Handbook of Writing and Text Production Eva-Maria Jakobs, Daniel Perrin, 2014-02-27 Writing matters and so does research into real life writing The shift from an industrial to an information society has increased the importance of writing and text production in education in everyday life and in more and more professions in the fields of economics and politics science and technology culture and media Through writing we build up organizations and social networks develop projects inform colleagues and customers and generate the basis for decisions The quality of writing is decisive for social resonance and professional success This ubiquitous real life writing is what the present handbook is about The de Gruyter Handbook of Writing and Text Production brings together and systematizes state of the art research The volume contains five sections focussing on I the theory and methodology of writing and text production research as well as on problem oriented and problem solving approaches related to II authors III modes and media IV genres and V domains of writing and text production Throughout the 21 chapters exemplary research projects illustrate the theoretical perspectives from globally relevant research spaces and traditions Both established and future scholars can benefit from the handbook s fresh approach to writing in the context of multimodal multi semiotic text production

Between Anthropology and Literature Rose De Angelis, 2003-08-27 This collection suggests that the disciplines of literature and anthropology are not static entities but instead fluid sites of shifting cultural currents and academic interests The essays conclude that the origins sources and intersections of the two disciplines are constantly being revised and reconceived leading to new possibilities of understanding texts The authors address the ways in which the language of social science fuses with that of the literary imagination The essays fit excellently with the current interest in interdisciplinary studies and challenge students to see texts as parts of a larger global and cultural matrix

International Journal of Applied Linguistics and English Literature (IJALEL: Vol. 3, No.1), 2014 Editor, 2013-12-30 International Journal of Applied Linguistics and English Literature IJALEL is a peer reviewed journal established in Australia Authors are encouraged
