Counter met Anaukaq Henson and Kali Peary Amer Inuit sons of the two explorers Born only days apart in 1906 they had long been acknowledged by their communities as the sons of Matthew Henson and Robert Peary but had never been in contact with any of their American relatives As it was obvious that these two men longed to see the country of their fathers Counter arranged for Anakukaq Kali and their families to travel to America to meet their families North Pole Legacy describes the obstacles that Counter overcame to bring news of Anaukaq Henson and Kali Peary to the world to bring them to the United States and to facilitate a reunion with relatives that they had never known At the same time the narrative flashes back to the unique history of Matthew Henson and Robert Peary in their collaboration as explorers and addresses their somewhat controversial claim to have been the first people to reach the North Pole Compelling insightful and impossible to forget North Pole Legacy is a must read for every history buff and armchair explorer
