011-09-30 The clever plot takes second place to the ebullience of the writing and spot on inventiveness of the satire The Times St Martha's College Cambridge had been staggering along on a shoestring for decades Then alumna Alice Toon leaves her old school a huge fortune The dons immediately fall to fighting over the spoils The Virgins led by Dame Maud Theodosia Buckbarrow believe the bequests should be spent on scholarships The Dykes fewer in number but better street fighters want to raise a center of Gender and Ethnic Studies The Old Women mostly men dream of fine vintages to be laid down in a decent new wine cellar Impasse They've reckoned without the Bursar Jack Troutbeck She elects to infiltrate this maelstrom of politics with her own agent Robert Amiss a former civil servant with a talent for sorting things out No sooner does he arrive on the scene where the Virgins are getting the upper hand than Dame Maud is murdered leading into what Mike Ripley of The Daily Telegraph described as An acidly funny romp Superbly bitchy on the none too fragrant groves of academe

The Saint Valentine's Day Murders Ruth Dudley Edwards,2024-04-02 The plotting and the mechanics of the solution are in the best traditions of the classic British mystery Try not to miss this one New York Times Life in a dismal bureaucratic cul de sac is not what Robert Amiss expects when the British civil service lends him for a year to the British Conservation Corporation In fact he finds himself condemned to a non job in a backwater managing disgruntled and demoralized timeservers who deeply resent him Morale is not improved by the arrival of Melissa a radical feminist lesbian separatist Only Amiss's sense of humour and the joys of visiting Rachel his new love in Paris keep him sane The malice envy and anger that burgeons among the filing cabinets is first expressed in pettiness and then in unpleasant practical jokes Then it escalates and finally culminates in callous murder by means of boxes of poisoned chocolates sent to the bureaucrats wives With the help of Ellis Pooley a young detective obsessed with fictional sleuths Amiss and his friend Superintendent Milton search for motives in an office where marital discord and broken dreams might drive anyone to murder

Murder in a Cathedral Ruth Dudley Edwards,2024-04-02 This blithe series puts itself on the side of the angels by merrily and staunchly subverting every tenet of political correctness The Independent For many years Westonbury Cathedral has been dominated by a clique of High Church gays so when Norman Cooper an austere intolerant happy clappy evangelist is appointed dean there is shock outrage and fear David Elworthy the gentle and politically innocent new bishop is distraught at the prospect of warfare between the factions contentious issues include the camp lady chapel and the gay memorial under construction in the deanery garden Desperate for help Elworthy cries on the shoulder of his old friend the redoubtable Baroness Troutbeck who forces her unofficial troubleshooter Robert Amiss to move into the bishop's palace Amiss Troutbeck and the cat Plutarch address themselves in their various ways to the bishop's problems which very soon include a clerical corpse in the cathedral Is it suicide Or is it murder And who is likely to be next

women with an alternate political stance that incorporates gender and nationality ethnicity and allows them to move beyond the usual binaries of politics history and language Irish and English In an analysis enriched by a sophisticated but accessible engagement with contemporary feminist and gender theory Pelan concludes that Irish women s writing whether at the community or mainstream level North or South consistently articulates political issues of direct relevance to the lives of Irish women today As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologies nationalist unionist imperialist and capitalist without forfeiting their own sense of gender and national or ethnic identity The book s significance lies in its placement of women s writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this period much of it long out of print continues to exist as sociological as well as literary records It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing feminism and literary history

Beckett/Philosophy Matthew Feldman, Karim Mamdani, 2014-03-01 This collection of essays most of which return to or renew something of an empirical or archival approach to the issues represents the most comprehensive analysis of Beckett s relationship to philosophy in print how philosophical issues conundrums and themes play out amid narrative intricacies The volume is thus both an astonishingly comprehensive overview and a series of detailed readings of the intersection between philosophical texts and Samuel Beckett s oeuvre offered by a plurality of voices and bookended by an historical introduction and a thematic conclusion S E Gontarski *Journal of Beckett Studies* This is an important contribution to ongoing attempts to understand the relationship of Beckett s work to philosophy It breaks some new ground and helps us to consider not only how Beckett made use of philosophy but how his own thought might be understood philosophical Anthony Uhlmann University of Western Sydney

