Alan P. Stanley,2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven **Four Views on the Role of Works at the Final Judgment** Robert N. Wilkin,Thomas R. Schreiner,James D. G. Dunn,Michael P. Barber,2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last

and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Adult Quarterly | Student Manual Winter Quarter 2020 (Dec-Feb) Church Of God In Christ Publishing House,2020-12-01 The Student quarterly offers the student a comprehensive guide of the Sunday School lessons The structured approach to the lessons helps the student understand the Biblical principles outlined in each week s lesson The Manual features A 13 week series of lessons Life application for each lesson A weekly challenge Thought provoking discussion starters The Sermon on the Mount Roland H. Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike

The Restoration of Messianic Hope Brian Main,2025-06-25 The New Testament portrays the apostles as placing great emphasis on Jesus resurrection in their preaching and teaching This emphasis is often lacking however in contemporary preaching and teaching If Jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood In this study Brian Main attempts to understand the significance of Jesus resurrection in the Gospel of Matthew Since Jesus resurrection is the proper conclusion of the story in Matthew it is necessary to understand what the story is that it concludes By analyzing the characters settings plot and point of view in Matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 Main and his readers come to grasp the expectations that Matthew s audience develops as that story unfolds As readers understand those expectations they will gain a better appreciation of what was at stake when Jesus experienced opposition and therefore of what was restored and guaranteed by his resurrection
