The New Testament on Sexuality William Loader,2012-09-13 This is the fifth and final installment of William Loader s authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco Roman ideals and practices In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the

biblical texts and the diverse ways in which they have been interpreted *Cooperative Salvation* Kathryn S. Eisenbise, 2014-12-05 Why did Jesus die What does it mean that Jesus died for our sins Christian theology has been wrestling with these questions for centuries and theologians have proposed lots of different answers and explanations in the form of theories of atonement But most of these theories fall short when confronted by a contemporary postmodern worldview Many of these models come out of orthodox rather than Free Church traditions so they also lack the distinctive elements that characterize Brethren ways of understanding God and the world The Church of the Brethren is well known for its acts of service and discipleship in the nonviolent model of Jesus but it has not produced much constructive theology Cooperative Salvation attempts to remedy this situation by proposing a constructive Brethren model of atonement It analyzes the diverse atonement models proposed throughout the Christian tradition noting where they prove inadequate To address the shortcomings of other models this work draws on important claims of historical Anabaptist and Brethren theology while also incorporating ideas from feminist liberation and process theology in order to construct an understanding of atonement that contributes a contemporary Brethren voice to the centuries long discussion of atonement *Come Into My Father's Teepee* Lockley C. Bremner, 2016-11-24 Jesus came into the world and challenged the established order and He presented a new prototype This book challenges established religious orders and offers a new model for the body of Christ We are entering a new era in which the next move of God will not resemble anything we have seen People around the world are hungry for the next move of God but are not quite sure what it will look like Our journey in this writing takes us through the dangers and deceptions of Mystery Babylon and exposes how the nations of the earth are in rebellion against the Creator Finally we find hope and comfort in the heavenly teepee of YHWH Come into my Father's Teepee is a fresh visionary perspective on the move of God that will stir hungry seekers and could be one of the most pivotal books of our generation Believers desperately need a change *Love, Violence, and the Cross* Gregory Anderson Love, 2010-08-01 Does God use violence to redeem us What is the relationship between divine love and violence in regard to the saving significance of the cross of Christ In *Love Violence and the Cross* Gregory Love dialogues with two responses to this question while presenting a third alternative in which Jesus's death is simultaneously a crime and an element of God's saving actions Through familiar stories in history literature and film Love presents five constructive models that cumulatively affirm God's saving act in the person and work of Christ while letting go the myth of redemptive violence They affirm redemption but one with a different shape Instead of exacting the absolute punishment God redeems by making good God's promise to humanity to secure human life Love argues that God is nonviolent while retaining the core idea presented in the New Testament witnesses that reconciliation occurs in the work of Christ and that the cross plays a role in that divine work **Scripture in Tradition** John Breck, 2001 **Of God and Humans** The Supreme Master Ching Hai, 2006-04-01 The Bible one of the greatest works of the world encompasses the story of creation the history of the nation of Israel the record of God's relationship with the Israelites also referred to as

Hebrews or Jews the laws and guidelines for worship given by God Jehovah to his children and in the New Testament the life and teachings of Jesus of Nazareth Biblical writings take many forms including legends proverbs poems genealogies and biographies However the contents of the Bible consistently center around one theme namely the unavoidable lessons humans must learn in life regarding their relationship with God In Genesis the first book of the Bible we find one of the most compelling narratives ever told in this world the story of the creation of the first two humans Adam and Eve Later at the instigation of Satan represented by the serpent Adam and Eve willfully violate God's rule eat the forbidden fruit and are thus banished from Paradise According to Supreme Master Ching Hai this tragic story of Paradise lost symbolizes humankind's turning away from God God is the creative energy behind everything in the universe It is given different names in different religions for example God Allah the Supreme Master Anuttara Samyak Sambodhi and the Buddha Power see Supreme Master Ching Hai's Lecture 7 The Ten Commandments in this volume Following Paradise Lost are many other well known Bible stories such as those of Noah Lecture 2 Lot Lecture 4 and Moses Lecture 6 These tales depict God's children misused their free will and continuing to deviate from the cosmic design of universal love peace and harmony with the inevitable result being destruction Whether in the form of a gigantic flood that engulfs the Earth a fire that destroys an entire city or endless wars among nations these disasters might be thought to represent God's punishment but in reality they are the direct outcomes of human's own behavior How can human beings avoid such natural and self made calamities The answer to this question comes from the shining examples of Biblical figures such as Abraham Lot Moses and Samuel's mother Hannah These individuals all humbly submitted themselves to God's will to the extent of giving up their worldly possessions or even their most beloved sons in the cases of Abraham and Hannah As a result they received blessings that were many times more valuable than what they sacrificed While the Old Testament figures revered God as an external agent who doled out rewards and punishment to his children Jesus changed this paradigm when He came telling His followers The kingdom of God is within you Lecture 11 The Sermon on the Mount in this volume This statement reflects the link between Jesus teachings and those of Sakyamuni Buddha and many other great Saints of the East Who taught the same truths Now Supreme Master Ching Hai brings us an identical message that God is none other than our own Supreme Wisdom and True Nature Lecture 7 The Ten Commandments in this volume And if we place our trust in God or our own inner Supreme Master focus on our wisdom center and follow God's will not only will we be blessed but the whole world and generations of our descendants will benefit as well Far from being a stern father figure who punishes people with earthly suffering or reincarnation God is in essence Universal Love and Compassion And even when people assert their free will and separate themselves from Love Love never gives up Through the ages God has sent great Masters to help bring His children back to their Heavenly Home These Saints are God incarnate and their power is divine Only through Them can we break the karmic cycle go beyond the Three Realms and arrive safely at our soul's permanent Home Jesus also promised that God would again send us a Comforter but

how can we recognize a person who is God incarnate as Jesus was The Supreme Master Ching Hai answers this question as follows If there is anyone who teaches the same ideas or gives us the same comfort as Jesus did we should know that He She is a Comforter that God has sent to us Lecture 9 The Perfect Example of a Great Saint in this volume And Her life words deeds and the power and love She manifests all testify to the fact that She is indeed from God If we sincerely wish to be liberated we need only knock on the door and we will surely recognize Her Through this Great Master we earthlings will finally be able to regain our lost Paradise

Introducing Apologetics James E. Taylor, 2006-03 A fresh comprehensive survey of the many methods of Christian apologetics using a unique whole person approach *James Stuart*

Briscoe, 2017-03-16 As leader of the Jerusalem church what words of encouragement would James write to these persecuted Christians Perhaps a little surprisingly his key message was faith works Genuine belief inevitably transforms our speech suffering compassion for the poor humility prayers priorities and frankly every other aspect of life In 5 chapters James introduces and briefly touches upon a whole variety of issues that concern the new believers In a simple forthright style he urges them to live out their faith knowing that God's grace is sufficient for every trial and that there is a value and purpose to their suffering James own life illustrated this message He had grown up with Jesus and was naturally sceptical about his brother's Messianic claims But a post resurrection encounter with Jesus revolutionised his life He was transformed from a vocal critic into a key leader of the early church and prime mover in the Jerusalem Council Acts 15
