Matthew Henry's Commentary on the Whole Bible: Volume V-I - Matthew Matthew Henry, 2018-01-05 The eleventh book in this series this text focuses on textual comments and believer edification of the gospel of Matthew Although the text isn't focused on textual research of a theological exegesis the commentary does try to bring the ideas and assertions made by the disciple Matthew in the days of the Messiah Jesus Christ in the nation of Israel This book is handy for anyone who wants to read into commentary history as well as to get a good solid look at how the texts of Matthew apply to our lives *Zondervan NIV Matthew Henry Commentary* Matthew Henry, 2010-09-21 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry's day have taken on different meanings today In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand Dr Leslie Church's meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry's style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson preparation
