Matthew The Christbook Matthew 1 12:

The Christbook Frederick Dale Bruner, 1987 **Matthew: The Christbook, Matthew 1-12** Frederick Dale Bruner, 2004

Recognized as a masterly commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says but Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner's commentary is replete with lively verse by verse discussion of Matthew's text While each chapter expounds a specific topic or doctrine the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study In this revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the classic commentaries of Chrysostom Jerome Augustine Luther Calvin Bengel and the rest who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog eared commentary on the shelf but Volume 1 of Bruner's commentary is called *The Christbook* because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesus' coming chapters 1-4 his teaching 5-7 his miracles 8-9 his sermon on mission 10 and his person 11-12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Bruner's two volume commentary on Matthew now stands among the best in the field [Matthew, a Commentary: The Christbook, Matthew 1-12](#)

Frederick Dale Bruner,1987 Identity Formation and the Gospel of Matthew Tekalign Duguma Negewo,2024-03-13 Why does the author of the Gospel of Matthew introduce non Jewish characters into his narrative Tekalign Duguma Negewo answers this question on the assumption that the gospel had an identity forming function for his community *Minding the Heart* Saucy, Robert,2013-09-13 The heart is the most important biblical term for the person s nature and actions Indeed the heart is the control center of life It is the very place where God works to change us But how does this growth take place How are Christians to discover the steadfast spirit of David s psalm In *Minding the Heart* Robert L Saucy offers insightful instruction on what spiritual transformation is and how to achieve it He shows how renewing one s mind through meditation action and community can begin the process of change but ultimately the final change the change that brings abundant life can only come through a vital relationship with God The renewing of the heart is an inescapable human need writes Saucy but the solution lies only within the realm of the divine Drawing from inspiring Bible passages as well as selected scientific studies Saucy demonstrates how to make lasting change so Christians can finally achieve the joys of becoming more like Christ *Tribals, Empire and God* Zhodi Angami,2017-04-06 Tribal biblical interpretation is a developing area of study that is concerned with reading the Bible through the eyes of tribal people While many studies of reading the Bible from the reader s social cultural and historical location have been made in various parts of the world no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew s infancy narrative from a tribal reader s perspective Using reader response criticism as his primary method Zhodi Angami brings his tribal context of North East India into conversation with Matthew s account of the birth of Jesus Since tribal people of North East India see themselves as living under colonial rule a tribal reader sees Matthew s text as a narrative that actively resists and subverts imperial rule Likewise the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined ignored belittled or forgotten Tribal biblical interpretation presented here follows a process of conversation between tribal worldview and Matthew s narrative Such a method animates the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context Comparative Characterization in the Sermon on the Mount Arren Bennet Lawrence,2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The

many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization. In addition, the teleological purpose of the comparisons, which is to play as foil to the characterization of the ideal disciple, is identified and highlighted. Thus, this study identifies Jesus' characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount.

Between Pain and Grace Gerald Peterman, Andrew Schmutzer, 2016-05-23 Why is there suffering? When will it end? Where is God in it? Despite how common suffering is, we still struggle to understand it and even more to bear through it. *Between Pain and Grace* gets to the heart of this struggle. Its honest and detailed portrait of life challenges our assumptions about pain, emotion, and God himself. Born from a popular college course on suffering, this book answers critical questions like: Is God personally involved in our pain and suffering? How should Christians handle emotions like grief and anger? What does the Bible say about issues like mental illness, sexual abuse, and family betrayal? Striking an elegant balance between being scholarly and pastoral, *Between Pain and Grace* is useful in the classroom, churches, and for personal reading. The authors draw from Scripture, personal experience, and even psychological research to offer a well-rounded and trustworthy take on suffering. *Between Pain and Grace* will give you confidence in God's sovereignty, comfort in His presence, and wisdom for life on this side of paradise. It will also make you more tender and better prepared to respond to the suffering of others. Read it today for a richer, more realistic relationship with God.

trajectories one the most dominant which affirms the roles of Joseph presented in the nativity accounts and highlights his significance and another which diminishes these roles and consequently Joseph's significance While Jacobs's study documents the presence of tensions with respect to understanding and perception of Joseph within this period of Christianity it also reveals that Joseph had much more importance than has previously been acknowledged
