 With the wealth of colorful characters described in the book of Judges scholars and general readers alike have a strong
 fascination for Israel s leaders in its earliest days Theologians and biblical scholars from Luther on have found it difficult to
 relate to these figures From a Pentecostal point of view in particular those characters can sometimes be an embarrassment
 as their personal lives appear to be in stark tension with the purity conscious holy life to be expected of those touched by the
 Spirit of God Apart from the moments of power where is God in the lives of these characters As the title suggests it is time to
 listen and learn from God s role and perspective in these stories who in faithfulness to his covenant acts with constant
 patience to save his flawed servants Through a fresh hearing of The Unheard Voice of God the positive message of the book
 of Judges can become more apparent and accessible Readers are shown a crucial part of the book s dynamics which they may
 have missed **Hijacked!** Clarence Washington Sr.,2021-06-24 In this four volume series Hijacked How Dr King s Dream
 Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to
 adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the final
 volume of the Hijacked collection The Recovery the author specifies with brutal honesty a doable strategy that will bring
 America back from the edge of the precipice of destruction God gave Dr King a dream that contained a plan to fix what is
 wrong with America However nobody has the desire to admit that the problem is that no one in America not even the church

has been following the principles of Dr King's dream The Recovery explores what the church must do to be an effective watchman for the nation and lead America in the recovery process while also thoroughly delineating the special function that the Black church must effectively perform in order for the recovery of America to be successful and Dr King's dream a reality This final volume presents an exposition of some vital things that all Americans must do to recover from the nightmare and maintain Dr King's dream and America's status as an exceptional nation For the full dissection of Dr King's dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in Hijacked How Dr King's Dream Became a Nightmare Previous volumes in this series focus on the dream the hijack itself and the nightmare
