

HOPKINS, THE WITCH FINDER.

Matthew Hopkins Witch Finder General

Petre Underwood

Matthew Hopkins Witch Finder General:

The Discovery of Witches Matthew Hopkins, 2022-09-15 In *The Discovery of Witches* Matthew Hopkins presents a harrowing examination of witch trials during the English Civil War articulating the fervor and paranoia that swept through society. Written in a polemical style, the text serves both as a legal manifesto and a chilling account of the judicial proceedings that targeted countless accused witches. Hopkins employs a mixture of personal testimony and legal reasoning to justify his ruthless methods, reflecting the broader socio-political tensions of the time characterized by superstition and religious fanaticism. This work not only contextualizes the trial dynamics but also exposes the gendered dimensions prevalent in witch hunts, emphasizing the darker aspects of human belief and societal control. Matthew Hopkins, known as the Witchfinder General, was a controversial figure whose relentless zeal in pursuing alleged witches led to his infamy in 17th-century England. His background as a soldier during the English Civil War likely shaped his views and his fervent belief in the necessity of rooting out perceived evil. Driven by a combination of personal ambition and a purported moral mission, Hopkins's experiences fueled his assertions in this significant yet unsettling text. This seminal work is highly recommended for scholars, historians, and readers interested in the interplay between law, morality, and superstition in early modern Britain. *The Discovery of Witches* not only documents a dark chapter in history but also encourages critical reflection on the consequences of fanaticism and the fragility of justice.

Matthew Hopkins Witchfinder General James Vi, John Gaule, Matthew Hopkins, 2021-03-09 *Matthew Hopkins* Richard Deacon, 1976 **The Discovery of Witches** Matthew Hopkins, 2014-03-22 *The Discovery of Witches* In answer to severall queries lately Delivered to the Judges of Assize for the County of Norfolk By Matthew Hopkins Witch finder Hopkins's witch-finding career began in March 1644 and lasted until his retirement in 1647. During that period, he and his associates were responsible for more people being hanged for witchcraft than in the previous 100 years and were solely responsible for the increase in witch trials during those years. He is believed to have been responsible for the deaths of 300 women between the years 1644 and 1646. It has been estimated that all of the English witch trials between the early 15th and late 18th centuries resulted in fewer than 500 executions for witchcraft. Therefore, presuming the number executed as a result of investigations by Hopkins and his colleague John Stearne is at the lower end of the various estimates, their efforts accounted for about 60 per cent of the total in the 14 months of their crusade. Hopkins and Stearne sent to the gallows more people than all the other witch hunters in the 160 years of persecution in England.

Witchfinder General Craig Cabell, 2006 Matthew Hopkins is perhaps the most notorious, certainly the most productive witchfinder that England ever boasted. In eighteen months between 1645 and 1646, he was responsible for the condemnation and execution of at least 230 witches in south-east England and East Anglia. His victims were for the most part elderly women, though men too, even respected clergymen, faced trial and capital punishment for performing witchcraft and making covenants with Satan. Hopkins had appointed himself Witchfinder General by order of Parliament, but his reputation

as a local hero became tarnished by his use of excessive torture too many false accusations and confessions obtained by dubious means His death is somewhat mysterious He died while still quite young possibly after having been accused of witchcraft himself and executed Craig Cabell already a noted biographer of such contemporary students of the occult as Dennis Wheatley and James Herbert uses the copious extant records and Hopkins's own writings to create a richly detailed picture of a man and a society obsessed with magic devil worship and the powers of darkness He provides the first full modern biography of a man who turned his undoubted energies and gifts into a streamlined and profitable killing machine

