insights into biblical theology include musical analogies and cover the many functions of musical expression The author also reviews the music of the church from the New Testament through the Reformation Includes illustrations of the musical instruments mentioned in the Bible and descriptions of their sounds and uses in worship     A Difficult Passage Glenn A. Lafferty,2013-05 There s nothing good about a divorce It is one of the most painful experiences a person can endure What s worse is that if one is a Christian and divorced what he or she often finds is that the institution meant to heal the brokenhearted the church often sounds more like an adversary rather than an advocate Too often they are intentionally reclassified as second class Christians Why is this so Should this be so A Difficult Passage is a call to rethink in Biblical and compassionate terms the traditional conservative views of divorce and remarriage Readers will navigate their way through difficult questions such as What was God s original intent when He designed marriage What role did history and culture play in shaping modern opinion and doctrine Once a person is married can they ever be considered unmarried in the eyes of God Did God make provision for divorce as a corrective measure to insure justice for the innocent Once divorced can a person ever remarry Does remarriage constitute perpetual sin From where did the modern church get its marital views     **The Apostle Paul's Letter to the Church at Rome** Livingston Blauvelt,2005-12     **The Nine Veils** Nicholas Matthews,2019-09-10 From the Author My God is kind compassionate merciful and he loves me Yet there are questions that arise there are accounts of God that seem contradictory to my simplicity and there are accusations against God that can leave me struggling for an explanation At times I ve been confused by the concept of God s love and the reality of life and there often existed a dichotomy between the two I wrote this book after numerous conversations with friends who regardless of their spiritual journey have experienced similar thoughts or have simply ignored some of the hard questions of life and faith Common societal thinking in many areas is moving towards a position where people regard God as an outdated fairy tale with a sinister undertone leading to apathy or resentment towards God This is far removed from my notion of a living and loving God who is kind compassionate and merciful Embarking on my personal journey of discovering God s reputation I have a hunch that I m not alone I need to explore God and find comfort with the answer Would you join me on this journey of discovery Maybe all the dots haven t been joined and some of the joined dots remain open to interpretation yet the line I ve used to join the dots is what I know of the underlying nature and character of God     Biblical HR Brett Billups,2022-01-04 A unique practical step by step guide to deal with specific employee workplace issues from a biblical perspective