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles

the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Ten Lords A-Leaping Ruth Dudley Edwards,2024-04-02 The House of Lords will never be the same again Disinclined to watch her language or moderate her manners Jack Troutbeck assisted by her old friend Robert Amiss plots vigorously with others to scupper an anti hunting bill of which she violently disapproves But she hadn't reckoned with the campaign of intimidation mounted by the animal activists and the attempt on the life of one of her allies shortly followed by scenes of horrifying carnage amongst the peers **Carnage on the Committee** Ruth Dudley Edwards,2010-01-31 When the chairperson of the prestigious Knapper Warburton Literary Prize dies in suspicious circumstances Robert Amiss the token sane member of the judging panel wastes no time in summoning Baroness Jack Troutbeck to step into the chair Speculation that a killer may be targeting the judges does not worry the baroness in the slightest it's the prospect of immersing herself in modern literature that fills her with dread But noblesse must oblige even when it means joining the ranks of the supercilious sitting in judgment of the literati With the baroness at the helm the judges resume the task of whittling away at the shortlist But the killer too has resumed work and is whittling away at the judges one by one **The Contemporary Irish Detective Novel** Elizabeth Mannion,2016-05-30 Irish detective fiction has enjoyed an international readership for over a decade appearing on best seller lists across the globe But its breadth of hard boiled and amateur detectives historical fiction and police procedurals has remained somewhat marginalized in academic scholarship Exploring the work of some of its leading writers including Peter Tremayne John Connolly Declan Hughes Ken Bruen Brian McGilloway Stuart Neville Tana French Jane Casey and Benjamin Black The Contemporary Irish Detective Novel opens new ground in Irish literary criticism and genre studies It considers the detective genre's position in Irish Studies and the standing of Irish authors within the detective novel tradition Contributors Carol Baraniuk Nancy Marck Cantwell Brian Cliff Fiona Coffey Charlotte J Headrick Andrew Kincaid Audrey McNamara and Shirley Peterson Clubbed To Death Ruth Dudley Edwards,2024-04-02 Robert Amiss is persuaded by his friend Detective Sergeant Pooley of the CID to take a job as a waiter in Featherstonehaugh's pronounced Fanshaws a gentlemen's club in St James The club secretary has allegedly jumped to his death from the gallery of this imposing building Against most of the evidence Pooley believes he was murdered Amiss finds himself in a bizarre caricature of a club run by and for debauched geriatrics with skeletons rattling in every cupboard Why are there so few members How are they financed Will Amiss keep his job despite the enmity of the ferocious snuff covered Colonel Fagg Corridors of Death Ruth Dudley Edwards,2024-04-02 Battered to death with a piece of abstract sculpture titled Reconciliation Whitehall departmental head Sir Nicholas Clark is claimed by his colleagues to have been a fine and respected public servant cut off in his prime Bewildered by the labyrinthine bureaucracy of Whitehall Scotland Yard

s Superintendent Jim Milton recognizes a potential ally in Clark's young Private Secretary Robert Amiss Milton soon learns from Amiss how Whitehall works that it can be Machiavellian and potentially homicidal that Sir Nicholas was obnoxious and widely loathed that he had spent the weeks before his murder upsetting and antagonizing family and associates and that his last morning on earth had been spent gleefully observing the success of his plan to embarrass his minister and his department publicly And they still need to discover who wielded the blunt instrument This is the first of Ruth Dudley Edwards witty iconoclastic but warm hearted satires about the British Establishment [Irish Women Writers](#) Alexander G.