The Discovery of Witches Montague Summers, 2014-03 This Is A New Release Of The Original 1647 Edition *The Discovery of Witches* Matthew Hopkins, 2018-08-28 In *The Discovery of Witches* Matthew Hopkins the Witch Finder General of England during the early 1600s details the process by which he found and captured suspected witches Hopkins' treatise is comprised of answers to various queries he had received by members of the public curious about his investigatory techniques in finding witches This book answers a total of fourteen queries with replies ranging from a few sentences to a few paragraphs in length The book is an illustrative portrayal of a society fervently given to superstitions about the powers of witchcraft At three hundred women killed the efforts of Hopkins and his assistant John Stearne were prolific Accorded status Hopkins encountered opposition to his witch finding That his investigations required scant evidence to secure death sentences dismayed figures in the Church of England Today historians judge Hopkins as an opportunist who took advantage of unfounded suspicions to advance his own fame *Witchcraft in Early Modern Europe* Jonathan Barry, Marianne Hester, Gareth Roberts, 1996 This important collection brings together both established figures and new researchers to offer fresh perspectives on the ever controversial subject of the history of witchcraft Using Keith Thomas's *Religion and the Decline of Magic* as a starting point the contributors explore the changes of the last twenty five years in the understanding of early modern witchcraft and suggest new approaches especially concerning the cultural dimensions of the subject Witchcraft cases must be understood as power struggles over gender and ideology as well as social relationships with a crucial role played by alternative representations Witchcraft was always a contested idea never fully established in early modern culture but much harder to dislodge than has usually been assumed The essays are European in scope with examples from Germany France and the Spanish expansion into the New World as well as a strong core of English material **John Stearne's Confirmation and Discovery of Witchcraft** Scott Eaton, 2020-05-31 Between 1645-7 John Stearne led the most significant outbreak of witch hunting in England As accusations of witchcraft spread across East Anglia Stearne and Matthew Hopkins were enlisted by villagers to identify and eradicate witches After the trials finally subsided in 1648 Stearne wrote his only publication *A confirmation and discovery of witchcraft* but it had a limited readership Consequently Stearne and his work fell into obscurity until the 1800s and were greatly overshadowed by Hopkins and his text This book is the first study which analyses Stearne's publication and contextualises his ideas within early modern intellectual cultures of religion demonology

gender science and print in order to better understand the witch finder s beliefs and motives The book argues that Stearne was a key player in the trials that he was not a mainstream puritan and that his witch finding availed from contemporary science It traces A confirmation s reception history from 1648 to modern day and argues that the lack of research focusing on Stearne has resulted in misrepresentations of the witch finder in the historiography of witchcraft This book redresses the imbalance and seeks to provide an alternative reading of the East Anglian witch hunt and of England s premier witch hunter John Stearne

Witch Trials Alix Wood,2013-08-01 From a modern perspective it seems incredible that people were once executed for practicing witchcraft Yet in medieval Europe and colonial America more than 12 000 lost their lives this way The proof of witchery was often as scanty as a physical deformity or as outrageous as the water test If the tied up suspect floated in water they were guilty if they sunk they were innocent Readers will be fascinated by reports of famous and lesser known witch trials accompanied by vivid photographs colorful illustrations and intriguing fact boxes They ll learn how dubious accusations circumstantial evidence and a lack of scientific knowledge proved fatal for so many

Witchfinders Malcolm Gaskill,2007-10-31 In 1645 Matthew Hopkins and John Stearne exploited the anxiety and lawlessness of the time and initiated a brutal campaign to drive out the presumed evil in their midst Gaskill recounts the most savage witch hunt in English history By the fall of 1647 at least 250 people had been captured interrogated and tried with more than 100 hanged

Encyclopedia of Witchcraft Richard M. Golden Director, Jewish Studies Program,2006-01-30 The definitive compilation on witchcraft and witch hunting in the early modern era exploring significant people places beliefs and events Encyclopedia of Witchcraft The Western Tradition is the definitive reference on the age of witch hunting approximately 1430 1750 its origins expansion and ultimate decline Incorporating a wealth of recent scholarship in four richly illustrated alphabetically organized volumes it offers historians and general readers alike the opportunity to explore the realities behind the legends of witchcraft and witchcraft trials Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages

The Encyclopedia of Witches, Witchcraft and Wicca Rosemary Guiley,2010-05-12 Presents a comprehensive reference guide with more than 480 entries on the subject of witchcraft

Witches and Sorcerers Gary Jeffrey,2011-01-15 This gripping book uses the graphic novel format to examine three real life stories about people who were accused of being witches and sorcerers in history Supernatural tales include Nicholas Flamel and the Philosopher s Stone the Salem Witch Trials and Grace Sherwoodthe Witch of Pungo Each story is presented in a riveting style that is accessible to reluctant readers

Matthew Hopkins Witch Finder General Introduction

In the digital age, access to information has become easier than ever before. The ability to download Matthew Hopkins Witch Finder General has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Matthew Hopkins Witch Finder General has opened up a world of possibilities. Downloading Matthew Hopkins Witch Finder General provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Matthew Hopkins Witch Finder General has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Matthew Hopkins Witch Finder General. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Matthew Hopkins Witch Finder General. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Matthew Hopkins Witch Finder General, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Matthew Hopkins Witch Finder General has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Matthew Hopkins Witch Finder General Books

1. Where can I buy Matthew Hopkins Witch Finder General books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Matthew Hopkins Witch Finder General book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Matthew Hopkins Witch Finder General books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Matthew Hopkins Witch Finder General audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google

Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Matthew Hopkins Witch Finder General books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
