

MATTHEW HENSON

(1866-1955)

In April 1909, Matthew Henson and Lt. Robert Peary became the first people to reach the North Pole. Henson was first hired by Peary in 1897 as a servant on an expedition. He eventually rose to the rank of field assistant. Four years later, in 1901, Henson and Peary set out on the first of several trips to the cold, forbidding ice of the Arctic. On their sixth and final trip, they finally made it to the North Pole. Following their triumph, Peary was made an admiral and received worldwide acclaim, while Henson was virtually ignored. Six years later, Henson was working as an attendant in a parking garage. It was only in 1954, a year before he died, that he was honored by President Dwight Eisenhower in a White House ceremony. Matthew Henson is buried in Arlington National Cemetery.

BLACK INNOVATORS

Matthew Henson Black American Series

Jared Rutter
