Iain Provan

Matthew Luke:

Matthew's Transfiguration Story and Jewish-Christian Controversy A. D. A. Moses, 1996-01-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew s Gospel It demonstrates that Matthew s account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses greatness and Matthew portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter s witness to Jesus transfiguration

Judas of Nazareth Daniel T. Unterbrink, 2014-03-24 An investigation into the historical Jesus and the veracity of the Gospels Reveals the biblical Jesus as a composite figure a blend of the political revolutionary Judas the Galilean and Paul's divine human Christ figure Matches the events depicted in the New Testament with historically verifiable events in Josephus history pushing Jesus' life back more than a decade Demonstrates how each New Testament Gospel is dependent upon Paul's mythologized Christ theology designed to promote Paul's Christianity and serve the interests of the fledgling Gentile Christian communities Scholars have spent years questioning aspects of the historical Jesus How can we know what Jesus said and did when Jesus himself wrote nothing Can we trust the Gospels written by unknown

authors 40 to 70 years after Jesus death And why do other sources from the time not speak of this messianic figure known as Christ Drawing on the histories of Josephus Tacitus Suetonius and Pliny as well as the Dead Sea Scrolls Daniel Unterbrink contends that the Jesus of the Bible was actually a composite figure a clever blend of the Jewish freedom fighter Judas the Galilean and Paul s divine human Christ figure created in the middle of the first century CE Revealing why Paul was known as a liar enemy and traitor in other Jewish literature he shows that the New Testament Gospels are not transcripts of actual history but creative works of historical fiction designed to promote Paul s Christianity and serve the interests of the fledgling Gentile Christian communities He demonstrates how each Gospel is written in light of the success of Paul s religion and dependent upon his later perspective Matching the events depicted in the New Testament with the historically verifiable events in Josephus history Unterbrink pushes the dating of Jesus life back nearly a generation to a revolutionary time in ancient Judea He shows that the real historical Jesus the physical man behind the fictional stories in Paul s Gospels was Judas the Galilean a messianic pretender and Torah observant revolutionary bent on overthrowing the Roman government and galvanizing the Jewish people behind his vision of the coming Kingdom of God In the greatest cover up of history this teacher of first century Israel was replaced by the literary creation known as Jesus of Nazareth **Eerdmans Commentary on the Bible: Jeremiah and Lamentations**

Daniel Carroll R., 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Rogerson and Carroll R's introduction to and concise commentary on Haggai Zechariah and Malachi The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **The Case for Proto-Mark** Delbert Burkett, 2018-02-27 The most common explanation for the material shared by Matthew and Luke the double tradition is that Matthew and Luke both used a source now lost called Q If we adopt the Q hypothesis to account for the double tradition then what theory best accounts for the material that Matthew and Luke share with Mark Three main theories have been proposed Matthew and Luke used the Gospel of Mark as a source the standard theory of Markan priority Matthew and Luke used a revised version of Mark's gospel the Deutero Mark hypothesis or all three evangelists used a source similar to but earlier than the Gospel of Mark the Proto Mark hypothesis Delbert Burkett provides new data that calls into question the standard theory of Markan priority and the Deutero Mark hypothesis He offers the most comprehensive case to date for the Proto Mark hypothesis concluding that this theory best accounts for the Markan material **Excavating Q** John S. Kloppenborg, 2000 In this tour de force the author offers a comprehensive introduction to the study of Q the collection of Jesus sayings long hypothesized as the source for the canonical gospels of Matthew and Luke Part I deals with the methods for studying Q their presuppositions and a survey of current research Part II addresses more theological and theoretical issues relevant to the Synoptic Problem Q as a document its redaction and its social setting **The Chronological Gospel King James Version** Daniel W. Alt, 2025-06-21 The Chronological Gospel King James Version by Daniel W Alt crafts a cohesive narrative of Jesus Christ's life by seamlessly interweaving insights from the Gospels of Matthew Mark Luke and John Alt tells Luke's story utilizing other Gospel perspectives Color coding the commentary declarations of Jesus God the Father and Talmudic transgressions distinguishes this work Alt pays meticulous attention to the Gospels historical context and language disparities The Gospel narrative unfolds with the birth of John the Baptist and the miraculous conception of Jesus skillfully blending the stories of the shepherds magi and the Holy Family's journey to Egypt Alt's books deepen readers understanding of Jesus Christ and his teachings by exploring the Gospel **Relating the Gospels** Eric Eve, 2021-01-14 This volume examines the synoptic problem and argues that the similarities between the gospels of Matthew and Luke outweigh the objections commonly raised

against the theory that Luke used the text of Matthew in composing his gospel While agreeing with scholars who suggests that memory played a leading role in ancient source utilization Eric Eve argues for a more flexible understanding of memory which would both explain Luke s access of Matthew s double tradition material out of the sequence in which it appears in Matthew and suggest that Luke may have been more influenced by Matthew s order than appears on the surface Eve also considers the widespread ancient practice of literary imitation as another mode of source utilization the Evangelists particularly Luke could have employed and argues that Luke s Gospel should be seen in part as an emulation of Matthew s Within this enlarged understanding of how ancient authors could utilize their sources Luke s proposed use of Matthew alongside Mark becomes entirely plausible and Eve concludes that the Farrer Hypothesis of Matthew using Mark and Luke consequently using both gospels to be the most likely solution to the Synoptic Problem
